Dear Parents and Friends,

WELCOME

Welcome to the new school year. I hope you were able to enjoy a peaceful and relaxing break. It is my pleasure to welcome our new staff members: Ms Sarah Cox (teaching secondary Science and English), Mrs Tania Chiswell (After School Care Co-ordinator), Ms Florence Laffitte (International French Assistant), Ms Laura Spokes (teaching secondary Science and Maths), Shannon Ryan (Grounds Trainee), Greg Dunn (Performing Arts Trainee) and Michael Archer (Sports Trainee). I would also like to welcome back to the school Mrs Kellie Brennan (Teaching year 3/4), Miss Myrid Bartlett (teaching secondary English and Physical Education), Ms Emma Parkinson (teaching year 1) and Mr Daryll Wegmann (teaching year 3/4).

I would also like to extend a special welcome to our 59 new prep students, 97 year 7 students and the other new students and their families to Kyabram P-12 College.

Our school newsletter, Channels, is a very important part of the communication structure of our school. Channels is published every second Thursday. There is a lot of important information in the newsletter, so please take the time to read it. Channels is entered on to Compass, our school portal, and parents receive an email notification of this.

SPEED ZONES

With the 2016 school year now formally commenced, it is an opportune time for school communities to be reminded of the importance of road safety around schools.

School Speed Zones will be enforced from the commencement of the school year and I need to alert parents/carers to pay attention to the safety speed signs around our school’s campuses.

SCHOOL CROSSING AND DROPPING STUDENTS OFF

It is important that when students are arriving and leaving either of our college campuses they use the crossings provided for their safety. Parents / guardians walking their children to and from school are asked to provide a good example by using the crossings as well. When children are being dropped off, parking near a school crossing outside the designated parking bays is dangerous and illegal.

IMPORTANT DATES

FEBRUARY

5

Pupil Free Day for Prep-6
26
Round 2 Senior Cricket
29
Campaspe Swimming in Echuca
ABSENCE FROM SCHOOL
Going to school every day is important for a student’s education. This may seem to be stating something extremely obvious, but absence from school means that learning opportunities are reduced and this can ultimately lead to poorer student achievement. When this happens, the impact will be felt long after the student has left school. Absence from school clearly effects the absent student, but also impacts on the teacher’s ability to plan and present class work in a sequential and organised way. This can affect the progress of all students in the class, not only those missing, and can make classroom management difficult.

ATTENDANCE FACT: Are you aware that if a child misses 15 days per year from Prep to year 12, then they have missed one complete school year?

BE ON TIME, BE AT SCHOOL, THAT’S THE RULE!

CONTACT WITH THE COLLEGE
The school year has started well for the students and staff, and we would expect that it will continue this way. There will be times, no doubt, throughout the year when parents need to be in touch with the College to pass on information and clarify requests or expectations.

At the primary campus the first point of contact should be your child’s class teacher. At the secondary campus the Year Level Co-ordinators should be contacted in the first instance. They are: Year 7 – Miss Renee Howell, Year 8 – Ms Jane Kightly, Year 9 - Mrs Kymberleigh Rowland, Year 10 – Miss Angie Heale, Year 11 – Mr Dale Roberts and Year 12 – Miss Dianne Robilliard.

The next points of contact are the Learning Community Leaders, P-2 Miss Emily Edgar, Years 3/4 Mrs Kate Whitford, Years 5/6 Mr Tom Mangan, Years 7-9 Mrs Vivienne Thomas and Years 10-12 Mrs Louise Mellington.

For campus issues please contact Mr Greg Ross for Prep - Year 6 and Mr Danny Walsh for Years 7-12. For whole college issues please contact me, Mr Stuart Bott. The class teachers and Year Level Co-ordinators know your children well and can be relied upon to assist with ensuring that children are learning and progressing throughout the year.

UNIFORM
On the return to school in 2016 I have been pleased by the support families have shown to the school uniform policy. On my walks around our school over the past week I have been impressed to see approximately 98% of the students in uniform. Thank you to parents and guardians for supporting the uniform policy. This is greatly appreciated as looking like we are all on the same team is an important aspect of any school.

Parents have until Monday to ensure their sons and daughters are in proper school uniform, as stated in the uniform policy, which includes hats in Term 1 and 4. If you are having trouble with getting some items, please contact the College and we will assist. The number of students who seem to lose things is very high so please ensure all items are clearly named and that you provide a written note if your child is out of uniform in any way.

A reminder that all children are required to wear a hat outside. NO HAT, NO PLAY!

COLLEGE COUNCIL
College Councils play a vital role in the educational opportunity and outcomes of all students at school. In essence, the role of College Council is one of setting the long-term future for the school and maintaining oversight (not management) of the school’s operation. I would like our parents and staff to consider nominating for College Council in 2016. Nomination forms for College Council will be included in the newsletter on 18th February.

INvolvement in our School
I would like to extend an invitation to all parents to become involved in college activities. It might be in reading and writing activities, maths activities, canteen service, sports activities, book covering, Parents’ Club activities, participating in excursions, tutoring in programs, the many extra curricular activities that are offered at Kyabram P-12 College. Please see your child’s classroom teacher at the primary campus or the Year Level Coordinator at the secondary campus for further information or to offer assistance.

Stuart Bott
College Principal
WELCOME BACK TO 2016

I hope you have enjoyed a relaxing, safe and fun filled holiday over the Christmas and New Year Period. I would like to welcome our new staff to the College for 2016 and in particular our College Trainees: Greg Dunn (Performing Arts), Shannon Ryan (Horticulture and Grounds) and Michael Archer (Sports).

OFFICE ARRANGEMENTS 2016

The College offers a range of services for our families. To make things easier around payment enquiries, all monies are paid and receipted at the Central Business Administration area, located in Fischer Street. We offer a range of payment options including BPay, Internet Banking, Centrepay, or payment in person. The Primary Campus office will continue to operate for support for students and parents for student based enquiries. If we can help you with any enquiries across the College, please contact the Office Team on 58512100.

PAYMENT ENVELOPES

For our Primary aged students ‘payment envelopes’ will be sent home over the coming week to the eldest child in each family. This will support our younger children when they need to bring money along to school to give to their teacher. Please let us know when you need extras.

CAMPS, SPORTS AND EXCURSIONS FUND

Thank you to those families who have completed a Camps, Sports and Excursions Fund (CSEF) application. This program means that students who are eligible will be supported till the end of Year 12.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
• $125 for primary school students
• $225 for secondary school students.

Please contact the Office on 58512100 for an application form

P-6 Assistant Principal Report

Greg Ross

WELCOME EVERYONE

I hope everyone has had a good start to the school year, whether you are returning to our College for another year or starting off new. Christmas and the New Year celebrations seem so far away, but is is still great to remember the good times spent with family and friends if you had this opportunity. A big welcome to all our new Preps, all new students, families and staff! Preps will not be attending on Wednesdays for the month of February. They have appointments with their class teacher over this period so testing can be done to assess their literacy and numeracy needs.

We have some staff returning to different roles this year, with Emma Parkinson in a Year 1 class, Darryl Wegmann helping with the 3/4s two days a week, and Jen Weaver in a 5/6 class. We also have Chris Oxford helping with Numeracy and Melissa Porch with Literacy in the Primary Campus as well as myself in an Acting Assistant Principal role at the Primary Campus. The Assistant Principal position is currently being advertised and hopefully we will be able to announce the appointment into this position for the start of Term 2.

New prep Tadhg has found a seat he’d rather be sitting in, and why not, he is a Blues supporter!
Our staff have already been working extremely hard to ensure their rooms and programs are ready to go so your children can start the year off flying. It is important, though, that you consider the change in routine for your children and families and make sure you are getting enough sleep. Remember to spend some time chatting about their day as this helps them and yourself wind down.

Those who have already visited will notice the improvements to the college grounds. Mark Noonan was employed to do some work in establishing our planned sensory garden in the south west area of the grounds near the P,1,2 Building. His work looks fantastic and has brightened this area up.

**HELLO NIGHT**

We would like to welcome all parents, students and families to visit for “Hello Night” next Tuesday February 9th. Classrooms will be open from 5:30pm – 6:30pm. This is a wonderful opportunity for your child to give you a guided tour of their classroom and play areas and to meet teachers. You can pop up for ten minutes or spend an hour here. Some families really get into the spirit of the evening and bring their own picnic and blankets and set up for dinner on the edge of the oval. We are providing a complimentary sausage in bread for everyone, and drinks will be available for sale at $2. This is a popular college community event and a great chance to meet some of the families of your child’s friends, as well as meeting their teacher and seeing their room.

**PREP – 6 ASSEMBLY**

Thank you to the families who visited our assembly last Monday morning. Assemblies will be organised differently this year to accommodate our Year 5/6 students who will be joining us. Later on we will be getting our 5/6 Captains to lead assemblies. Assemblies will be on Monday mornings beginning at 9:00am in the Prep/1/2 Building. Because the assembly is hosted from the southern end, the southern-most door of the building will be locked at the start of assemblies. If you have pre-school children, they are most welcome to play at the east end area, but please ensure they leave this area tidy.

**NAOMI’S A REAL SPORT**

Congratulations to one of our parents, Naomi Cartwright. She was awarded Kyabram’s Sportsperson of the Year at our town’s Australia Day presentations. Naomi spends many hours running programs for our junior golfers. She has a fantastic commitment to our community and is involved in other community volunteer organisations apart from sport. She was one on the key players in helping our Safety House Program run until the state wide program was shut down a couple of years ago. You have to be a very special person to win this award, so if you see Naomi give her a big thumbs up! It was refreshing to see a different Cartwright making headlines in the local paper! Naomi was also a joint winner of the Shire of Campaspe’s Sportsperson of the year, sharing it with Jane Chalmers from Echuca.

Former primary student Riley Ironside won the Junior Sportsperson of the Year for Kyabram, so another top effort by him.

**EARN AND LEARN**

Ever wondered what becomes of the receipts you put into the boxes at Woolworths for the Earn and Learn program? Well, take a look at the photo of goodies that arrived this week. A big thank you to Woolworths for making this program available and supplying us with valuable resources, and another big thank you to the families and friends of our college who put their receipts into our box.
State Schools Spectacular

It is likely that the Primary Singers of grade 5/6 will be invited to sing in the 2016 State Schools Spectacular, to be held in September 2016, supervised by Performing Arts teacher, Sue Meeking. Students interested in being a part of that mass choir are asked to please fill in and return the reply note below.

REPLY SLIP - Please return to the office

NAME.............................................................................................................. 2016 class:.........................

I wish to find out more about participation in the 2016 State Schools Spectacular mass choir. I am prepared for a possible cost (around $150) and agree to participate in fundraising (which should reduce costs).

Contact telephone:..........................................................

Parent / Guardian to sign, please:..............................................

Some Parenting Ideas from Michael Grose on being ‘Back to School Ready’.

As the holidays draw to a close it’s time to focus on preparing for the school year ahead. Your kids start the year with a clean slate so here’s how to make the most of a fresh start and set them up for a great year ahead. Here’s a 7-point checklist to help make sure that the start of the school year goes smoothly:

✓ Commit to your child going to school every day on time.
✓ Help kids start each day well
✓ Establish work & study habits.
✓ Make sure your child gets enough sleep.
✓ Insist kids exercise.
✓ Focus on being friendly.
✓ Develop self-help skills.

For further info go to www.parentingideas.com.au

7-12 Principal Report
Danny Walsh

Welcome back to all staff, students and families for 2016. I hope you have all had a relaxing break and are ready for a big 2016. This year we have a number of new Year Level coordinators and Learning Community Leaders.

Learning Community Leader Years 7/8 – Mrs Vivienne Thomas
Learning Community Leader Years 10-12 – Mrs Louise Mellington
Year 7 Coordinator – Ms Renee Howell
Year 8 Coordinator – Ms Jane Kightly
Year 9 Coordinator – Mrs Kymberleigh Rowland
Year 10 Coordinator – Ms Angela Heale
Year 11 Coordinator – Mr Dale Roberts
Year 12 Coordinator – Ms Dianne Robilliard
I would like to thank parents and families for their continued support in ensuring that their child is wearing the correct college uniform. If there is an occasion/day where your child is unable to wear their correct uniform, we ask that parents please provide a note to the school to explain this. Students are required to wear a broad brim hat while outside at all times. This is in line with our College Sun Smart policy.

STUDENTS LEAVING THE SCHOOL GROUNDS

Students are required to remain at school for the entire day. If there is an occasion where a secondary student needs to leave the school grounds to attend an appointment, they must take a signed note from their parent/guardian to the general office before school to obtain college approval. Alternatively parents/guardian can call our college attendance line on 5853 2607.

Parents/guardians wishing their child to come home for lunch may apply to their Year Level Coordinator for a lunch pass. Students with a lunch pass have permission to go directly home for lunch and return directly to school within the college lunch break period. It is only students holding a lunch pass that have permission to be out of the school grounds during lunch breaks. Please note that a lunch pass does not permit a student to go down the street at lunchtime. This is with the exception of Year 12 students, who will be issued with lunch passes with the privilege of going down the street once permission forms have been returned. Students must carry their lunch pass with them whilst out of the school grounds. It should be clearly understood that parents/guardians of students holding lunch passes accept complete responsibility for the conduct and safety of these students whilst they are out of the grounds. Bus travellers must remain on their bus for the entire duration of travel between their bus stops and school. Bus travellers should remain at school once they have arrived.

It is important that these processes are followed and supported by all college community members. Please contact the college if you have any questions about these expectations.

LEARNING CURVE PARENT NEWSLETTER ARTICLE

Prioritising

Prioritising is a self-regulating skill and strength that enables students to use their time more effectively.

- mindfully reflecting on and then arranging their daily/weekly activities and commitments in order of importance broadens their attention and engagement with what they are doing and need to do
- teaching them to prioritise gives them tools to develop growth mindsets to overcome challenges
- most students find it very difficult to apply themselves to Home Learning/Study unless it is planned ahead of time.
- the “spontaneous” approach of just letting it happen doesn’t work

To prioritise their activities, the Musts and Options is an effective Thinking Tool to use and it provides them with a valuable perspective on the activities they participate in which may include:

- Sport training
- Part-time jobs
- Study, reading and home learning
- Socialising and networking with friends
- Favourite television shows and games
- Family commitments
- Daily exercise and leisure activities

The teaching of prioritising supports the development of their brain capabilities and enables students to mindfully practise using the character strengths perspective, judgement, self-regulation and zest. Discussing how to use these strengths is a good way to develop students’ willingness and brain pathways to use their strengths more often.

YARD MAINTENANCE WORK

If you are available to assist with clean up/maintenance at the College could you please contact me by email (walsh.daniel.m@edumail.vic.edu.au) or by phoning the College. We have a number of areas that require attention such as painting, pruning, edging and brushcutting.

Danny Walsh
Assistant Principal 7-12
2016 Deb Ball

Training for the Kyabram P-12 College Debutante Ball commenced last night in our College Hall. It was fantastic to see so many parents and students attend for the initial meeting and the enthusiasm by the students at their first practice was wonderful!

The College Parents Club supports the organisation of the Debutante Ball each year with the help and assistance of the staff and wider college community.

We have 24 couples participating this year and the College has made the decision to hold the Ball on one night only – **Saturday 7 May 2016**. Practice will now be held from **6.30pm to 7.30pm** every Wednesday night, except through the school holidays.

For any information on the Ball, please contact Margaret Quinsee, Debutante Ball Coordinator on 0416 154 557.

VCE and VCAL Information Evening

10-12 Building, Kyabram P-12 College

On **Tuesday February 16th at 7.30pm** an information evening will be held for students and parents of Year 11 and 12 students. The night will look at the policies and processes which are set by Victorian Curriculum and Assessment Authority which apply to all students completing their senior years of schooling.

We will look at key dates, cover study tips and the wellbeing of students during their final years of schooling. There will also be a question and answer session at the end of the night.

Year 12 Enhancement Day

**All Students to Attend**

On **Thursday 18th February** all Year 12 students will attend a day at the Kyabram Bocce Club about ‘Being Your Best’. The day will see Glenn Irvine, motivational speaker and life coach speak to the students. We will have local employers in attendance and staff will run wellbeing and study skills sessions. Permission notes have gone home for this and need to be returned to the school prior to the day.

Parents’ Club AGM

Kyabram P-12 College Community are invited to attend the Parents’ Club AGM on Monday 8th February 2016

7pm at the Primary Campus

This is a great chance to be a part of your child’s schooling years.

Hope to see you there.
WORKSHOP CALENDAR ~ January - June 2016

For parents and carers of children and young adults diagnosed with Autism, aged between 6-25 years and living at home.

Aspect Victoria is pleased to offer our highly successful, contemporary, evidence-based, three (3) day Autism specific Positive Behaviour Support Workshops across Victoria in 2016.

What participants say about Aspect Positive Behaviour Support Workshops:

"Brilliant information and concrete strategies to use, thank you. I have learnt very important self-reflection, being able to step back and really look at and examine behaviour, so valuable. I really value the focus on being positive and improving my child’s, my own and my family’s quality of life. Great workshop – I will highly recommend it to others."
