Dear Parents and Friends,

ARRANGEMENTS FOR FRIDAY 16TH SEPTEMBER

The following arrangements will be in place for the final day of term 3, Friday September 16th:

- **Period 1**: 9am-10am
- **Period 2**: 10am-11am
- **Morning Tea**: 11am-11:30am
- **Period 3**: 11:30am-12:30pm
- **Lunch**: 12:30pm-1:20pm
- **Period 4**: 1:20pm – 2:20pm

FOOTY COLOURS (SPORTS) DRESS UP DAY

Next Friday, 16th September is a chance for students and staff across our college to dress up in their favourite sport team’s colours. Parents’ Club will be providing a free sausage to every student and selling drinks for $2 on the day.

HATS REMINDER

Just a reminder that it is compulsory for all students to wear a school approved hat when outside during term 4. Students wishing to wear a hat outside before the end of term 3 are most welcome to do so. If you need to buy a new hat please buy the blue uniform hat with the college logo, in line with our uniform policy. These hats are available from Surf ‘N’ Skate and Mister Embroidery.

CELEBRATION OF TERM 3

As I look back over all the wonderful and varied opportunities that have occurred this term for the students across our college, I think that these would not have occurred if it wasn’t for all the extra work done by our staff. So, when you see a staff member who has provided your child with a great opportunity, please take the time to say a big thank you and show your appreciation.

It is also great that the students at our college take up the opportunities that are provided and do their best. Well done to them and to the families that support these extra activities.

I hope that everyone, staff, students and families, has a well-earned break; we look forward to a positive Term 4.
Last night I attended the Tom Tehan Oratory Competition at the Kyabram Plaza Theatre. There were 11 schools represented from the Goulburn Valley and Kyabram P-12 College was represented by Year 11 student Joseph Stevens. Joseph spoke about “Beyond the eyes / Sexualisation of women in media”. Joseph spoke with knowledge and confidence and it was evident that he had spent many hours preparing for his presentation as he spoke with confidence about his topic. Thank you to Miss Corrin for her support for Joseph.

The competitors spoke about topics that impact on us all around the world. The winner of the night was Claire Mawley from St Augustines College in Kyabram who spoke on the topic of “A Voice of Reason”. Thank you to Kyabram Rotary for presenting this opportunity for the students in our district to display their talents.

WORKS AROUND THE SCHOOL

As you have seen “A Wing” has been demolished and this has certainly brought a different look to the front of the school. It has been decided that this area will be an area where students will be able to sit and talk to friends in an area with trees, hard and soft areas (ie grass and crushed rock) and seating. This area will also be a drive through “pick up and drop off zone” at the start and end of the day. From here the students will be able to move to any part of the school. This area will be supervised by staff to ensure students are safe. The car park area in front of the primary campus will be returned to the students as basketball and netball courts. All of this work will hopefully commence over the upcoming holidays.

There is also a lot of work going on around the school repairing the damage from white ants over many, many years. This is terrific to see and the end results have been fantastic. We are looking forward to these works being completed by the end of the year.

College Principal

Business Manager’s Report
Jan Prior

BOOKSTALL 2017: YEARS 7-12

On Thursday November 17th 2016, the 2017 Years 7-12 Bookstall will be held at the Kyabram Bocce Club from 2:00pm – 6:30pm.

Booklist packs and information will be sent home with Grade 6 students next week. Other year levels will also follow during the next week. The return date for booklists to be sent back to school is Thursday October 13th. This will mean that we can have the text books and other materials available for students on the Bookstall Day. If you need any help with the completion of your child’s booklist, please do not hesitate to contact the Office.

COMPASS – NEED HELP?

During Parent Teacher Interviews next week on Wednesday September 14th, Office Staff will be available at the Primary Campus Office and the Senior Building to help parents with any Compass questions they may have. This may include information about:

- How to log on to Compass
- How to change your password
- How to update your contact details
- Emailing your child’s teachers or other staff
- Viewing your child’s attendance and how parents can complete absence notes
- How to view Learning Tasks to look at what your child is learning in class
- Using Analytics to view your child’s NAPLAN and other academic results
- Viewing and downloading student reports from 2012 and onwards
- How to access the College Newsletter, Channels or other School Documentation
- Any other queries you may have

Please call in to see Kate, Judy or myself at either Campus.
The College Parents Club will be holding an ‘On-Line’ Auction in the coming weeks. This is thanks to our wonderful sponsors and Kyabram Community who have donated some very exciting goods and services to support the Parents Club, W.A. Kuhne Assembly Hall fundraiser.

Our community use our College Hall for many and varied events including balls, sporting activities and meetings. It was magnificent to see the support our Community gave for the recent Dolly’s Disco Bingo evening which unfortunately could not go ahead and the Parents Club are looking forward to showcasing our sponsors’ goods in the upcoming On-Line Auction.

Please check our Facebook page for further information - coming soon.

Wishing All Families a Safe and Relaxing Break During This Great Spring Weather

P-6 Principal Report
Kate Whitford

THANK YOU

I would like to thank our staff, students and parents for the work you have all been involved in throughout this term. When I look at the list of activities which have occurred in the Prep to 6 part of our college I am amazed we manage to get through it all in just 10 weeks. I have listed just some of these opportunities you all helped to provide: Camps; kinder visits; State Schools Spectacular; kinder transition; athletics sports; Rochester Road & Safety Expo; Reconciliation Football; Father’s Day stall; Fun Run and Circus Quirkus (just to name a few)!

DISTRICT ATHLETICS SPORTS

What a great day we had last Thursday at our District Athletics sports - we even managed to hold off the bad weather! Thank you to our staff, parents and secondary student volunteers for assisting at events and helping to make this such a successful day. Congratulations must go to the many students who displayed all of our college values throughout the day. Their behaviour was unquestionable and their efforts to do their best and encourage others to keep trying was wonderful to see. A special thank you to Mrs Mangan and Mr Wegmann for their organisation leading up to this event.

DIVISION ATHLETICS SPORTS - BENDIGO

Congratulations and good luck to our 41 students from grades 4-6 who will represent our college at the Division Athletics event in Bendigo on Monday 12th September.

STATE SCHOOLS SPECTACULAR

Good luck to our State Schools Spectacular students (and Mrs Meeking) who will be performing in Melbourne on Thursday, Friday and Saturday of this week. We know you have been practising hard and look forward to hearing all about this exciting opportunity.

PLANNING WEEK

Next week is planning week. This means your child’s teacher will be out of the room for a full day while the class attends specialist sessions rather than having these session spread throughout the week. This allows the teaching teams to come together and spend time reflecting, evaluating term 3 and making plans for term 4.

These days are:

<table>
<thead>
<tr>
<th>Day</th>
<th>Class</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monday</td>
<td>Grade 2</td>
</tr>
<tr>
<td>Tuesday</td>
<td>Grade 5/6</td>
</tr>
<tr>
<td>Wednesday</td>
<td>Grade 3/4</td>
</tr>
<tr>
<td>Thursday</td>
<td>Prep/Grade 1</td>
</tr>
</tbody>
</table>

Thank you for your support with this.

CLASSES 2017- STUDENT PLACEMENTS

Staff in the Prep to 6 areas will soon begin the conversations and work around class groupings for 2017. If your child will not be attending Kyabram P-12 College next year, or you know of somebody who is yet to enroll, please contact Judy at the office. If you have any specific request regarding the placement of your child for 2017 please collect a form from the office and return by Friday 7th October.

STAFFING

I would like to take this opportunity to thank Mr Wegmann for his work in the Grade 3/4 classes this year, particularly for his work around the athletics and for the time he puts into building relationships with students. In term 4 his position will be filled by Ms Pay who is returning from family leave.
Congratulations to last week’s award winners.

**Prep/1 News**

Well done to all of the preps and grade 1s on their fantastic efforts this term. It has been an exciting and busy term with the preps celebrating their 100th day of school, learning about the Olympics and healthy living, dressing up for Book Week, as well as getting to talk to special visitors such as Bernie Cowley the police woman, Janene McCague the dental nurse and Rhonda Tallnash the children’s author.

This term in Literacy preps have been focusing on reading strategies and building upon our knowledge about sounds. In maths we have been enjoying learning about numbers to 20 as well as addition and subtraction stories. Keep up the great work preps, we are very proud!

Grade 1s have been improving their skills in writing recounts and learning how to structure narratives. In maths we have been learning about time, location, addition and subtraction. It would be great if you could continue to discuss time at home so our grade 1s can become more confident in telling the time to the hour and half hour. Congratulations on another exciting term of learning!

We hope all of our families enjoy a rest over the school holidays! If the kids are looking for a great new skill to learn, we challenge them to learn how to tie their shoe laces. This can be very tricky! For those kids who take on the challenge and are successful we will be happy to reward them with some house points! Happy tying!

**Grade 3/4 News**

The end of term is fast approaching and students in grade 3 and 4 have had plenty to keep them busy this week!

We are winding up our Inquiry unit of “What Makes Hero?” Next Tuesday we are hosting a Local Heroes Morning Tea to show our appreciation for our local heroes. We are looking forward to meeting and thanking many of our local Kyabram heroes; we are very fortunate to live in such a wonderful community with so many passionate, dedicated, loyal and selfless people – thank you to those who nominated Community Members as a local hero.

Thank you to the parents who have been able to catch up with their child’s teacher at a Parent/Teacher interviews this week. We, as teachers, would love to catch up with all of our students’ parents, so if you haven’t yet made a time, please organise a meeting with them before term 3 ends.

Next week we have a number of 3/4 students travelling to Bendigo to represent our college at the Division Athletic Sports. We wish all of the students attending good luck - Do Your Best!

We have also been doing assessment tasks and have been pleased with the amazing progress our students are demonstrating – the teachers are so proud of our students’ wonderful efforts!

Grade 3/4 teachers will be planning for term 4 next Wednesday. This is always a fun day for students, who get to spend time with specialists and others throughout the day.

A final reminder for next term - students will be expected to be wearing their school uniform hat from the first day of term 4; our school rule is No Hat, No Play.

Thank you all for a fantastic term 3 and have a safe and relaxing holiday!
State Schools Spectacular

Sue Meeking

Today our State Schools Spectacular team headed to Melbourne for three days of musical amazing-ness! Bodhi Hawken has been at rehearsals already for the week as he represents our school in the State level choir (called the PAU choir).

Today the students rehearsed and watched the lighting and sound rigging, and saw the soloists try out their costumes and sing their high standard pieces. Our students also heard the huge student orchestra set the scene for a powerful show and they witnessed the dancers from all over the state practise their moves for a spectacular arena style event.

Tomorrow our students will be filmed as part of the event and on Saturday there are two shows at Hisense Arena (1pm and 6:30pm) for public to enjoy the display.

After weeks of hard work rehearsing their pieces and fundraising we wish our students a very well-deserved experience.

Sport

Sarah Mangan

FUN RUN

Well done to Kale Stokes on being our highest fundraiser! Top effort! Also to Miss Campbell’s class for being the highest grade fundraisers. A huge congratulations to everyone that raised funds, we had our highest total yet - $9680. This money is going straight back to benefit students by helping pay for buses to sporting events and buying new sports uniforms and more equipment for the classrooms.

WARANGA DISTRICT ATHLETICS CARNIVAL

The weather held off perfectly to allow us to get through the carnival without any interruptions. Thanks to everyone involved in making the day successful. Special thanks to the parents that helped on events and the ones that just jumped in and helped out where needed. Thanks also to our SEDA students - Brad and Daniel, AFL trainees, student teachers, Mr Ogden (Liam) and his class and the other secondary students that pitched in, Robbie Whitford for marking the lines and Weggie for the endless hours he puts in. Sorry if I have missed anyone!

Well done to all our age group winners:

8/9 Girls – Bek Lawson
8/9 Boys – Jack Watson and Noah Hangan
10 Girls – Gemma Joyce
10 Boys – Declan Hallett (St Augustine’s) who equalled the High Jump record at 1.28m held by Miller Griffiths
11 Girls – Alisha Schippl and Ella Kightly
11 Boys – Miller Griffiths and Harley Reid (Tongala)
12/13 Girls – Jaz Hill
12/13 Boys – Charlie Barnett

We had some fantastic results and are sending 41 students off to Bendigo next week to compete in the Campaspe, Goldfields and Sandhurst Division. We wish them all good luck.
HOT SHOTS

Kyabram Lawn Tennis Club will once again be running its very popular Junior Hot Shots Program. Commencing: October 15th between 9am - 9:45am at KLTC. Cost: $50 (includes a Hot Shots show bag) Racquets can be purchased for $20

The program will run from October 15th until December 3rd and is suited to children aged 5 years and up. As there may be limited places, register early by contacting: David Starling 0427 004 457 or Melissa Porch: 0409 799 581

School Hot Shots Program

As part of the sporting schools Hot Shots program David is running some free sessions on Wednesday 21st September at Kyabram Lawn Tennis Club

LEARNING CURVE NEWSLETTER ARTICLE

Leading up to exams/staying focused

Adolescence is a period of time in which students’ capacities to stay focussed on the job at hand and ignore distractions are often tested. For younger students this week focusses on assisting them to build resilient habits to ignore distractions both at school and at home. For Senior students the focus is on assisting them to prioritise what they do to prepare for their assessment and exam periods. Different education systems have their assessment and exam periods at differing times and this and upcoming wellbeing builders in the senior program are best taught prior to these periods.

Distractions can arise from many things in the classroom and in student’s lives:

- Not being in the ‘learning zone’ and having other things competing for their attention.
- Natural curiosity often displays itself in class and activities as being easily distracted by what is happening around them in the group; unfortunately this is more times than not treated as a discipline issue.
- A lack of prioritising and not placing preparation for assessment and exams high on their list.
- Their image and how they believe they should act in class to win peer acceptance.
- Having fixed mindsets and lacking grit to push themselves to accept and overcome challenges.

Students need to be explicitly taught how to reflect on when and why they are distracted so that they connect to the moment to be mindful of their main distractors. This will enable them to focus on the right things using their signature strengths. A proactive approach is to engage their curiosity by providing them with opportunities to relate what the class is learning to their interests and their worlds. This may mean that there are quite a number of different directions being pursued in class, but this is where rich learning occurs and distractions are minimised.

7-12 ASSEMBLY

On Friday 9th September at 11:30am, we have our next 7-12 assembly. This will include Values Awards as well as celebrating a number of accomplishments over the term. All parents and friends are welcome to attend.

VCE Drama Camp and Solo Night

Greg Dunn

On Monday 22nd August to Wednesday 24th August the VCE Drama class travelled to Charnwood camp grounds for the annual drama camp. While on this camp students prepared for their solo performance exam that will be presented to parents and friends on 3rd October, beginning at 5:30pm in the senior buildin

Girls Football

On Monday the 5th of September, the intermediate girls football team travelled to Rochester for the day. The girls displayed some excellent skills and worked hard on the field. Despite going down in the first game to St. Joseph’s, the girls showed great determination and won the following two games against St. Augustine’s and Nathalia by an average of 30+ points to finish 3rd overall. Maya Roudis, Grace Gale and Naomi Shaw were the most valuable players on the day. Ellie Fry was also a solid contributor around the ground, demonstrating her leadership qualities as team captain. Thank you to Michael Archer, Joe Holloway and Connor Hawes for umpiring on the day. Well done team. Big thank you also to superstar coach, Sarah Cox; the future of girls footy is looking bright with you as a coach and mentor to these girls!

Uniform Shop

Parents’ Club have set up a second hand uniform shop catering for all students in the school from Prep to Year 12. Uniforms will be available at a much lower price than they can be bought for new.

If your child has outgrown any of their uniform items or is leaving the school, you may choose to donate the uniform to the Parents’ Club. Money raised by the Parents’ Club is used in the school to improve facilities and support programs. We hope the uniform shop will be a source of funds for them to continue their invaluable work in our school.

For anyone interested in coming to have a look at what is available, the uniform shop will be open each Friday from 8:45 to 9:15am in the Primary Campus Office.

ADOLESCENT SCOLIOSIS

SPINAL CURVATURE

The National Self-Detection Program

Information for schoolgirls in years 7 and 9 and their parents

A health promotion program recommended by the Spine Society of Australia. The program is endorsed by the Preventive and Child Health Division of the Royal Australian College of Physiotherapists.

WHAT IS SCOLIOSIS?

Scoliosis is a lateral or side-to-side curve of the spine. The spine also rotates so its long axis is not straight. It usually develops during early adolescence (age 10-13 years) when growth is most rapid.

WHAT IS THE CAUSE OF SCOLIOSIS?

The cause is unknown, but 80-90% of cases occur in otherwise healthy adolescents. This is called idiopathic (cause unknown) scoliosis.

We know that scoliosis is NOT contagious and NOT caused by bad posture, a soft mattress, carrying a heavy school bag or junk food.

WHY IS EARLY DETECTION IMPORTANT?

While very small curves are common and of no significance, about 2% of girls have a curve which warrants medical observation during the growth period. Three girls per 1,000 will require treatment during the growth phase. If treatment is not successful, the earlier it is undertaken, the better the long-term result. This is the basis for screening races in the early stages scoliosis produces no symptoms. The way to detect scoliosis is to look for it!

WHY THIS BROCHURE HAS BEEN PRODUCED

This brochure is designed to make parents of schoolgirls aware of the outward signs of scoliosis. From time to time all government and non-government schools in Australia will be asked to download this brochure from www.scoliosis-australia.org and to distribute it to girls in Years 7 and 9 (11 and 13 years of age in most states and territories).

WHAT ARE THE OUTWARD SIGNS OF SCOLIOSIS?

- One shoulder higher
- One hip more prominent
- Unequal gaps between the arms and for trunk
- One shoulder blade higher and possibly more prominent
- Spine obviously curved

If after reading this brochure you or your parents think you may have this condition, please consult your family doctor.
The Chaplaincy Support Group request your company
(you are welcome to organise a table of 10) to attend our

15th Year of Chaplaincy at Kyabram P-12 College
Annual Fundraising Dinner

Our Special Guest Speaker is the

Honourable John Anderson

John is a former Deputy Prime Minister of Australia and
Leader of the National Party of Australia from July 1999 to July 2005.

Thursday 13th October 2016
