 Principal’s Report

“Excellence Through Opportunity”

KYABRAM P-12 COLLEGE - PROUD SPONSOR OF

ICAN NETWORK

ICAN Information Session

Kyabram P-12 College together with Campaspe Youth Partnerships is bringing the ICAN Network to Kyabram’s schools and community.

The ICAN Kyabram project aims to empower people to celebrate the Autism Spectrum, and support our schools and workplaces to see the individual strengths of people on the Spectrum.

ICAN brings out the “I can” in AWETeam through mentoring, education, advocacy and providing opportunities. It builds networks across schools, universities, TAFEs, communities, businesses and governments.

“We don’t have this label: ‘Autism Spectrum’ for people to be saying: ‘I can’t.’

We have it so people can say ‘I CAN.’”

Come and hear the Founder and Chief Enabling Officer of ICAN Network Chris Varney. Chris based the network on the mentors who supported him to get the best out of his Asperger’s. Chris has a strong background in advocating for children’s rights. For his advocacy Chris has received national awards.

When
Wednesday October 19th — 2016
Where
Prep-2 Learning Community — Kyabram P-12 College
Session 1
3:45pm — With a focus for educators and school communities
Session 2
5:45pm — With a focus for businesses, community members and families

Both sessions are open for all to attend

For more information visit icannetwork.com.au

Respect    Responsibility    Resilience    Doing
Welcome back everyone to the last term of 2016; yes, that is right! Where did that time go? We have a very busy term ahead with:

- The Year 12 students into their last term of secondary school and only a few weeks to go before they finish their formal classes and then into exams.
- Lots of sporting, musical and other events that provide students with the opportunity to shine.
- Transition days for 2017 preps and Year 7.
- Year 10 work experience in Melbourne.
- Pupil Free Day on Tuesday 1st November for all students and Monday 21st November for students that attend our secondary campus.
- The last day of 2016 is Tuesday 20th December.

It will be important for everyone to keep a close eye on the calendar of events and to read Channels carefully to ensure you are kept well informed. Have a great term everyone!

Hats Reminder

Just a reminder that it is compulsory for all students to wear a school approved hat when outside during Term 4. If you need to buy a new hat please buy the blue uniform hat with the college logo, in line with our uniform policy. These hats are available from Surf ‘N’ Skate and Mister Embroidery.

Chaplaincy Dinner

I would like to thank the Chaplaincy Committee for organising the Chaplaincy Dinner that will be held on Thursday 13th October. This will be a great night, with guest speaker the Honorable John Anderson, former Deputy Prime Minister of Australia and leader of the National Party from July 1999 to July 2005.

Thank you

At the end of term 3 we had the Principals’ Day and footy colours day, with a sausage sizzle provided to the whole school population. Thank you to the Parents’ Club for organising this event. A lot of time and effort goes in to organising such an event and there are parents that even take days off work so that they can be involved and help with events such as these. The students had a great day and it is a great way to end a term. Thank you, thank you, thank you!!!

Stuart Bott
College Principal

Business Manager’s Report

Jan Prior
MATERIALS AND RESOURCES

Kyabram P-12 College Council are encouraging parents to finalise payment of their 2016 Materials and Resources Cost.

Kyabram P-12 College works in close partnership with parents and the broader community to provide the best educational opportunities and outcomes for students both inside and outside the classroom. Through this partnership, parents make an important contribution to their children’s education, in all its various forms to enrich the school’s learning and teaching. The commitment from parents to contribute benefits students and results in improved achievement outcomes, wellbeing and engagement in learning. This is why parent contribution is highly valued by our College.

A mini-iPad prize (per family) will be drawn by the College Council President at the December Council meeting. To be eligible, 2016 materials and resource costs need to be paid in full by the end of November, or alternatively, an up to date payment plan is in place and has been followed.
On Thursday November 17th 2016, the 2017 Years 7-12 Bookstall will be held at the Kyabram Bocce Club from 2:00 pm – 6:30 pm.

Booklists have been sent home with students and need to be returned to the College by Thursday October 13th. If you have any queries regarding booklists please do not hesitate to contact the office.

**DAIRY ASSISTANCE FUNDING 2016**

As part of the Victorian Government’s dairy assistance package the Camps, Sports and Excursions Fund (CSEF) is being extended to students currently enrolled in government and non-government schools whose parents own, share-farm or lease a dairy farm business; or those people whose primary occupation is working on a dairy farm.

**Who is eligible?**

Students currently enrolled at the start of Term 3, 2016 in government and non-government schools where one or both parents:

- own an operating dairy farm
- are share farmers on a property primarily operating as a dairy farm
- hold a lease for an operating dairy farm
- work as an employee on an operating dairy farm and this is their main source of employment.

**Evidence may include:**

- a dairy industry license issued by Dairy Food Safety Victoria (DFSV)
- lease documentation
- share farming contract
- agreement with a dairy production/supply company
- a letter from an employer
- a statutory declaration stating the family’s main business or employment is on an operating dairy farm (in cases where other forms of evidence are not available)*.
- Confirmation from a kindergarten that a younger sibling has been approved for the dairy Kindergarten Fee Subsidy on the basis of being an eligible dairy farming family (as above)
- Current milk statements can be provided along with a statutory declaration stating the family’s main business or employment is on an operating dairy farm.

Families who received the means-tested CSEF payment are also eligible.

**How much is the dairy assistance payment?**

A one-off amount of $375 per student will be paid to schools.

**How can the funding be used?**

The Dairy Assistance funding can be used towards camps, sports, excursion and/or other education expenses for the benefit of the eligible student. Some examples of programs for which the funding may be used include:

- School camps/trips
- Outdoor education programs
- Excursions/incursions
- Swimming and other school-organised sporting programs
- If there are no camps, sports or excursion related expenses, the payment may be allocated towards other school-based education expenses incurred by the family for the eligible student*.

* These guidelines only apply to the Dairy Assistance funding (not the CSEF payment which was paid separately and is subject to CSEF policy).

Please contact the office for a Dairy Assistance application form.
WELCOME BACK

Welcome back to the last term of 2016. With so much going on last term it passed very quickly. Term 4 promises to be just as action packed. We have excursions, incursions, regional athletics, kinder visits, community lunch and class end-of-year parties, just to mention a few. This list doesn’t include the day-to-day activities and experiences organised by the staff, or the last minute opportunities that seem to arise as the weeks progress.

STAFFING

Welcome back to Abby Pay who is working with grades 3/4 students this term.

REGIONAL ATHLETICS

Congratulations and good luck to our grade 4-6 students who have progressed to the next stage and will travel to Bendigo to represent our college at the regional athletics event on Monday 10th October. We look forward to hearing about how you go.

HATS

Please remember that hats must be worn during this term at all times during outside play, otherwise students will be asked to sit in the shade area. Thank you to the students and parents who remembered and brought their hats to school on Monday!

KINDER TRANSITION

A reminder to our school community that our preps for 2017 will be joining us for their second transition session next Wednesday, October 12th at 9:00 am. We hope they enjoy these first experiences of school life.

KYABRAM SHOW - ART WORK

If you happened to be at the annual Kyabram Show next Saturday please keep your eye out for the art work that students from our college have entered. It should be easy to find as we have well over 100 pieces entered. A big thank you to Mrs Goff for organising this.

CLASSES 2017- STUDENT PLACEMENTS

Staff in Prep to 6 will soon begin the conversations and work around class groupings for 2017. If your child will not be attending Kyabram P-12 College next year or you know of somebody who is yet to enrol could you please contact Judy at the office. If you have any specific request regarding the placement of your child for 2017 please collect a form from the office and return by Friday 7th October.

P-6 Awards

Congratulations to last week’s award winners from last term and this week’s award winners.
A Visit to the Victorian Parliament

A R Tesoro

Very early in the morning on Thursday, 8th September, Miss Bradley picked up Paige Billing and I to drive to Melbourne to attend the 2016 Junior Parliamentary Convention.

On arrival we had to go through security and my bag beeped – it was my metal fork, but Miss Bradley explained that I needed it to eat my lunch so they gave it back.

We dropped off our bags in the Queen’s Hall, where there was a big marble statue of Queen Victoria, and we were escorted into the Victorian Legislative Assembly (lower house). The chamber was very old and decorated in green, with stone columns, a big painted dome, and lots of wood panelling. We got to sit right where Mr Daniel Andrews, the Premier of Victoria, sits with his government members.

Mr Don Headley, the Speaker of the House, welcomed us (about 60 students attended from all over Victoria) and the Deputy Premier, James Merlino, opened the Convention with the topic for debate this year – all social media should be banned for children under 12.

Mr Gary Gebhart, from the office of the Children e-safety Commissioner, spoke to us and asked us questions about our use of games, social media, things like texting, snapchat, Kik and facebook. Then it was time for the 15 selected delegates to give their opening statements. Paige prepared a two-minute talk on this subject and did a great job of presenting it – I noticed that her legs were shaking rapidly, which made me glad I didn’t have to do a speech!

After the speeches were over, we moved back into the Queen’s Hall for morning tea where we were provided with a lamington and a scone each, along with some fruit and juice or water.

Then it was time to debate a number of “amendments” to the legislation so we were split into ten working groups for discussion for an hour, after which we returned to the green chamber. Paige’s group worked on the allocation of $33 million to children in Victoria to provide devices so that children can learn to write code, and my group debated that lessons on social media should be compulsory for all school children. We had to think of the benefits and the consequences.

Each group had a spokesperson to present the results of the discussion back in the House then we had a “soapbox” session where anyone could get up and give a point of view about any of the topics we discussed today.

Next came the vote – each amendment was put to the house and voted yes or no, according to what we thought. Only two of them were approved. Finally came the vote on the main topic. Paige and I voted that all social media should be banned for children under 12, but the motion was defeated. More delegates thought that all social media should not be banned for children under 12.

The Opposition’s Shadow Minister for Education closed the convention and thanked everyone, then we picked up our bags and returned to the parking lot to collect the car. It was a long day but I learned a lot about how legislation is debated and passed through the Houses of Parliament to become law.

Thank you to Miss Bradley for organising this excellent opportunity and for driving us (and for stopping at Maccas on the way home), and to Paige for her great speech, and helping to make this a fantastic and interesting day for me.

Melbourne Symphony Orchestra Excursion

Students from grades 4, 5 and 6 learning brass and woodwind instruments (including recorder) are being TREATED to a day out to hear the Melbourne Symphony Orchestra in Shepparton on Thursday 13th October. A permission form will be sent home this week. Please bring a cut lunch and water bottle to this event. There is no cost as the music department of our school is organising this special event.

Singers

Primary Singers is up and running again after a term dedicated to the successful State Schools Spectacular group. Any students from grades 4, 5 or 6, who enjoy singing, are welcome to join by coming to the Performing Arts room on Monday after lunch each week. No cost and fun for singers.
Music Count Us In

On November 3rd at 12:30pm our Primary students will be invited to sing along with many other Australian students in the MUSIC COUNT US IN project. We all sing the same song at the same time, no matter where we live around the country.

If you are hearing the song already, as I teach it to our students, here is the chorus to sing along:

SO LET IT PLAY, PLAY, PLAY YOUR WAY
CHASE THE BLUES AWAY
WITH MUSIC ALL AROUND
AND THE MELODY THAT WE FOUND
SURROUND YOURSELF WITH SOUND
NOBODY CAN BRING US DOWN
WITH MUSIC ALL AROUND.

Parents are welcome to join us in the BER on November 3rd so come and sing along!

Victorian State Schools Spectacular 2016
Greg Dunn & Sue Meeking

At 6.30am on Thursday 8th of September 20 students and 5 Staff departed for the big city of Melbourne go get the once-in-a-life time opportunity to perform in the Victorian State Schools Spectacular at Hisense Arena as a part of the 1,300 plus Mass Choir. Another student who represented our school was Bodhi Hawken, he was a member of the Victorian State Schools Choir (PAU). Bodhi was down there for the whole week while our students joined in on Thursday. Bodhi was also able to help out when it came to the set up of the huge arena. The VSSS gives amazing opportunities to everyone involved and it opens a lot of pathways for you to take.

On arrival our 20 students were given a tour of the arena by Mrs Meeking so they could see what was hidden from the audience - a small behind-the-scenes look at exactly what work goes into putting on such an event. All the things the students saw just took their breath away, and mine. While there on day one it was just a lot of going over and over the songs and the choreography that we had to do, but the students had so much fun they forgot to be tired. All the students have told me that they are so thankful to Sue Meeking for giving them this chance to be a part of the State Schools Spectacular.

When we had finished our first day we made our way back to our accommodation at Fitzroy High School where Ms Goff was waiting for us to return so we could assist her in the cooking of our tea, which that night was pizza. After tea the students packed their lunches for the next day and then had their showers and went to bed and watched a movie.

The students would like to thank Sue Meeking, Greg Dunn, Wayne Cowley, Tiana Smith & Belinda Goff for all their hard work in the organisation of this event, it couldn’t have happened without them.

Primary Athletics
Sarah Mangan

Congratulations to the 40 students that travelled to Bendigo to compete in the Campaspe, Goldfields and Sandhurst Division Carnival. We had a great day and the rain held off well! We have 7 students going on to compete in the Regional Carnival next week. Well done and good luck to Miller Griffiths, Jaz Hill, Paige Billings and the 10 year old girls’ relay team.

Thanks to Mr Wegmann, Mr Canny, Jolie West, Liam Barrett, Nic Ross and all the parents that came on the day.
HATS FOR TERM 4
Just a reminder that during Term 4, students must wear a broad brimmed hat when outside. This includes morning tea, lunch, sport classes or any other time they may be outside. It is also a good idea for students to start using sunscreen as it’s already beginning to warm up. This is in line with our College Sun Smart policy.

UNIFORM
I would like to thank parents and families for their continued support in ensuring that their child is wearing the correct college uniform. If there is an occasion/day where your child is unable to wear their correct uniform, we ask that parents please provide a note to the school to explain this.

YEAR 12 DATES FOR TERM 4

Chaplaincy Morning Tea:
When: Friday Oct 7th
Time: 11:00 am
Where: adjacent to Senior Building, east side

Year 12 Breakfast
When: Thurs Oct 20th
Time: 7.15 am – 8.30 am approx.
Where: The Kyabram Club

Year 12 Final Assembly
When: Thurs Oct 20th
Time: 11.30 am
Where: W.A. Kuhne Assembly Hall

Year 12 Breakfast
When: Thurs Oct 20th
Time: 7.15 am – 8.30 am approx.
Where: The Kyabram Club

Graduation Ball:
When: Friday November 18th
Time: 7.30 start
Where: W.A. Kuhne Assembly Hall

LEARNING CURVE NEWSLETTER ARTICLE

EXAM STRATEGIES
There are tricks of the exam trade that will benefit your results. They depend on the type of exam question:

- multiple choice
- short answer
- essays.

Following are some strategies for each type; add your own to the list.

Multiple Choice
- eliminate obviously incorrect answers
- read all the choices
- read the question carefully
- often the longest answer is the correct one
- be careful not to overlook details
- guess if you don’t know.

Short Answer
- be to the point and concise; avoid over answering the question
- if unsure, use point form to record all the facts you know about the area in question.

Essay
- carefully plan your time
- do an outline of key facts and ideas, which in point form will organise your thoughts in a logical sequence
- understand exactly what you are being asked to do
- be aware of exam jargon and terminology
- always use sentences. Use ‘Paragraph Building: T.E.E.L.’ (refer to index)
- tie your thoughts together with linking phrasing such as “on account of this”
- don’t be verbose; be concise and to the point
- open the essay by restating the question in the first sentence
- always include ideas and points that your teacher has stressed/emphasised in class
- always include a logical conclusion, reiterating key points
- write legibly, neatly and leave adequate margins.

Ensure that you ask your teachers
- the types of questions on the exam. It will instil self-confidence for you to perform to your personal best.
A Career In Art?
Sue Meeking

A scholarship is offered to year 11 Art students to enroll in a Summer Art program, to explore a career in art. If you are interested see Sue Meeking (Primary Performing Arts) by October 28th for an application form and more information. This program is based at the National Art Gallery in Canberra.

Rio Tinto Big Science Competition
Sonia Layton

Each year, students from Years 7-12 are invited to take part in the Rio Tinto Big Science Competition. Students compete in three categories, Junior (Years 7-8), Intermediate (Years 9-10) and Senior (Years 11-12) This year was another successful year, with almost half of the participants being awarded a credit, distinction or high distinction. I would like to congratulate the following students on their achievement:

<table>
<thead>
<tr>
<th>Junior</th>
<th>Intermediate</th>
<th>Senior</th>
</tr>
</thead>
<tbody>
<tr>
<td>Zavier Briggs (Credit)</td>
<td>Aaron Kay (Credit)</td>
<td>Victoria Gillie (Credit)</td>
</tr>
<tr>
<td>Jackson Campbell (Credit)</td>
<td>Darcy Rathbone (Distinction)</td>
<td>Alex Petzke (Credit)</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Amy Sargant (Distinction)</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Bim Sherwood (High Distinction)</td>
</tr>
</tbody>
</table>

Congratulations to all students who competed. We look forward to seeing our students shine during next year's competition.

Calculator Order

Any students who do not have the necessary calculator are able to order one through the school. They should pick up an order form from the office where they can also make payment. We are offering:

- Texas Instruments TI 30 XB Multiview (for Years 7-10 and VCAL) Cost $23
- Texas Instruments TI-nspire CAS CX (required for all VCE Maths subjects, including General Maths) Cost $210.50
- Padded case for CAS calculator

Uniform Shop

Parents’ Club have set up a second hand uniform shop catering for all students in the school from Prep to Year 12. Uniforms will be available at a much lower price than they can be bought for new.

If your child has outgrown any of their uniform items or is leaving the school, you may choose to donate the uniform to the Parents’ Club. Money raised by the Parents’ Club is used in the school to improve facilities and support programs. We hope the uniform shop will be a source of funds for them to continue their invaluable work in our school.

For anyone interested in coming to have a look at what is available, the uniform shop will be open each Friday from 8:45 to 9:15am in the Primary Campus Office.
Immunisations For All Students In Year 7
The 2016 School Based Immunisation Program will be offered at your school by the Shire of Campaspe Nurse Immunisation Team on:

Date: Tuesday 11th October 2016
Administering: Third Dose HPV for Year 7 students

1. Please ensure your student eats breakfast on Immunisation Day.
2. Vaccinations are given in the upper arm. Please ensure students wear suitable clothing.
3. A record/reaction sheet will be given to each student on completion of vaccination. Please ask your students for this form.

Please feel free to contact the Environmental Health Coordinator on 1300 666 535 with any questions.

Wellbeing Corner
Barb Buckell & Bron Lolicato

WELCOME TO THE PARENTING IDEAS SCHOOLS COMMUNITY!

Kyabram P-12 College has recently signed up to this wonderful resource and we would like you as parents to be able to use it for your benefit.
Our membership is now active which means immediate access to all our resources. To start using your Schools Membership go to www.parentingideasschools.com.au
Your username and password are:
Username: kyabramp12
Password: 3619

Below is a step-by-step 'guided tour' of the Parenting ideas Schools website.

Watch video
Helping Parents
In this section you will find our articles and videos that can be used in a number of ways:
- The most recent articles are featured on the 'Helping Parents' webpage; PDF format and Word documents, plus images you can attach with the article.
- Online Education Centre includes previously published articles. Simply type a key word into the search bar to see all relevant articles.
- Cannot find an article on your topic of choice? Simply email or phone us and we will endeavour to research and write an article if we don't already have one available.
- Fortnightly email updates will alert you to the latest topics and resources available to you.
As of Term 4, school hats will be required to be worn by both students and teachers when outside. Peak caps are NOT acceptable; the hats must be broad brim, legionnaire or bucket hats.

From September, 5 things to remember

Slip! Slop! Slap! Seek! Slide!

From September, Victoria's UV levels are on the rise, so it's time to dust off the sun protection gear and Slip, Slop, Slap, Seek, Slide whenever you are outside. Check the SunSmart UV Alert at sunsmart.com.au or in the weather section of the newspaper to find out the daily UV levels in your area and the local sun protection times.

Remember these 5 SunSmart steps:

1. **Slip** on clothing that covers as much skin as possible (no singlet tops)
2. **Slop** on SPF30+ broad spectrum sunscreen (remember to reapply it before going outside)
3. **Slap** on a wide brimmed hat that shades the head, face, neck and ears
4. **Seek** shade
5. **Slide** on some wrap around sunglasses (labelled AS 1067) – if practical

Take extra care during the middle of the day when the sun's UV levels are most intense.

A note about vitamin D

Higher UV levels from September to April mean most Victorians should be able to get the vitamin D they need with a few minutes of sun exposure on the face, arms and hands before 10am or after 3pm each day.

Due to their high level of melanin, children with naturally very dark skin (skin that rarely or never burns) need 3–6 times this exposure level. These children do not normally need to apply sunscreen. This is a decision for their family to make. However SunSmart recommends ALL children wear a hat to protect their eyes and face. If you have any concerns about vitamin D levels talk to your doctor.

For further SunSmart:
Ph: 9635 5148
Email: sunsmart@cancervic.org.au
Web: sunsmart.com.au

**ALSO:** Please make sure if you child suffers from asthma that they have their Ventolin puffer either with them or close by at all times. With spring here, the pollens, grasses and flowering trees will exacerbate their condition. Keep in mind that a wheeze is not always present, it may be a consistent cough; if unsure please seek medical attention.
