Parents’ Club fundraising event - Back To The 80’s

LAST DAY OF SCHOOL

The last day of term 1 is Friday 26th June. Students will be dismissed from school at 2:20pm. Buses will be running at the end of school.

Arrangements for Friday 26th June

The following arrangements will be in place for the final day of term 2, Friday June 26th.

Period 1 – 9am - 10am
Period 2 – 10am - 11am
Recess – 11am - 11:30am
Period 3 – 11:30am - 12:30pm
Lunch – 12:30pm - 1:20pm
Period 4 – 1:20pm - 2:20pm

Students are expected to be at school and in full College uniform.

THANK YOU

On behalf of the Kyabram P-12 College community I would like to sincerely thank the Kyabram Club for their kind donation of $7,203.00 on Tuesday night last week. This donation will go towards supporting families in our school by providing opportunities that otherwise might not be available for their sons and daughters attending our college. Thank you, once again, from the Kyabram P-12 College Community.

ENROLMENTS 2016

It is that time of the year when parents make up their minds as to where to send their child to school in 2016. If you know you are going to enrol your son or daughter at Kyabram P-12 College in 2016 (particularly in prep and year 7), please collect an enrolment form from the office and return it to school as soon as you can. If you know of someone in the community who hasn’t seen the school, please encourage them to come and have a look at the facilities, and observe the teaching and learning that goes on in the classrooms. I am sure they will be suitably impressed. We have had a number of interested families visit the school and they been blown away with what they have seen on the tour.
The Department of Education and Training has released an App which is designed to help you better understand the curriculum we use to teach your children every day. The app, called SchoolMate, is available for free download now in the App Store for iPhones and iPads and in Google Play for Android phones and tablets.

SchoolMate gives you a general overview of the Victorian curriculum in each subject at each year level and:

- Provides you with an overview of what your children are learning in each subject at each year level according to the Victorian curriculum (AusVELS)
- Provides you with tips regarding activities and things you can do at home to help your kids in each subject and year level
- Suggests apps, books, events and activities related to each subject area and year level.

Our school, like all other government schools in Victoria, uses AusVELS as the basis for the learning programs we run at school every day.

Our teachers adapt the curriculum to meet the needs of our students and community, for example, designing learning programs around what your children are interested in, or around days or celebrations that are important to our community.

SchoolMate is designed to give you an overview of what children are expected to learn in Victorian government schools across every subject from Prep to Year 10.

I encourage you to download SchoolMate and to please talk with your child’s teacher or me if you are interested to find out more about how our school teaches the curriculum.

**UNIFORM**

I have been generally pleased by the support families have shown to the school uniform policy this year. Thank you to parents and guardians for supporting the uniform policy. This is greatly appreciated as looking like we are all on the same team is an important aspect of any school.

However over the past few weeks I have noticed a decline in the number of students wearing uniform.

At the start of term 3 students who come to school out of uniform will be required to change in to the school uniform that will be supplied by the school. At the end of the day students who have borrowed the uniform item will return them to the office.

If parents are able to donate school uniform items that they do not require any more, please send these to the office where they will be put to good use.

*Stuart Bott*

**Business Manager’s Report**

**Jan Prior**

**Camps, Sports & Excursions Fund (CSEF) Reminder**

The Department of Education has recently announced the Camps, Sports and Excursions Fund. This means that we will be able to continue to support our eligible families with the Kyabram P-12 College Family Support Program and now also the CSEF which will be in place for eligible students till the end of Year 12.

School **camps** provide children with inspiring experiences in the great outdoors, **excursions** encourage a deeper understanding of how the world works and **sports** teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.
CSEF eligibility will be subject to the parent/legal guardian’s concession card successfully validating with Centrelink on either the first day of term two or term three.

The annual CSEF amount per student will be:
- $125 for primary school students
- $225 for secondary school students.

**How to Apply** Please contact the College office to obtain a CSEF application form or download from [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

**Closing Date** Please return your CSEF application form at the school by 26th June 2015. For more information about the CSEF visit [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

If you have any queries please do not hesitate to contact either myself or the Office Team.

**End of Term**

I would like to wish our families a relaxing and safe holiday and hope you are able to keep warm over the Term holidays.

---

**P-6 Assistant Principal Report**

David Jenner

**PREP INFORMATION SESSIONS**

Last Wednesday 10th June our Prep – 2 staff held two information sessions for new Preps beginning in 2016. Thank you to all who attended as we had good numbers which was very pleasing. I have had positive feedback from numerous people in regards to the sessions, and I would like to thank our staff for their support and organisation here, especially our speakers.

Personalised tours of our College are always available and encouraged. Please phone or visit our college offices if you would like to make an appointment for a tour.

**PARENT TEACHER INTERVIEWS**

Parent Teacher Interviews are taking place Tuesday and Thursday of this week. Thank you to all for support, as an interview is a wonderful opportunity to discuss your child’s development and progress at school. Please remember that in addition to these interviews, parents can call the office to make an appointment to see a teacher at any time during the year.

**PLAYGROUNDS**

I would like to remind parents that when students are playing after school on the playground equipment that is not built for their age group, it is the parents’ responsibility to look after their sons or daughters. The school will not be held responsible for students playing on inappropriate equipment. This is a reminder that the P-2 playground is along the path on the Haslem St entrance, the 3/4 playground is near the Prep-2 Community Building and the 5/6 playground is located at the Haslem St Entrance, on the left. Thank you.

**BOOK FAIR**

The Book Fair has been taking place all of this week and our students have thoroughly enjoyed purchasing books each day! Proceeds go back to our College, so thank you to all for your support here.

Thank you also to our organisers, in particular Cheryl Child, for all of the hard work here in regards to setting up and organising the Book Fair.
*DAD’S NIGHT*

Last Thursday Evening we held our Prep – 2 Dad’s Night event. The event was a huge success with a fantastic turnout. It was great to see so many male role models attend with their children, grandchildren, nieces and nephews etc. The event began with a number of games. This was followed with pizza and chips and then by a presentation from Rob Hunter, Tom Mangan, Greg Ross and me. Thanks you to all staff who helped in regard to organising this event, and to all who helped to run the night. Most importantly of all, our students thoroughly enjoyed the evening with their Dad’s.

---

**P-4 Awards**

Congratulations to this week’s award winners.

---

**PREP-2 DISCO**

**Thursday 25th June**

**4-5 pm in the Prep-2 Building**

Gold Coin Donation

Parents welcome (Parent/child dance at 4:45pm)

Wear your favorite party/disco gear

Spot prizes for great dancing

Run by the Student Council and Pulse Radio

Please note: parents should provide supervision of their children between 3:20pm and 4pm

Excellence Through Opportunity
Year 1 Writing Recounts

Do you know what day it is? It is crazy hair day. It is the best! I am happy! It is the best day ever! Mr. Nilbett is cool and awesome. He is wearing a video game t-shirt. It is the 11th of June today. Everyone is colourful. Grace is cool. Ava and Zara are cool too. Peyton and Abbey are cool too. It is the best day ever!

By Sophie Seedsman

Do you know what day it is today? It is crazy hair day! It is the 11th of June. You have to dress up in loud t-shirts and your hair has to be crazy. Aston has a white shirt and he has got food dye and squirted the food dye on it and made it really colourful and very cool.

By Jacob Gray

Do you know what day it is? It is crazy shirt and hair day. I am wearing sparkly pink hip hop shoes, a blue cat top and plaited hair. It is Thursday the 11th of June. It is a very special day today. My teacher Mr. Nilbett is wearing a colourful top and brown jeans, too. Lots of people are wearing colourful tops and hair too.

By Peyton Croft

Year 2 News

Year 2 students have been bringing together their learning about Australian animals and habitats and will be working together to produce a book in the next week.

Thank you to families who have attended parent/teacher discussions over the last week or two. The home-school relationship is an important part of our students’ success and development; if you have missed the official interview please contact us by email, note or phone to schedule a suitable time.

Next Tuesday will be Mrs. Courtney Zito’s last day for the year as she begins leave to prepare for the birth of her baby. We will miss her very much in Year 2 but hope to hear from her next term after her family’s newest arrival. We will welcome Mrs Ange Acoks to our team next term; Mrs Acoks will work on Fridays, Mrs Clapp will teach Monday-Thursday and Miss Robbers will continue in the classroom full time.

Year 3/4 News

We were very lucky that the weather gods looked after us the sun was shining and the rain held off for our annual Winter Sports last Thursday at the Northern Oval. It was great to see the students having fun, meeting up with new people and showing off their sportsmanship. Thank you to the parents who braved the chilly wind to walk there with us and to watch and support the children in their games, and congratulations to our wonderful students on their behaviour and participation on the day.

With the end of term almost upon us, teachers are moving their focus forward to our Melbourne camp, which is only a few school weeks away! Thank you to parents who have expressed their child’s intention to attend and paid the deposit of $20. Could those who have not yet done so please attend to this straight away, as bookings now need to be confirmed? Thank you.

The Grade 3/4 concert will be held next Tuesday 23rd and Wednesday 24th June. We have been in full swing with rehearsals and the students are doing a sensational job! Can we please ask parents to provide a plate of supper to share on one of these nights? Grade 3/4OL, 3/4TL, 3/4HB perform on Tuesday night and 3/4 Studio on Wednesday night. Last year the supper was a real highlight of the night, a great opportunity for parents, teachers and students to have a relaxed cuppa and a chat about the concert.

Finally, thank you to parents who have been to or scheduled meetings with their child’s teacher to discuss how they are progressing. Keeping in contact is very important – the home-school partnership is an integral part of the success of our students. If you have not yet responded to requests for an interview please do so as soon as possible by note, email or phone call.
Performing Arts

Joseph and the Technicolour Dreamcoat
By Ben Fletcher

On the 4th June, the Year 3, 4, 5 and 6 students went to see the Kyabram P-12 College production, ‘Joseph and the Technicolour Dreamcoat’ performed by Year 7-12 students. It was a great show with a great story line that we managed to follow. The singing was excellent and the musicians played their instruments well. The costumes were fantastic. It was a proud feeling to see all my fellow school mates put on a great performance.

Year 3/4 International Dance Event

Excitement is rising among the year 3/4 students as our costumes arrive at school and the dances are reaching performance standard. The Staff are proud to see the personal growth and team work events that like this can teach our students and we appreciate the parent support. Everyone is welcome to attend the event. Because we are performing over two evening s we have plenty of room in the Secondary College Hall which will be heated for the evening.

Tickets are $8 for Adults and $5 for students and are sold from the central Office located at the Secondary Campus. We may still have tickets available on the night to buy at the door (but it would be warmer to head straight inside with your pre purchased ticket!)

Students needing help with costumes can see Sue Meeking immediately. It is terrific to see almost everyone looking smart in the clothes already here at school. Thank you!

Thankyou also to Melissa Keenan, Heather McLennan and Mr. Owen Horn and some 3/4 parents for their support. There are still a few small jobs to do. If you are willing to help contact Sue Meeking 0417 721 624.

5/6 News

We would like to inform all parents that the Quantum excursions have been postponed until late August and early September due to a booking issue. New notes will go out closer to the date.

Thank you to all the parents who have attended the interviews this week. It is a great opportunity to discuss your child’s progress and see where you can assist us to continue their growth.

The 5/6 Football team is in preparation for the Interschool carnival in Moama on Wednesday the 24th June.

Our students will participate in trials for the public speaking this Friday; next week the official judges will be here to judge our best public speaker who will represent our school at the District final in Tongala in term 3.

There will be a year 5 to 12 assembly in the school hall on Thursday 25th June starting at 11:30am, which all parents are invited to attend.

Morning Swimming
By Meg McConnell

On Friday mornings, 40 kids go by bus to do swimming at Aqua-Moves in Shepparton. We leave at 7:15am, so I get up at 6:30am.

The morning swimming program is fantastic for kids with all the effort that the organisers put in for us kids. They give us swimming caps, goggles, towels, strawberry milk and sometimes toasties.

My teacher is Mrs K. In my group I’ve got Courtney, Sam, Zane, Thomas, Tailah and Skyi. We learn about safety in the water.

Last week I was a mini life guard and I did C.P.R on a fake baby, I love the swimming program. I think that the whole school would love to do it, and it’s free!
WHO TO CONTACT AT THE COLLEGE WHEN YOU HAVE A CONCERN OR ISSUE

When making contact with the College, it’s important that you are referred to the appropriate person. If you are making contact regarding a question in relation to a class, please contact the classroom/subject teacher. If it’s more of a general query or in regard to behaviour, coursework, uniform or absence, please contact the appropriate Year Level Coordinator. The Learning Community Leaders, Viv Thomas (7-9) and Louise Mellington (10-12), can be contacted if the Year Level Coordinator is unavailable or you’re not feeling satisfied with the outcome of an issue. Myself and Stuart Bott are the point of contact in regard to community issues, staff concerns or where you have contacted the appropriate Year Level Coordinator or Learning Community Leader and are still experiencing an issue. In order for issues to be dealt with effectively or for your questions to be answered, it's important that all parents contact the appropriate staff member.

LEARNING CURVE NEWSLETTER ARTICLE

Stress/reducing tense feelings

The onset of stress is an aspect of our lives that can be triggered by numerous events. There will be times in all students’ school careers where they experience stress and anxiety. It is essential for parents and teachers to be ‘tuned in’ to their students to recognise early warning signals so that they can provide the required support to teach coping mechanisms to deal with stress. Encouraging students to look at the situation through their individual signature strengths is an effective strategy to achieve this.

Tense feelings may originate from a number of stressors such as:

- Heavy study and learning workload
- Overly high expectations of themselves and from others
- Striving to be “too” perfect and being obsessed with detail
- Lack of organisation and not coping
- Peer group problems and pressure
- Social networking harassment

While these situations are undesirable, the reality is that they will occur. The key is teaching students positive approaches of how to control these feelings before they have too much of an adverse effect on their health, self-esteem and progress.

There are two types of stress:

- Positive stress – called Eustress. Being psyched, pumped up and in the zone. It enables students to use it to fuel their lives and learning efforts.
- Negative stress – called Distress. This has a debilitating effect on their learning efforts and all round health.

Stress Warning Signals fall into three main categories:

- Physical – trembling, headaches, skin disorders, dizziness, stomach aches, tiredness.
- Emotional – anxiety, being temperamental, lack of interest, loss of self-esteem.
- Behavioural – disturbed sleeping patterns, forgetfulness, abnormal eating habits, withdrawal, being easily distracted.

A proactive approach is for students to identify and list their main sources of stress/anxiety and their individual warning signals. Then when they first start to see these signals they should be encouraged to seek support from their team and use the strategies in the above focuses to control them. A true sign of strength is to speak up. Anxiety caused by tests and exams will be discussed in several future wellbeing articles.

YARD MAINTENANCE WORK

If you are available to assist with clean up/maintenance at the College could you please contact me by email (walsh.daniel.m@edumail.vic.edu.au) or by phoning the College. We have a number of areas that require attention such as painting, pruning, edging and brushcutting.

### Nationally Consistent Collection of Data on School Students with Disability

This data collection is taking place in all government, Catholic and Independent schools across Australia. This will provide valuable information about supports required for a broad group of students which will enable Australian and State governments to better target support and resources in schools. This in turn will help schools give students with disability the support they need.

The Data Collection is not limited to students with diagnosed disabilities. It uses a very broad definition of disability, taken from the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, which describe a broad range of health and learning conditions for which schools are required to provide ‘reasonable adjustments’ to support students to participate on the same basis as other students.

The Data Collection will take place during Terms 2 and 3. No personal or identifying information about any student will be included. However, if you decide you do not wish information about your child to be included in the Data Collection, you can opt-out by signing and returning the opt-out consent form, which will be sent home early in Term 3.

More information about the Data Collection is available on the Department of Education and Early Childhood Development website at: [https://www.education.vic.gov.au/school/parents/needs/Pages/nccd.aspx](https://www.education.vic.gov.au/school/parents/needs/Pages/nccd.aspx) or you could contact the Principal or Barbara Buckell, Student Wellbeing and Additional Needs Coordinator, if you have any further questions.

### Woolworths Earn & Learn 2015

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 15th July to Tuesday 8th September, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco and gift cards). Woolworths Earn & Learn Stickers can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we’ll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you’d like to know more visit woolworths.com.au/earnandlearn.
Every year for over a century, thousands of young Victorians have been bringing French poetry to life in the antipodes. The Berthe Mouchette Competition is a unique and memorable experience for the candidates/students, and it reinforces the vitality of French in Australia.

In Victoria, the Berthe Mouchette Competition plays a key role in the promotion of Francophone language and culture, which is the flagship mission of the Alliance Française. Every year between May and November it is experienced by more than 16,000 candidates; by working alongside primary and secondary schools in Victoria which offer French, it aims to reward the best students of the subject.

After our first experience last year when one of our students, Bim Sherwood, made it through to the final, Kyabram P-12 French teachers were keen to once again encourage their students to participate. After about two months of preparation, twenty students from years 7, 8 & 9 represented our college in this year’s competition. Students who participated in this competition admitted that they gained confidence and emphasised their connection with the language. For many the competition, having a go in speaking French in front of an unknown person, encouraged them to pursue their studies in French.

Following the competition, students were taken to a French restaurant where they had another opportunity to practise their speaking skills with the French staff; students practised ordering meals in French and acknowledged them for their service and the end with a “thank you” card that was prearranged. Mr Njock also organised a surprise visit from two AFL players from Collingwood FC who were happy to come and have lunch with students. They answered some questions and the students took photos with them.

Participants were:
**Year 7:** Jay Fleming, Kathryn Fletcher, Bodhi Hawken, Meg Sargant, Gabrielle Mason.
**Year 8:** Luke Davies, Tatiana Davies, Mitchell Dunne, Ilaisaane Teuwhema-Fotu, Manjot Kaur, Hannah Turner.
**Year 9:** Jasmine Fleming, Leighton Ironside, Kelsey O’Neill, Bailey Waasdorp, Harry Browning-Briese, Leyton Shenfield, Jonah Newlan, Gabriela Olmedo, Natalie Zonneveld.

**Have a look at this new Online Youth Resource**

The National Eating Disorders Collaboration are very excited to launch a new online resource focusing on using online tools to communicate about eating disorders with young people.

[www.eatingdisordersinfo.org.au](http://www.eatingdisordersinfo.org.au) collates a broad range of evidence based information in an easy-to-navigate online tool that guides young people to the right information and support for an eating disorder.

Developed in collaboration with digital agency Bliss Media with reference to the youth generated user experience guidelines and goals from our Eating Disorders and Online Resources for Young People report this resource has been designed to be relevant and engaging to young people who are either at risk of or experiencing an eating disorder or who want to access resources to help a friend or family member.

This new resource can be explored at: [http://eatingdisordersinfo.org.au](http://eatingdisordersinfo.org.au)

More resources for young people can be found on the NEDC website.
FREE DENTAL TREATMENT

Are you:
- aged between 2-17 years for at least one day of the calendar year, and
- receiving (or your family, partner, guardian or carer receiving) Family Tax Benefit Part A or other eligible government payments for at least one day of the calendar year, and
- eligible for Medicare?

Then you may be eligible for the Child Dental Benefits Schedule (CDBS) which provides eligible children with benefits for basic dental services, capped at $1000 over two consecutive calendar years.

Dr Dorothy Mazur (Dentist) and Carolynne Coutts-Smith (Dental Therapist), of Allan St Dental Rooms
88 Allan St. Kyabram
Ph: 5852 2553

are currently delivering bulk-billing services through Medicare to provide dental treatment under the CDBS.

If you have had a letter from Medicare this year, or would like to check online to see if you are eligible for this scheme, call us to make an appointment on 5852 2553.

Don't forget to mention the CDBS when making your appointment and to bring your Medicare card with you – no upfront payment required.

We look forward to seeing you.

***REMINDER! Current vouchers expire 31st December***
