Term 1 Issue 6

## Principal's Report

"Excellence Through Opportunity"

Dear Parents and Friends,

### CAR BOOT SALE

This Saturday April 30<sup>th</sup>, is the Kyabram P-12 College Parents' Club Car Boot Sale. There will be a number of people selling treasures that people may want to purchase. There is also a number of other stalls to purchase from including BBQ, cake, drinks and lolly stalls, sno cones and face painting. There will also be some music playing throughout the morning. The Car Boot Sale starts at 9am and finishes at 12:00 noon. If you would like to book a site contact the school on 5851 2100.

I hope to see you there supporting the Parents' Club in their fundraising attempts to upgrade the curtains in the College Hall.

### ANZAC DAY COMMUNITY SERVICE

Our College Captains Stephanie Denham and Brodie Mulcahy, along with the Captains from St Augustine's, were the guest speakers at the ANZAC Day Service at Kyabram Memorial Gardens on Monday. They spoke about what ANZAC Day means to them and they both spoke extremely well in front of a huge audience. We also had our Primary Singers perform a very appropriate song called Stand By You, with which the crowd were very impressed. Well done to everyone involved in the service from our college; we can be very proud of the way we assisted the community with this commemorative event.

On Tuesday this week we also held our own ANZAC Day ceremony in the hall, where all of our students attended. It was well led by our Vice Captains Lauren Kightly and Bim Sherwood, who did an outstanding job of running the ceremony. Thank you to Shaun Clancy for speaking at the ceremony and sharing his experiences of serving in Afghanistan and what ANZAC Day means to him, the students and staff really appreciated listening to you. The poppies display that the students made looked spectacular on stage. Thank you to the parents and community members that attended this service.

## DEB BALL

I would like to take this opportunity to wish the entire debutante group all the very best for next Saturday, May 7th. Our college has 24 debutantes this year and a great deal of practice has gone into preparing them to be at their best. I would like to thank the parents and staff for all the work they have done behind the scenes in organising the night. It has been a great team effort!

## NAPLAN

NAPLAN is an annual assessment for all students in Years 3, 5, 7 and 9. It tests the types of skills that are essential for every child to progress through school and life. The tests cover skills in reading, writing, spelling, grammar and punctuation, and numeracy. The assessments are undertaken every year in the second full week in May. Students have been supported in preparing for these assessment tasks to ensure they do their very best. We have a number of staff that have been working with the students in relevant year levels over recent weeks. If you would like further information please go to [www.naplan.edu.au](http://www.naplan.edu.au)

## ATHLETIC SPORTS

Congratulations to all the students that competed at the 7-12 athletic sports last Thursday. It was great to see the increased number of students competing and the number of students doing their best. There was some fierce competition in all track and field events - boy, can some of our students run, jump and throw! Well done! I am looking forward to hearing who won the age champions and which house won overall. Well done to Trudee Leahy and Michael Archer on their fantastic organisation of the day, an awesome effort.

Thank you to all the staff and students that supported the day, it was a terrific day and a real team effort.

## COLLECTING STUDENTS FROM SCHOOL

To ensure the safety of students in our care, please remember that when parents / guardians are collecting their sons and daughters from school, they are required to collect them from the office. Students will not be permitted to leave the school and get in to a car with other than a parent or approved adult.

**Stuart Bott**  
**College Principal**

## P-6 Assistant Principal Report

**Kate Whitford**

### ANZAC CEREMONIES

I would like to thank the school community (parents, staff and students) for supporting our ANZAC Day ceremonies both here at school and in the wider community. A special mention must go to Sue Meeking, our school captains and our Primary Singers, for their involvement in ANZAC events.

### MOTHER'S DAY STALL

Once again our Parents' Club have been extremely busy buying, wrapping and organising gifts for students to purchase at this year's P-6 Mother's Day stall on Friday 6<sup>th</sup> May. Gifts range from \$1 to \$8 in price.

### SCHOOL UNIFORMS

Please remember that complete school uniform at Kyabram P-12 is expected at all times! If you are experiencing difficulty in purchasing school uniform, please contact the office. All uniform is available from Mr Embroidery or Surf N Skate – Fashion Girl, in Allan Street, Kyabram.

### COMMUNITY LUNCH VOLUNTEERS

Each Thursday four students from our grade 5/6 area visit the Kyabram Community Learning Centre to volunteer their time helping with the community lunch program. Their duties include setting tables, serving lunches, cleaning and washing up. If you would like to help supervise these students at any time please contact the office, as this would be greatly appreciated.

### CROSS COUNTRY

Good luck to the 74 students from grades 3-6 who will represent our college at the Division Cross Country event in Echuca on the 6<sup>th</sup> May. Thank you to Mrs Mangan for organising this opportunity and for giving up her own time to run practice sessions.

## BUDDIES PROGRAM

This Term we have started our buddy program across P-6. Each class works with a buddy class for 1 hour each week. The goal is to develop relationships between the younger and older children, enhancing a friendly and supportive school community.

Other benefits of the buddy program include:

- Younger students having another positive role model within the school.
- Younger students having someone to go to if they are worried/scared in the playground.
- All children developing new and positive relationships.
- Older students taking on and developing responsibility.
- Older students learning how to be a positive role model for other students and developing pride in their ability to be helpful.

## BON VOYAGE

Good Luck and Bon Voyage to Jen Weaver who is heading overseas on a trip which has been a long time in the planning. We look forward to hearing all about your adventures when you return. While Jen is away Daryll Wegmann will increase his time in the classroom to keep things consistent for the students.

**Kate Whitford**  
**Primary Principal**

## P-6 Awards

Congratulations to last week's award winners.

## Grade 2 News

After a wonderful trip to the zoo in week one, we've returned to school full of new ideas, observations and questions about animals. Teachers were very proud of the excellent behaviour shown on the excursion by our students – it certainly made all the work worthwhile. We would like to again express our appreciation to the parents that accompanied the trip – we couldn't run such an event without this support.

In maths we are moving onto place value and telling time. At grade two level students will be expected to tell time to the quarter hour on an analogue clock, and work with numbers up to 1000. In English we are looking at "WOW" words – interesting, exciting, adventurous words that enrich our reading, writing and spoken language. Instead of being happy we will be cheerful, delighted, amused and optimistic. We will use these words to practise the genre of description and will be looking out for these kinds of words whilst reading.

## Sporting Schools

**Sarah Mangan**

Our Sporting Schools Program will begin in week 5 of Term 2. This term we are focussing on Netball skills. The program will operate on Wednesdays for four weeks (11/05, 18/05, 25/05 and 01/06).

Prep – Grade 6 are welcome to enrol. The program runs from 3:30pm to 4:15pm (meet at the Primary Netball courts straight after school) and you can pick up an enrolment form at the office to return no later than Monday 9<sup>th</sup> May.

Tennis is continuing during the school day with the grade 3/4's receiving coaching at the moment.

## Sport

### Sarah Mangan

We would like to congratulate Charlie Barnett on being successful in Bendigo yesterday in trying out for the Primary State Football team. Charlie will now travel to Melbourne to participate in the next stage.

Coming up this term.....

- **Cross Country (Grade 3-6)** – Friday 6<sup>th</sup> May Students have been training well for this both at home and at school! I am very impressed with the dedication so they can represent both themselves and Kyabram P-12 College
- **Netball (Grade 5/6)** – Friday 3<sup>rd</sup> June
- **Football (Grade 5/6)** – Tuesday 21<sup>st</sup> June
- We also have 3/4 and 5/6 winter sports coming but dates are still to be confirmed

## Physical Education

### Sarah Mangan

#### Term One

PE saw us develop lots of basic skills. By building these skills at a young age it will provide our children confidence to be active at an older age. By Grade 3/4 we expect that students have basic skills of throwing, catching, running, jumping, skipping, etc, and are able to begin to play minor games. Moving into 5/6 students will start to develop more game sense and they will combine the basic skills learnt and begin to play major games (netball, football, soccer etc)

#### Term Two

**Preps** are working on running (sprints, long distance, relays and starts) then moving onto gymnastics. **Grade 1/2** have just finished Net, Set, Go and are moving onto Aus-Kick, then moving onto gymnastics. **Grade 3/4** are working on their netball skills through drills and minor games, then they will begin athletics training. **Grade 5/6** are running their own netball tournament within their classes. This will end in a whole 5/6 tournament in week 6 with the winners being able to play a teacher team. (Teachers have won the past three years!).

## Grade 5/6 Netball

**5/6 Netball Meeting for interested girls and boys on Monday 2nd May in 5/6 PB with Mrs Pearson.**

We are looking to take Girls and perhaps Mixed teams to the Echuca Primary Netball Tournament in early June. The teams will be dependent on the students' interest.

## Spectacular Car Boot Sale

### Sue Meeking

The State Schools Spectacular team from our school will be raising funds at this Saturday's car boot sale. They will add to the carnival atmosphere so come try your luck at the games and raffles and activities:

**Count the Jellybeans, Plaster Fun House (paint your own plaster for a small fee), pick a Lollypop – everyone's a winner! Movie Hamper raffle or buy a pet rock for only \$1.** At the same time you help more of our students reach great musical heights in Melbourne this year!

## 7-12 Principal Report

Danny Walsh

### UNIFORM

I would like to thank parents and families for their support in ensuring that their child is wearing the correct college uniform. The students look great in their uniform and we really do look like a cohesive, high quality learning community. We are asking that students don't wear hoodies underneath their school jumper. Another jumper can be worn underneath if necessary, as long as it doesn't stick out from under the school jumper. If there is an occasion/day where your child is unable to wear their correct uniform, we ask that parents please provide a note to the school to explain this.

## ANZAC DAY

On Monday, our College captains, Brodie Mulcahy and Steph Denham, were guest speakers at the town ANZAC Day ceremony. Both students represented the College with pride and spoke very well. Thankyou to Rowena Morris for assisting the captains with their speeches and to Kim Morrison, Greg Dunn, and the Primary singers for their efforts on the day.

## LEARNING CURVE NEWSLETTER ARTICLE

Each week I would like to include a parent newsletter article from the Learning Curve which is in line with the Secondary student planner. I hope you find these articles valuable.

### Engagement and Achievement

Throughout students' schooling they will be required to complete projects, assignments and other investigations into a numerous range of topics. Cultivating resourceful learning and thinking habits in students will enable them to confidently define, experiment, imagine, analyse and make predictions from the knowledge they investigate or create. Explicitly teaching a logical step by step process, creative and critical thinking, how to research, present their findings and complete a bibliography will see them well prepared.

The worry and temptation for 21st century students is that they believe Google will provide all they need to know to complete their learning needs. They Google a topic and often mindlessly copy chunks of information and insert it into their assignments; no defining, no imagination, no experimenting, no discerning, no depth of thought and no developing of lifelong learning and thinking habits.

Following are some of the aspects of researching that we need to teach students and practice in everyday learning and teaching:

Brainstorming – encouraging students to think hard about and connect with what they already know about the topic.

- Adventure and adaptability – learning in different ways, in different places and from different sources.
- Metacognition – thinking about what type of thinking they need to use in particular situations.
- Gathering and assessing information – being able to find information and be discerning as to its authenticity.
- Reading between the lines – seeing beyond the written word and identifying patterns to investigate.
- Synthesising– putting all their findings together in a coherent and stylish manner.

This week's focus is aimed at initiating the explicit teaching about research resources, which in time will build into lifelong, resourceful and resilient habits.

## PERSONAL ELECTRONIC DEVICE POLICY

### Acceptable Use

- PEDs must be switched off or on silent and kept out of sight and computers closed during lessons, excursions and extracurricular activities unless they can be appropriately incorporated into the learning program as directed by the teacher.
- PEDs are not to be taken into any exams or SACs unless specifically allowed by the teacher in order to complete the SAC. The PEDs will be placed in an appropriate place determined by the teacher or supervisor at the start of the exam or SAC and given back at the end of it.
- Students may use their PEDs before or after school and during recess and lunch breaks. **If parents need to contact their child urgently, they are reminded that in all cases, the school office remains the first point of contact.** This will ensure that the student can be reached quickly and assisted in the appropriate way.

### Unacceptable Use

- Students are not to use PEDs during class time unless instructed to do so by a teacher as part of an educational activity.

If students use PEDs in class when not instructed to do so the following consequences will be put into place:

1. In the first instance a student will be asked to turn it off and give it to the staff member. This will be handed into the office where the student can collect it at the end of the day. Or given back after class. Refusal to hand over may result in a suspension for not following instructions.
2. In the second instance in that class, the phone will be handed into the office and a parent will need to collect it.
3. The third instance will result in a parent meeting.
4. The fourth instance in that class, will result in the student being internally suspended for one day.

It's very important that the College, students and parents work together to maximize the learning outcome and limit distractions for students while in class. If you have any questions regarding the policy or would like a copy of the complete policy, please call or email me at the College.

## YARD MAINTENANCE WORK

If you are available to assist with clean up/maintenance at the College could you please contact me by email ([walsh.daniel.m@edumail.vic.edu.au](mailto:walsh.daniel.m@edumail.vic.edu.au)) or by phoning the College. We have a number of areas that require attention such as painting, pruning, edging and brushcutting.

**Danny Walsh**  
Principal 7-12

## 7-9 News

**Vivienne Thomas**

A reminder that NAPLAN Testing will occur for all year 7 and 9 students on May 10,11 and 12. This will take place at The Bocce Club, across the road from the College on the corner of Breen Road and Fischer Street. Students should meet with Miss Howell, Mrs Rowland and Ms Thomas at the Bus bay by 8.45 on Tuesday, May 10. We will walk across the road to the Bocce Club together before and after testing.

If you have any questions or know that your child will be absent during this period, please contact Vivienne Thomas at the College.

On the day, students will need to bring:

- a HB pencil
- a pencil sharpener
- an eraser
- their calculator for Thursday

I have included a timetable for your reference below. Normal classes will occur at school when students are not being tested.

<b>Tuesday 10 May Period 1</b>	9:00am-9:55am	<b>Language Conventions</b>
<b>Tuesday 10 May Period 2</b>	10:10am- 11:00am	<b>Writing</b>
<b>Wednesday 11 May Period 3/4</b>	11:30am – 12:45pm	<b>Reading</b>
<b>Thursday 12 May Period 1</b>	9:00am- 9:50am	<b>Numeracy with calculator</b>
<b>Thursday 12 May Period 2</b>	10:05am-10:55am	<b>Numeracy</b>

## Athletics

Athletics Sports at Kyabram P-12 College is about participating and enjoying a wide range of track and field events as well as having fun and earning house points in novelty events and relays.

The novelty events this year were once again run by the House Captains, Form Captains and Student Enrichment Leader Mrs Katharine Corrin. This year the events chosen were tug of war, tic tac toe and three legged races. The captains were also ably assisted by the three college mascots in ensuring all students had fun and earned house points in the lunch time break. A big thank you to those students and Mrs Corrin for your efforts on the day.

The 2016 Age Champions will be announced and awarded with their medallions on 12<sup>th</sup> June at our college's next Years 5-12 Assembly. We also hope that these students, along with 1st and 2nd place getters, will represent our college at Zone Athletics in Moama on September 1st. We'll have to eagerly await the results of the Champion House at the next college assembly later this term.

All our students performed very well at the Athletics Sports, however notable mentions should go to our fastest runners; Charlie McLay (Year 12, Castles) in 11.68 seconds and Maddy Wilson (Year 8, Pine Grove) in 14.07 seconds. James Thomson (Year 12, Pine Grove) had a large crowd during lunch to watch him jump 1.72m in Under 20s High Jump. The Ironside brothers, Riley and Leighton, were not able to take the top spot as best High Jumper, as they both jumped 1.65m in their respective age groups! Another highlight of the carnival was the Under 20 Boys 4 x 100m relay. A teachers team of Liam Ogden, Melissa Clark, Mitch Coombs and Michael Archer decided to take on three teams of 16-18 year olds. It is still under debate whether the students took out the win or if the teachers have claimed the victory over their students.

A day like this could not run smoothly without the help and huge efforts of the staff across Year 7-12 and Kate and Rob Whitford and Claudia Green for their help with Athletics equipment. A thank you must also go to the student helpers who helped out at field events during the day, as this help was greatly appreciated by staff on those events.

## Junior Soccer

On the 20<sup>th</sup> April we sent a group of year 8 girls and boys over to Moama Rec for Junior Soccer. Although on the scoreboard the day wasn't too good, our girls salvaged a draw against SMOTA and two losses and the boys recorded a win against Echuca and two losses. Goal scorers on the day were Darcy Keck, Noah Sewell, Jamieson McKenzie & Hinemoa Biddle Maitland. Overall it was a fun day enjoyed by all, with our school represented well. It was also brilliant to see the students choosing to watch the games from other schools when they weren't playing. Also a big thankyou to Ms Bartlett for coaching.

## Senior Football

On the 26<sup>th</sup> April we sent a team of our senior boys over to Barooga to participate in the Herald Sun Country Cup football event. The boys played three games against Numurkah, Nathalia & Barooga, with only 18 players. The boys won 2 games and lost 1, making easy work of Numurkah and Barooga. The real test was always going to be against a strong Nathalia side to whom they went down in a valiant effort, by only 2 goals. Every one of the boys contributed throughout the day with flashes of brilliance, however the medal given to our schools best player on the day was given to Bailey Cox. A big thankyou to Mr Ogden for coaching and Mr Cowley for being the team's runner.

## Parents' Club Events

### Car Boot Sale - Saturday 30<sup>th</sup> April

To be held in the Kyabram P-12 College car park in Fischer Street. The sale will start at 9am and will run through until 12noon. Stall site fees are \$5.00 per site. Throughout the morning there will also be a cake stall, sno cones, lolly stall, BBQ and drinks and entertainment will be provided by the students from Prep-12. Please phone 5851 2100 to book a site.

### Mother's Day Stall - Friday 6<sup>th</sup> May

For Prep to Grade 6 students

From 9am - 11am

Gifts are priced from \$1.00 to \$8.00

Parent help is required on the day so if you are available please meet at the office from 8:45am.

### 80s Disco Night - Saturday 20<sup>th</sup> August

Please put this date in your calendar. More information to come!

# COMMUNITY MATTERS

School Crossings Victoria Inc.

## Is your Lollipop person the sweetest?

Nominate your Lollipop person for the 2015/2016 School Crossing Supervisor of the year award.

Pick up a nomination form online at [www.schoolcrossingsvictoria.com.au](http://www.schoolcrossingsvictoria.com.au).

Your support of this program will help ensure your School Crossing Supervisor is shown the appreciation they deserve for their commitment to the ongoing safety of our children.

## GIFT BALL TICKETS!

The 2016 Gift Ball will be held on November 12<sup>th</sup> at the Kyabram P-12 College Hall.

Anyone interested in attending is asked to enter the ballot. This can be done by visiting [www.thegift.co](http://www.thegift.co) and clicking on the GIFT BALL BALLOT link. Entering the ballot puts you in the draw to have a table of 10 on the night. There are limited tables available. All entries to the draw must be in by May 11<sup>th</sup>. Good Luck!

## Interested in playing golf? If?

Come and join

## Parkland Golf Club!

Home of the Victorian Par 3 Amateur Women and Men's Golf Championships

- Par 3 golf course
- Junior & Adult competitions
  - Ages from 5 and up.
- Junior golf from 8am every Saturday morning until September
  - 18 holes from 8am
  - 9 holes from 8.30am
- 5 holes from 8.30am - 9am.
  - Beginners from 9am.

Contact Naomi on 0419 565 797 or Peter on 5852 2769

[www.kyabramparkland.com.au](http://www.kyabramparkland.com.au)

## Kyabram Auskick 2016

Kyabram Auskick will commence on Sunday the 1st May 2016 at the P-12 Secondary school oval starting at 10am. There will be approximately 11 sessions of Auskick this year and it welcomes all primary school boys and girls.

Parents need to register and pay for their children via the Auskick website [www.aflauskick.com.au](http://www.aflauskick.com.au). The cost of registration is \$80.00 Inc GST. The cost includes the Auskick pack which will be delivered to your home once your payment has been received on the Auskick website (No payment No pack).

NAB Auskick allows children to play sport in a relaxed environment where making Friends, having fun with their parents and improving their skills are given equal weight. All children, regardless of their ability, will have as many opportunities to touch the ball and use it effectively as the next child.

Auskick *does* require volunteers to assist with the coaching of the children during the sessions, so if any parent would like to assist in this area they are invited to contact the coordinator.

For further inquiries please contact Jason Wills at [jazktw22@bigpond.com](mailto:jazktw22@bigpond.com) or call 0409 414 671.
