Dear Parents and Friends,

**CAR BOOT SALE**

This Saturday 14th May, is the Kyabram P-12 College Parents’ Club Car Boot Sale. There will be a number of vendors selling treasures that people may want to purchase. There is also a number of other stalls to purchase from including BBQ, cake, drinks and lolly stalls, sno-cones and face painting. There will also be some music playing throughout the morning. The Car Boot Sale starts at 9am and finishes at 12:00 noon. If you would like to book a site contact the school on 5851 2100.

I hope to see you there supporting the Parents’ Club in their fundraising efforts to upgrade the curtains in the College Hall.

**PUPIL FREE DAYS**

As you are aware Wednesday May 25th and Friday June 10th are pupil free days. These have been put aside to ensure the new reporting system is successful in its implementation. The new reporting system has seen a big change in the way reporting to parents on students’ progress is done, and to ensure that the implementation is successful, these days are required.

Thank you to the parents that have contacted us if they wanted childcare. Please contact the school if you need childcare on these days as we need to know of the number of students that require this service, no later than Friday May 20th, so appropriate arrangements can be made.

**WORKS HAVE STARTED**

Due to the start of “A Wing” being demolished in the June / July holidays the work for relocation of Home Economics and Science has begun in D Wing and B Wing respectively. The aim is to complete the works by the beginning of term 3. The end result will be fantastic, with improved facilities for the students and staff.

If you have any questions please do not hesitate to contact me.
COLLEGE COUNCIL SUB-COMMITTEES

The College Council Sub-Committees have commenced and it would be great to see parent representation on these sub-committees. You don’t have to be on College Council to be on a sub-committee. At the sub-committees there are recommendations made to College Council around improvements in our school. I have provided the dates of the meetings and the sub committees we are running (see below).

If you are interested in being part of any of these sub-committees please contact me via email on Bott.Stuart.SD@edumail.vic.gov.au or contact the office.

SCHOOL REVIEW

This year Kyabram P-12 College is going through a reflection process called a school review. A school review is designed to provide an expert, independent analysis of current school performance and practice, and to advise on appropriate goals, targets and key improvement strategies that will help shape the school’s new strategic plan.

A school review examines the school’s performance over the past four years. Independent reviewers and critical friends are selected based on their educational expertise and are trained to ensure they are familiar with the Department’s current policies, frameworks and priorities. They use this knowledge base to provide an informed perspective on the school’s performance and recommend improvement strategies. When combined, the school self-evaluation and school review provide a strong evidence base from which schools can confidently develop their strategic direction for the next four years.

The school review aims to be a challenging yet positive experience that engages the broader school community in focusing on improving student outcomes. There are two review types:

1. A Peer Review
2. A Priority Review

Due to the make up of our college we have been allocated by the region to undertake a Priority Review. This is undertaken by schools that would benefit from more intensive analysis of their data and circumstances. Opportunities to engage with school staff, parents and students will be provided from now until the middle of term 3 to ensure our college community has input into the development of our self-evaluation and to develop the direction of our college. We will be running some information sessions on the School Review for parents to have their input in to the School Self Evaluation, so keep an eye open for an invitation to these forums.

Stuart Bott
College Principal
FAMILY ACCOUNTS

The Camps Sports and Excursions Fund (CSEF) is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities. Thank you to those families who have made an application for this.

STATE SCHOOL RELIEF PREP CSEF UNIFORM PACKAGE

As part of the Victorian Government's funding for school uniforms, every Prep government school student who is a CSEF recipient is eligible for a uniform pack. The uniform support is provided for a windcheater and tracksuit pants. Eligible parents can make an application for the Prep uniform package assistance at the College Office.

Family Statements have been mailed out this week. If you have any queries regarding these, please contact a member of our Office Team who will be able to help you.

P-6 Assistant Principal Report

Kate Whitford

EDUCATION WEEK - MONDAY 16TH TO FRIDAY 20TH MAY

Next week is Education Week across Victoria. Education Week is a great opportunity for the community to find out more about Kyabram P-12 College and the many opportunities we offer students to thrive, learn and grow to their full academic and social potential. Please see the timetable for details of the activities we have planned. These include:

- Meet the Principal morning tea – stay after assembly for a catch up and a ‘cuppa’
- Dress up day (No cost) – dress in your future career
- Compass information sessions – come to the school library for an introduction and troubleshooting session about Compass on Wednesday at 5pm and Thursday at 2:30pm
- Family Picnic – join us on the oval for a Family Picnic on Friday at 1:30pm.

OPEN DAY - TOURS

To celebrate Education Week we have an open day on Friday 20th May. We invite all parents, extended family and community members into the school to see the quality programs we have to offer and the quality work our students are producing. You are welcome to visit your child’s classroom or you could book a tour with our Primary School Captains. Please contact the office if you would like to organise a time.

BEFORE AND AFTER SCHOOL PLAY

At Kyabram P-12 College we love seeing our families chatting and children playing in the grounds before and after school. We do ask, however, that students stay in the playgrounds designated to particular age groups during these times. This is for safety reasons. By keeping children of similar ages in the correct playgrounds we can avoid some accidents that occur. We would appreciate your cooperation with this. I would also like families to help us remind students that bikes, scooters and skateboards should not be ridden on in the school grounds before and after school. All of these measures are in place to keep our students and visitors safe. Thank you for your assistance.

NAPLAN TESTING

Thank you to all staff, students and parents of grade 3 and 5 students for your work and support throughout the NAPLAN testing this week.

PUPIL FREE DAY MAY 25TH

Just a reminder that May 25th is a Pupil free Day. On this day staff will be working on student reports. Thank you for your support.
Congratulations to all of our students who attended the Division Cross Country in Echuca last Friday. All students enthusiastically represented our college, proudly demonstrating our college values. Each age group had over 100 participants. A special mention to Charlie Barnett, Jaz Emery, Tait Peterson, Shaun Doolan and Riley Morris who finished in the top 20. Good luck to Luke Turpin 1st, Gemma Joyce 5th, Noah O’Brien 5th, Riley Gallivan 8th and Makayla Clark 10th, who now progress to the next level in St Arnaud on the 31st of May. Thank you to Mrs Mangan, Mr Wegmann and Mrs Pearson for your work and support on the day.

Kate Whitford
Primary Principal

**P-6 Awards**

Congratulations to this week’s and last week’s award winners.
Prep News

Last week in Prep we enjoyed making special gifts for Mother’s Day. The Preps have been working hard to learn new sounds and reading strategies. In maths we have been focusing on making quantities using a tens frame. Next week is Education Week and we are looking to having a picnic lunch with parents on Friday.

Grade 2 News

Grade 2 students are enjoying our studies on animals and are learning research skills so they can find out interesting facts about their chosen beasts to later present to their grades. In Maths our focus is moving into fractions – halves, quarters and eighths – and observing how these appear on the clock when telling time. We are also going to be learning about length and mass in the next few weeks.

In English, our focus in reading continues to emphasise comprehension – understanding not only what a text is explicitly stating but also making connections with our world so we can infer and predict, reading at a deeper level. In writing we continue to work on description, particularly concentrating on opening sentences and connective words (conjunctions).

With the recent (very welcome) wet weather, children are often having to remove their shoes on entering the classroom. We have noticed that some children are having trouble doing their own laces up; can you please check with your child and, if necessary, have a couple of lessons at home on tying shoes? Thank you.

5/6 News

The 5/6 students have been working hard in the first half of Term 2. NAPLAN is almost complete, we are finishing up the “Our Earth” Immersion projects and the first round or Cross Country has been completed (well done to all the students that competed).

We now find ourselves looking forward to success for the remainder of the term and into the year. We have some hard work ahead of us but also many fun activities to look forward to.

Planning for our Canberra school camp is also well underway. We expect student that intend to go should continue to show behaviours leading up to camp that comply with the school values. Some families will be receiving letters home shortly saying that we would like to see improvement in their child’s behaviour to enable them to attend.

Coming up later this term we have our Quantum Victoria visits. Quantum is an innovative centre bringing science and mathematics education to life for students. We are very lucky to be invited to attend this program and I encourage all students to take advantage of this great opportunity to develop their ICT and Maths skills in a fun and interesting way.

Spectacular Car Boot Sale

The State Schools Spectacular team from our school will be raising funds at this Saturday’s Car Boot Sale. They will add to the carnival atmosphere so come try your luck at the games and raffles and activities: Count the Jellybeans, Plaster Fun House (paint your own plaster for a small fee), pick a Lollypop – everyone’s a winner! Movie Hamper raffle or buy a pet rock for only $1. At the same time you are having fun, you also help more of our students reach great musical heights in Melbourne this year!
On Thursday 2\textsuperscript{nd} June, we have our Year 7 Information Night for 2017 students. On the night, we will cover topics such as subject information and enrolment procedures. It's also an opportunity to have a tour of the College, meet the staff and to ask any questions you may have. The night will begin at 7pm in the Year 7 studio at Kyabram P-12 College in Fischer Street.

**VCE/VCAL INFORMATION NIGHT**

On Wednesday 8\textsuperscript{th} June night, the VCE/VCAL Information will be held in the 10-12 Building. The night will include information on 2017 course selection relevant to students in Years 9-11. It's important that all year 9-11 parents and students attend the night.

**DEB BALL**

On Saturday night, we had our annual Deb Ball with 24 couples being presented on the night. It was a great night with over 500 people attending this special occasion. A huge thank you to the Lifeskills team, Parents’ Club and other helpers who assisted in the setting up and packing up of the hall. A special thankyou to Marg Quinsee for all her hard work coordinating the night. Well done to all involved.

**WHO TO CONTACT AT THE COLLEGE WHEN YOU HAVE A CONCERN OR ISSUE**

When making contact with the College, it’s important that you are referred to the appropriate person. If you are making contact regarding a question in relation to a class, please contact the classroom/subject teacher via email or Compass. If it’s more of a general query or in regard to behaviour, classwork, uniform or absence, please contact the appropriate Year Level Coordinator. The Learning Community Leaders, Viv Thomas (7-9) and Louise Mellington (10-12), can be contacted if the Year Level Coordinator is unavailable or you’re not feeling satisfied with the outcome of an issue. If it’s in regard to community issues, staff concerns or where you have contacted the appropriate Year Level Coordinator or Learning Community Leader and are still experiencing an issue then please contact myself. In order for issues to be dealt with effectively or for your questions to be answered, it’s important that all parents contact the appropriate staff member.

**YEAR 10 WORK EXPERIENCE**

Last week, 24 of our Year 10 students travelled to Melbourne for a week of work experience. Students stayed at the Miami hotel in North Melbourne. Monday was spent travelling around Melbourne with students learning how to travel to and from work using public transport. Students worked at many different places including, primary and secondary schools, auto electricians, real estate agents, hairdressers, VET’s, the Melbourne Magistrate’s Court, builders and health venues. All students had a great time and have learnt a lot about what it’s like to live and work in the city. We also had a number of Year 10 students completing their work experience in and around Kyabram. Thank you to Mel Clarke, Deb Greenham and Donna Campbell for all their work in the placement over 50 students and to Ange Heale and Mark Ogden for assisting on the trip.

**LEARNING CURVE NEWSLETTER ARTICLE**

Each week I would like to include a parent newsletter article from the Learning Curve which is in line with the Secondary student planner. I hope you find these articles valuable.

**Group Learning Teamwork**

When students have identified their top strengths through completing the free VIA Character Strengths Survey

- they are able to discuss issues from positions of strength which can overcome the following situation
- 21st century students crave a sense of acceptance from their peers as the main way to build their self-esteem.
- often, they are more comfortable doing what they know is not the best for them in order to protect their social connectedness. Unfortunately, this often means students are reluctant to leave their comfort zones to explore other ways of thinking.

Group learning is an effective way:

- to harness and value a wide range of abilities, points of view and attitudes to issues.
- for students to combine their top strengths
- to gather input from all students
- for students to experience peer learning and feel valued for their views and ideas
- to cultivate collaborative and interdependent habits through attentive and empathetic listening
Keys to a well functioning group are

- a valuing, tolerance and acceptance of individual differences
- recognition that they have two ears and one mouth and as such should listen twice as much as they talk.
- a clear set of agreed expectations to operate by for the group
- responding individually and not as a group of similar thinking clones.

“ It’s great when we realise them is really us” MW

**YARD MAINTENANCE WORK**

If you are available to assist with clean up/maintenance at the College could you please contact me by email (walsh.daniel.m@edumail.vic.edu.au) or by phoning the College. We have a number of areas that require attention such as painting, pruning, edging and brushcutting.

Danny Walsh
Principal 7-12

**Leading the Way in Lifeskills**

**YEARS 7-12 ATHLETICS SPORTS - Kyle Boal-Ryan**

The catering for the Athletics Sports went very well. The Lifeskills team worked very efficiently, cooking hot dogs with different toppings, sausages in bread and soft drinks. The Lifeskills students were rostered on to cook and serve food during the day. This included keeping the drinks cold, catering for the hungry and thirsty staff and working at the events. At the end of the day the Lifeskills students capably cleaned up after the event.

Overall it was a successful day, the weather was perfect, students were competing in a good spirit and our Lifeskills team was well directed by the two senior leaders, Shayla Rushworth and Kyle Boal-Ryan. The junior Lifeskills students co-operated and supported the efforts of the whole team and because of this there was a well-earned financial profit made on the day.

Thank you to all the school community for supporting our catering and for making the day such a fun day. The senior leaders wound up the day by addressing the whole Lifeskills team and congratulating everyone for their worthwhile efforts.

**Intermediate and Senior Badminton**

Monday 9th May saw 12 students from Years 9 and 11 compete at Campaspe Badminton. The students who represented our school were: Julian Kraan, Kristen Halls, Brenton Brasier, Kohdi Doherty, Coby McCarthy, Cade Mueller, James Ross, Tom Schumann, Allana Adams, Maddie Taylor, Ellie Burt and Bec Squires. These students were wonderful representatives of our school and displayed great sportsmanship on and off the court. Our Inter Boys faced some tough competition all day, recording one win for the day. Our Senior Boys and Girls both came out on top displaying great skills and strategy. Both teams will now progress to LMR Finals at Eaglehawk Secondary College on 23rd May. Thanks to Liam Ogden and Michael Archer for supervising the students throughout the day.
**7-12 Maths News**

**Maths Homework Club**

The Maths teachers are continuing the Maths homework club for any Year 7-12 students who find themselves looking for extra support in completing work. In particular, year 7-10 students who would like help are encouraged to make use of this. Along with their homework sheet and normal class materials, students should bring their planner. Questions can be directed to your child’s Maths teacher or Lisa Stevens. However, there is no need to book in. Just show up.

When: Wednesday after school.
Where: Upstairs in the senior building (S25).
There is no charge.

**Do you have any old Maths textbooks you no longer use?**

The school is locked into the current system of maths textbooks until at least 2017 but we are exploring ways in which we may change from the current system onwards. To help us, we are asking if there are any old maths textbooks that are no longer being used. If you would like to donate them to the school for us to potentially make use of, you can give them to your child’s Maths teacher or leave them at the office for Lisa Stevens. Thankyou.

**Australian Maths Competition Years 7 - 12**

The Australian Maths Competition is a national competition for all students who enjoy a challenge in mathematics and logic. It takes the form of a one hour written test which will be held on Thursday 28th July. The competition is sponsored by the Commonwealth Bank and prizes are available. In addition, every entrant will receive a certificate.

Entries for the competition need to be finalised by Friday 20th May. Secondary students who are interested in competing are asked to let their teachers know and pay $3 at the office. This comprises half the entrance fee; Kyabram P-12 College will subsidise the rest.

Any questions for Year 7-12 students can be directed to your student’s Maths teacher or Mrs Lisa Stevens at the Secondary Campus.

**Central Australia Trip 2017**

During the Easter school holidays next year Kyabram P-12 College will conduct a tour of Outback Central Australia over twelve days. The tour will depart on Wednesday March 29th and arrive back on Sunday April 9th.

At the moment the tentative cost is $1,300.00 which is based on 40 students and four staff attending as well as calculated fuel prices and all entrance costs. This may be subject to change as a result of altered student numbers or excessive and unaccounted-for fuel price hikes. If there are more than 40 students who have paid a deposit, students will be placed on an emergency list in the order that they have paid their deposit.

There will be an information session for parents and students on Wednesday June 22nd, in the 10-12 building starting at 6.00pm to answer questions and also to communicate important details relating to this tour. It is important to attend this meeting to secure a place, so if you are unable to attend we ask that you contact the school to confirm your interest.

If you are interested in this trip please collect a permission form from Kate’s office, downstairs in the senior building.

If you have any questions or concerns regarding the trip please see Mitch Coombs.

**Anti Bullying Competition**

**Liz Spicer**

The Anti-Bullying Competition was a huge success with many entries. The students in the photo are the major winners and had great slogans like “Stomp our Bullying” and “Bulldoze Bullying”. We had a song written and performed by Bodhi Hawken about bullying. Many poems were written and personal accounts of bullying were shared as well.
Equestrian Victoria Interschool’s State Championship

On Monday 4th April, Werribee Park National Equestrian Centre hosted the Equestrian Victoria Interschool State Competition where schools from all over Victoria participated. Hundreds of Primary and Secondary school students converged on Werribee Park for a week of riding, covering many disciplines such as dressage, showing, showjumping and combined training to name a few. To enter for this event students had to qualify by competing at specific events throughout the year. This event is also a national qualifier.

The day saw Year 11 student Allana Adams and Remi compete in the Preliminary Dressage where they placed equal 5th in test 1.2 with a percentage score of 63.462 and 13th in Prelim 1.3 with a score of 64.565%. Overall they placed 7th out of 25 competitors.

North Eastern Interschool Equestrian Team Challenge

Saturday 16th and Sunday 17th April saw four young riders compete at the North Eastern Interschool Team Challenge. The riders were: Elise Delaney, Allana Adams, Haylee Wade and Larrissa Oyler. Each rider competed in their year level and between the four riders, eight disciplines had to be covered. The disciplines were: Handy mount (activity based); Dressage (a ridden test with certain movements at certain letters, very precise); Show Jumping; Smartest (looks at how smart horse & rider combination looks, a bit like a fashion runway); Handler (led); Rider, Best Educated (how well the horse behaves); Pleasure (how enjoyable the horse is to ride); and Games. There was also a special event called Off The Track High Point Award, for racehorses who have finished their career on the racetrack.

The girls did an amazing job. Larrissa competed in showjumping on the Saturday and came 2nd and 3rd and was overall Reserve Champion. Allana Adams was overall Champion for her Year Level and received a garland and medal. Haylee was awarded an encouragement award and received a rosette and medal and Alyse came 2nd in Off the Track, three points behind the winner! A fantastic effort from all four girls. But the exciting news is: THEY WERE EQUAL 6TH OVERALL from 30 teams competing! Congratulations to the girls, their mums (awesome strappers) and to Jack Reidell who was the Team Manager. The next event will be in July at the Elmore Equestrian Centre.

#### Parents’ Club Events

**Car Boot Sale - Saturday 14th May**

To be held in the Kyabram P-12 College car park in Fischer Street. The sale will start at 9am and will run through until 12noon. Stall site fees are $5.00 per site. Throughout the morning there will also be a cake stall, sno cones, lolly stall, BBQ and drinks and entertainment will be provided by the students from Prep-12. Please phone 5851 2100 to book a site.

We are asking for donations of baked goods from our parents, students and friends. These can be anything from cakes, slices, biscuits, rumballs, cake pops, honey joys, chocolate crackles etc. For health and safety reasons we ask that you do not include anything with cream such as sponges with cream fillings or scones with cream. We also need you to supply a list of ingredients (quantities are not required) that you have used to make your items.

Your items can be dropped off on Saturday morning at the Primary Campus staff room between 8am and 9am or before at the Primary Office.

**80s Disco Night - Saturday 20th August**

Please put this date in your calendar. More information to come!

#### Immunisations For All Students in Year 7

The 2016 School Based Immunisation Program will be offered at your school by the Shire of Campaspe Nurse Immunisation Team on:

**Date: 26th May 2016**

Administering the following vaccines:

**Second Dose HPV for Year 7 students**

1. Please ensure your student eats breakfast on Immunisation Day.
2. Vaccinations are given in the upper arm.
3. A record / reaction sheet will be given to each student on completion of vaccination. Please ask your students for this form.

Please feel free to contact the Environmental Health Coordinator on 1300 666 535 with any questions.
