Term 3 Issue 14

Principal's Report

"Excellence Through Opportunity"

Dear Parents and Friends,

KIARA CLANCY

Late last week we lost, Kiara Clancy from Grade 3, an extremely well valued, respected and loved member of our school community. Children, staff and community members were devastated on hearing this tragic news. When speaking with the students words like caring, friend, helpful, kind, supporting and loving came from their mouths as they described Kiara's characteristics.

Our thoughts are with Linda, Shaune and Evie and the entire extended Clancy family. Kiara will always be remembered at Kyabram P-12 College. Rest In Peace Kiara.

THANK YOU TO OUR SCHOOL COMMUNITY

With Kiara's funeral tomorrow I have been, once again, blown away by the support our community has shown in supporting staff to attend the funeral. Thank you so much for indicating that you will be collecting your children from school at 1pm to support staff. Also thank you to the many offers of support for the family and the school. Linda and Shaune would like Kiara to be remembered in our school and we are in the process of determining how this will be done.

COLLEGE COUNCIL

At College Council this week the following was discussed:

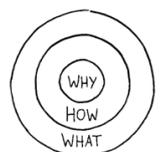

- In preparation for our School Review next term we learnt from the work of Simon Sinek and he says whether they realise it or not, all successful organisations think, act and communicate in the same way. Every single organisation on the planet, even our own careers, function on three levels:

1. What we do
2. How we do it, and
3. Why we do it.

When those three pieces are aligned, it gives us a filter through which to make decisions. It provides a foundation for innovation and for building trust. When all three pieces are in balance, others will say, with absolute clarity and certainty, "We know who you are," "We know what you stand for."

This simple idea is The Golden Circle. We are now as a council, in consultation with staff, working towards developing our Why statement.

The Golden Circle

WORKS AROUND THE SCHOOL

This week saw the start of the white ant rectification work across the school. This will be a three month process and will have minimum impact on classes. During class time works will be done in areas where there are no classes being held. If a classroom is required to have work the class will be moved and the teaching and learning will continue without impact or the works will be completed in the holidays. I am looking forward to the works being completed as the end result will be improved facilities in our school, as we have seen in our science and food technology areas.

This week we also saw the recommencement of the preparation for the demolition of A Wing. This will hopefully be completed very quickly. Once A Wing has been removed then this will make a huge difference in the way the front of our school looks.

STUDENT / PARENT / TEACHING INTERVIEWS

A reminder for parents that our mid semester Student / Parent / Teacher interviews will be on Monday 5th September and Wednesday 14th September from 4:00pm to 7:00pm for all students. I would encourage parents to register your interview times from today on Compass. Our interviews provide us with an opportunity to discuss your student's progress and for us to support you as an important person in your student's development and learning. I also look forward to using our interview evenings as an opportunity to catch up with our parents during this time.

Business Manager's Report

Jan Prior

MATERIALS AND RESOURCES

Kyabram P-12 College Council are encouraging parents to finalise payment of their 2016 Materials and Resources Cost.

Kyabram P-12 College works in close partnership with parents and the broader community to provide the best educational opportunities and outcomes for students both inside and outside the classroom. Through this partnership, parents make an important contribution to their children's education, in all its various forms to enrich the school's learning and teaching. The commitment from parents to contribute benefits students and results in improved achievement outcomes, wellbeing and engagement in learning. This is why parent contribution is highly valued by our College.

A mini-ipad prize (per family) will be drawn by the College Council President at the December Council meeting. To be eligible, 2016 materials and resource costs need to be paid in full by end November, or alternatively, an up to date payment plan is in place and has been followed.

WIN! WIN! WIN! WIN! WIN!

For your chance to win an IPAD Mini simply have your 2016 Materials and Resources paid or be up to date with your payment plan by the end of November 2016. The winner will be drawn at the Kyabram P-12 College December 2016 School Council Meeting.

BOOKSTALL 2017: YEARS 7-12 – FORWARD NOTICE

On Thursday November 17th 2016, the 2017 Years 7-12 Bookstall will be held at the Kyabram Bocce Club from 2:00 pm – 6:30 pm.

Booklists will be sent home with students during the first week of Term 4 and we will give a reminder to parents a little closer to the time.

DAIRY ASSISTANCE FUNDING 2016

As part of the Victorian Government's dairy assistance package the Camps, Sports and Excursions Fund (CSEF) is being extended to students currently enrolled in government and non-government schools whose parents own, share-farm or lease a dairy farm business; or those people whose primary occupation is working on a dairy farm.

Who is eligible?

Students currently enrolled at the start of Term 3, 2016 in government and non-government schools where one or both parents:

- own an operating dairy farm
- are share farmers on a property primarily operating as a dairy farm
- hold a lease for an operating dairy farm
- work as an employee **on** an operating dairy farm and this is their main source of employment.

Evidence may include:

- a dairy industry license issued by Dairy Food Safety Victoria (DFSV)
- lease documentation
- share farming contract
- agreement with a dairy production/supply company
- a letter from an employer
- a statutory declaration stating the family's main business or employment is on an operating dairy farm (in cases where other forms of evidence are not available)*.
- Confirmation from a kindergarten that a younger sibling has been approved for the dairy Kindergarten Fee Subsidy on the basis of being an eligible dairy farming family (as above)
- Current milk statements can be provided along with a statutory declaration stating the family's main business or employment is on an operating dairy farm.

Families who received the means-tested CSEF payment are also eligible.

How much is the dairy assistance payment?

A one-off amount of \$375 per student will be paid to schools.

How can the funding be used?

The Dairy Assistance funding can be used towards camps, sports, excursion and/or other education expenses for the benefit of the eligible student. Some examples of programs for which the funding may be used include:

- School camps/trips
- Outdoor education programs
- Excursions/incursions
- Swimming and other school-organised sporting programs
- If there are no camps, sports or excursion related expenses, the payment may be allocated towards other school-based education expenses incurred by the family for the eligible student*.

* These guidelines only apply to the Dairy Assistance funding (not the CSEF payment which was paid separately and is subject to CSEF policy).

Please contact the office for a Dairy Assistance application form.

P-6 Awards

Congratulations to last week's award winners.

P-6 Principal Report

Kate Whitford

BOOK CHARACTER DRESS UP DAY TOMORROW

Tomorrow students in P-6 have the opportunity to dress up as their favourite book character. At the beginning of the day all classes will meet in the P-2 Learning Community Building (BER) for a Parade. Parents are more than welcome to join us and see the great ideas and costumes kids come dressed in. There is no cost for this.

3-6 DISTRICT ATHLETICS DAY

Good luck to our all of our students in grades 3-6 who are participating in our District Athletics Day next Thursday, 1st of September. A reminder that the Little Athletics club are providing a BBQ lunch for students, staff and parents (\$1.50 sausages and \$2 cans of drink). No orders are needed, just purchase on the day. We still require parents to help with Age groups and the running of events. Please see attached timetable for more information or contact the office if you are able to assist us on the day.

FATHER'S DAY STALL- FRIDAY 2ND SEPTEMBER

Our hardworking parents club have organised a Father's Day stall for our students to be held on Friday 2nd September. Pre-wrapped Gifts can be purchased for \$1 to \$10.

THANK YOU

Thank you to the entire school community for your support and understanding this week with the loss of our dear friend Kiara and the arrangements made for this Friday. Your concern and care has been greatly appreciated.

Grade 2 News

This week has been super busy for our grade 2s. We were lucky enough to listen to visiting author Rhonda Tallnash who entertained the students with her books *Quickfire Questa*, *Don't Mess with Frederick* and *Flowers for Josie*, and then created short sentences with rhyming words and actions. Grade 2s are excited for our Book Week parade tomorrow at 9:15am, so make sure you have your costumes ready!

In Maths this week we have been looking at arrays and identifying 2D shapes. Next week we will be discussing multiplication and division.

Parent teacher discussions are now visible on Compass so please book your appointment with your class teacher as soon as possible. We look forward to seeing you.

Sport

Sarah Mangan

3-6 DISTRICT ATHLETICS CARNIVAL

Reminder our 3-6 district Athletics Carnival is on Thursday 1st September. We have ordered sunny skies and look forward to a great day. Remember there will be a BBQ lunch available to purchase. Money supports the Kyabram Little Aths Club. If you are able to help please fill in a form and hand it to Judy in the office. We are still looking for helpers!

SPORTING SCHOOLS GOLF

We hit off our first session of Golf on Tuesday. These sessions are government funded and aimed at introducing students to different sports they can play with in our community. Thanks to Naomi, David, Annie, Jarred, Caitlyn, Olivia and Josh for coaching these sessions. If Tuesday is anything to go by we should have some budding golfers come the end of term.

7-12 Principal Report

Danny Walsh

NORTHERN RIVERS DEBATING

On Wednesday 24th of August, Kyabram P-12 College hosted the Northern Rivers Debating Competition. This is an annual competition that forms part of our extension and enrichment program. 8 students from Years 7-12 represented our school this year across 2 divisions of the competition. A number of students also assisted with the running of the competition, acting as chair people and guides for our visitors around the school. This year the competition is between Kyabram P-12 College, Rochester Secondary College, Echuca Secondary College, Boort Secondary College and Moama Grammar. Thank you to all the amazing staff and volunteers who have come in to help the day run so smoothly, and to the Lifeskills team for putting on a lovely morning tea.

LEARNING CURVE NEWSLETTER ARTICLE

Solving problems

Cultivating in our students resourceful and reflective habits for a lifetime of learning in an ever changing world is a challenge that all teachers face. With the amazing rate information is being created in the 21st century, "knowing stuff" learnt through the 20th century learning and teaching transfer of knowledge paradigm is no longer relevant. The world now needs good people who can think logically, strategically and ethically solve problems. Encouraging students to use their signature strengths in solving problems will bring high quality solutions.

Our learners now need to be able to:

- Experiment, imagine, visualise and question what is happening around them.
- Take stock of what is occurring and why.
- Use their intuition, logic, analysis and creative and critical thinking to solve problems.
- Make new connections from what they learn to extend their vision of the world.
- Find and authenticate the information they require.

True learning is the connecting and understanding of areas of knowledge and then being able to apply them to solve and analyse a series of problems or situations. To enable this, students' thinking needs to be continuously developed through the regular usage of Habits of Minds and Thinking Tools in all areas of their learning.

An organised, resourceful and systematic approach to problem solving requires thinking to be visible for students; the steps are clearly sign posted for them. The 'off the top of the head' and 'spontaneous' methods of problem solving, often end up without a logical solution, involve haphazard thinking processes and don't thoroughly consider all possible angles.

The key components in solving any problem are very simple:

- getting started the day the problem is received
- being prepared to brainstorm and to consider a number of options; moving from possible to probable and onto preferred.
- always starting from a position of curiosity, not certainty. Curiosity leads to Clever, which leads to Certain; the 3 C's to problem solving.

HONOURING AUSTRALIAN VIETNAM VETERANS

On Tuesday, 16th August, Sarah Varcoe in Year 10 and Rowena Morris travelled to Canberra as part of a group of students who won the Honouring Australian Vietnam Veterans competition commemorating the 50th Anniversary of the Battle of Long Tan.

Sarah flew to Canberra with six other students from Victoria, and met up with about 50 other students from all around Australia. 20 teachers were also part of the trip.

During their three days in Canberra, students participated in a range of activities. First up on Wednesday, students were given a behind the scenes tour of Parliament House before being formally presented with their awards in a special ceremony in the restricted area of Parliament House, followed by morning tea with visiting dignitaries, politicians and Vietnam Veterans.

After lunch, students visited the Aboriginal Tent Embassy and spoke to some Indigenous Elders, participated in an interactive educational experience at the National Museum of Australia and were given exclusive behind the scenes access to the National Archives of Australia, viewing the original copies of Australia's Constitution and Assents to Federation, signed by Queen Victoria.

On Thursday, students were among the special guests at the national commemoration ceremony for the 50th Anniversary of the Battle of Long Tan. They again mingled with dignitaries, politicians and Vietnam Veterans at this event – including the Governor General Peter Cosgrove and the Minister for Veterans' Affairs Dan Tehan. Students then experienced a one-man performance commemorating the Vietnam War at the War Memorial, before a guided tour of the Australian War Memorial. They were then lucky enough to be special guests at the Last Post Ceremony at the War Memorial, standing across the reflective pool from Vietnam Veterans. This was followed by an exclusive dinner in ANZAC Hall at the War Memorial.

Friday saw Sarah and Rowena visit Old Parliament House, participating in a re-enactment of the parliamentary debate which led to the conscription crisis of the Vietnam War. Students then participated in an Electoral Education Experience and visited the National Portrait Gallery before heading to the airport to fly home.

Students gained significant knowledge, understanding and appreciation for our nation's history from this experience. Some lifelong friendships were formed, and passion for the study of history was ignited.

Sarah should be congratulated for being one of only 55 students from around Australia to be successful in this competition, and for her participation, demeanour and attitude throughout the entire trip.

Well done Sarah!

YARD MAINTENANCE WORK

If you are available to assist with clean up/maintenance at the College could you please contact me by email (walsh.daniel.m@edumail.vic.edu.au) or by phoning the College. We have a number of areas that require attention such as painting, pruning, edging and brushcutting.

Girls in Cricket Cricket Australia

After the success of the Girls' leadership forum in November 2015, Cricket Victoria have expanded the program to include an interactive online learning component, developed by psychologist Matti Clements, Director of Mental Edge Consulting.

The program is open to students in Years 7 and 8 and contains six 20 minute modules:

1. Your Leadership Spirit
2. Ignite Your Can Do
3. Stand Strong
4. Stepping Up for Yourself and Others
5. Your Resilience Superpower
6. Reach for the Stars

The online component will be available for registered students to access later this week. Further to this, the forum will be held again this year in Term 4. For further information and to register students for this exciting program please access the following link <http://www.cricketvictoria.com.au/get-involved/year-7-and-8-female-leadership-forum>

Uniform Shop

Parents' Club have set up a second hand uniform shop catering for all students in the school from Prep to Year 12. Uniforms will be available at a much lower price than they can be bought for new.

If your child has outgrown any of their uniform items or is leaving the school, you may choose to donate the uniform to the Parents' Club. Money raised by the Parents' Club is used in the school to improve facilities and support programs. We hope the uniform shop will be a source of funds for them to continue their invaluable work in our school.

For anyone interested in coming to have a look at what is available, the uniform shop will be open each Friday from 8:45 to 9:15am in the Primary Campus Office.

Performing Arts

Sue Meeking

ARTS EVENT ECHUCA

September 19th - October 3rd Ages 12-18 years

2016 Kyabram District Primary School Athletics

Thursday 1st September on the Secondary Oval

Your help required

Below is the program for the carnival that is held on the Secondary Oval. Our school is again after your help as a volunteer for this day. There are a number of ways you can assist.

1. The most important is at the Sprints, Long Jump, Triple Jump and Discus areas.
2. Our school will have staff in charge of leading three age groups to their events, **8/9 Boys, 10 Girls and 12/13 Girls**. It would great if some **parents** could help with these age groups.
3. Each school is responsible for supplying **first aid people**. Our rostered time is 9:30-11:30am.

Time	8/9 Boys	8/9 Girls	10 Boys	10 Girls	11 Boys	11 Girls	12/13 Boys	12/13 Girls
9:30	Discus	Distance	Long Jump	Triple Jump	Shot put	Sprints	High Jump	Hurdles
10:00	Distance	Long Jump	Triple Jump	Shot Put	Sprints	High Jump	Hurdles	Discus
10:30	Long Jump	Triple Jump	Shot Put	Sprints	High Jump	Hurdles	Discus	Distance
11:00	Triple Jump	Shot Put	Sprints	High Jump	Hurdles	Discus	Distance	Long Jump
11:30	Shot Put	Sprints	High Jump	Hurdles	Discus	Distance	Long Jump	Triple Jump
12:00	LUNCH							
12:30	Sprints	High Jump	Hurdles	Discus	Distance	Long Jump	Triple Jump	Shot Put
1:00	High Jump	Hurdles	Discus	Distance	Long Jump	Triple Jump	Shot Put	Sprints
1:30	Hurdles	Discus	Distance	Long Jump	Triple Jump	Shot Put	Sprints	High Jump
2:00	RELAYS & PRESENTATIONS							

✂ _____ ✂

Please return to the Primary Office by Friday 26th August

Name: _____ (please circle where you can assist)

Yes, I can help at the Jumps/Discus pits at these times: _____

Yes, I can help at the Sprints at these times: _____

Yes I would like to help marshal the **8/9 Boys, 10 Girls and 12/13 Girls** .

Yes I can act as a first aid official.

Claudia Green is organising a BBQ on the day to raise money for the Little Athletics Club. Please contact her if you are able to help.
