

PREP 2020

Transition Program

Our Prep Transition Program aims to provide our 2020 Kyabram P-12 College students with an opportunity to have a smooth, happy and exciting start to their school life. During transition sessions students participate in a number of engaging activities including Physical Education, Performing Arts and Visual Arts and a visit to our Library. The students will spend time getting to know their possible classmates and become confident in the school surroundings. Please visit Judy in the Primary Office to collect enrolment packs as students will need to be enrolled to participate in our Transition Program. Please meet in the P-1 Community Building for all transition sessions.
