## Principal's Report

"Excellence Through Opportunity"

*Dear Parents and Friends,*

During the holiday period our VCE teachers will be running classes for students studying Unit 4 VCE subjects. Most of the classes will be revision sessions for the students and the majority of the students attending will be in Year 12. The holiday period is the last opportunity for our senior students to get some 'all-important' extra time to study before the demanding last term begins. Year 12 students only have three weeks of formal classes in Term 4 plus a week of revision and exam preparation before the Unit 3 & 4 VCE exams start on the 28th October and run until the 20<sup>th</sup> November.

As summer gets closer we need to remind students about the perils of skin cancer and the need to wear hats while in the yard. In Term 1 the majority of students came prepared with a hat but there are still some students who don't appreciate the risk they run by not wearing a broad-brimmed hat. Australia has one of the highest rates of skin cancer in the world and each year over 1,500 Australians die from skin cancer. Over 440,000 Australians are treated for skin cancer each year and 90% of Victorians with invasive melanoma are expected to survive their cancer for at least five years. In 2010 11,405 new cases of melanoma were diagnosed in Australia, accounting for nearly one in ten cancer diagnoses. These are appalling figures considering the publicity given to skin cancer through the various campaigns we see in the media and the work carried out in the Australian community by a range of agencies, including the education system. Again, I ask for parental support in encouraging our young people to 'cover up' and to wear their broad-brimmed hats when they are outside in Term 4, whether at school, on camps or on excursions. We have a school uniform hat which can be purchased at our local uniform supply shops.

The College's Uniform Policy was developed by parents, students and College Council after the three schools merged, and was fully implemented in 2012. Our policy was developed to meet the needs specific to our school and the curriculum that students undertake at the College. In recent weeks we have seen an increase in students wearing 'inappropriate shoes' which are not part of the College uniform. Not only is this footwear not uniform, in many aspects they don't meet the requirements around health and safety, particularly in the technology, science and arts areas. The majority of our students wear the black leather (black leather uppers) shoes presented in the policy and we appreciate the support shown by parents in achieving this. The College needs parents to support the College Council's policy on uniform to ensure unnecessary time and effort is not wasted on this issue. There will be more consultation undertaken with stakeholders (College Council/students/parents/staff) about our uniform in coming weeks. We will not be looking to change our uniform but rather reviewing what is in place and seeking feedback on various articles of clothing that make up our uniform.

Over the holiday period the College will start the process of removing shade structures from the Dawes Road site to Kyabram P-12 College. The removal of these items and a number of other structures has been organised and approved by the Department of Education and Training to ensure that our community does not lose resources that can be utilised by our students. The College has notified our neighbours and residences near the College. We hope to have the additional shade structures in place for our students by the start of next term.

Early next term the College will be holding a number of Parent Forums to gather information from parents about a range of topics, including their students' learning at Kyabram P-12 College. Some forums will be conducted straight after school for junior levels and some in the evenings for senior year levels. The forums will be advertised so that parents have advance warning and will only take 30 to 45 minutes. The forums will not be like a parent-teacher interview but will be conducted by me. The College will seek feedback on issues such as communication with parents, student learning, uniform, attendance, reporting procedures and student programs.

As we approach the end of Term 3 I would encourage all families to ensure that their students attend school to the very last day of term. School will finish at 2.20 pm on Friday the 18<sup>th</sup> September and classes will run until that time. If families are taking holidays early, please contact the College to inform us of your student's absence and speak with their teacher or Year Level Co-ordinator to ensure that they are up to date with their work. We are always happy to provide students with work to ensure they keep pace with their studies.

Thank you to the families who accepted our invitation to participate in a survey to explore the way that the College communicates. Your responses have provided us with valuable feedback. The winner of the \$50 Target Voucher is Jen Savage. Congratulations and thank you once again.

I wish everyone a safe and refreshing holiday period and look forward to working with you in Term 4.

**Chris Eeles**  
**Acting College Principal**

## **Business Manager's Report**

**Jan Prior**

### **CAMPS SPORTS AND EXCURSIONS FUND (CSEF) URGENT!**

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If your family holds a valid means-tested health care card or pension card you may be eligible for CSEF. The allowance is used towards expenses relating to camps, excursions, or sporting activities.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students.

**Please apply for this by contacting the office before end of term 3. It is important to note that the CSEF program covers eligible students up to the end of Year 12.**

### **BOOKSTALL YEARS 7-12**

Kyabram P-12 College will be holding their Bookstall for years 7-12 on Thursday 19<sup>th</sup> November 2015. Opening hours will be from 12 noon to 6:30 pm at the Kyabram Bocce Club.

Further information, including payment options and booklists will be given out to students from Years 7-12 during the first week back of Term 3.

### **FAMILY ACCOUNTS**

Family statements have been mailed out to families this week so that Parents can keep track of their payment progress. It would be appreciated if all charges for the year could be finalised by October 31<sup>st</sup> please. If you have any queries regarding your account, please do not hesitate to contact me or any member of our Office Team.

# P-6 Assistant Principal Report

David Jenner

## FUN RUN

Today our College students from Prep – Yr 8 participated in the Fun Run. Whilst our Fun Run promotes health, exercise and being active, it was also aimed at raising money for sports equipment. Our students thoroughly enjoyed the challenge of moving through the course for an hour! Thank you to Mrs Mangan for all of your coordinating efforts here, and congratulations to all students, parents and staff for the way in which you supported this fantastic event!

## PREP-2 'GOOD VALUE CONCERT'

Please remember to keep September 16<sup>th</sup> and 17<sup>th</sup> free, for all Grade Prep, 1 and 2 students to attend the evening concerts at the Plaza Theatre. You can purchase tickets at the College's main office; adults \$10 and students \$7.

## VEGIE GARDEN – MR NILBETT

Mr Nilbett's class have begun to make a vegetable garden as part of our theme study. We have been learning about the seasons and what plants will grow at certain times and conditions. We have learnt about how long the seeds will take to grow and also the life cycle of the plants. So far we have planted two varieties of lettuces, spring onions, beetroots and Asian greens. We have set up a watering system to water the garden. Thank-you to the Doolan family for donating Compost and Mulch – Mr Nilbett.

## GYMNASTICS WITH MRS MANGAN

In P-2 Gymnastics we learn about the six dominant movement patterns (DMP's). They are;

- Swing (holding on to the monkey bars and using your body to swing)
- Rotation (forward or log rolls)
- Spring (jumping)
- Landing (how we land safely in the 'Motor Bike' position)
- Static (things we do that are still – balance)
- Locomotion (different forms of moving)

We cover the DMP's in a circuit style class which allows students to become responsible for their own learning as the teacher is rotating around each activity.

Studies have proven that children with a strong gymnastics base have increased Fundamental Motor Skills (running, kicking, throwing, catching etc). It is a core building block in your child's skill development. Along with the research behind the importance of it, the students really enjoy gymnastics. We are lucky to have the use of the open space in the Prep/1/2 Building and great equipment to run this program.

## HATS – TERM 4

Just a reminder that it is compulsory for all students to wear a school approved hat when outside during term 4. With the sun starting to shine students wishing to wear a hat outside before the end of term 3 are most welcome to do so. If you need to buy a new hat please buy the blue uniform hat with the college logo, in line with our uniform policy.

## ATTENDANCE

When students have high rates of absence it makes it very difficult for them to build a sound understanding of the subject material. As a consequence, they have gaps in their learning that really restrict their progress. The end result is that they struggle to come to grips with the concepts and become stressed. To put it in perspective, 80% attendance represents a day off per week for the entire school year, 40 days in total. Five years schooling at 80% attendance means a student would have missed a whole school year during this time; the impact on their education would be severe. Please ensure your child attends school every day unless they are ill. Be on time; be at school, that's the rule!

## HEAD LICE

It is that time of the year where head lice can become an issue in schools, so we need all parents / guardians to check their sons / daughters hair on a regular basis for head lice. If they have head lice please do not panic, as a simple remedy to treat head lice with a solution is available at Chemists, and you will just need to follow the directions on the treatment you are using. Thank you for your support here.

## LAST DAY OF TERM 3 FOOTY COLOURS / HOT DOG DAY

On the last day of Term 3, students are encouraged to wear their footy team's colours. Fun activities are planned with this theme. Parents' Club will be holding a Hot Dog Day, order forms will be sent home on Monday

On the last day of Term 3 school will finish at 2:20pm

## P-4 Awards

Congratulations to this week's award winners.

## Year 2 News

Year 2 children are very excited about the concert next week – we hope you've all booked your tickets for what promises to be a fun show! Thank you to parents for helping to organise costumes and helping children learn lines or dance moves. Since we will be at the theatre every day from Monday to Wednesday next week, we ask that there be **NO LUNCH ORDERS** on those days.

We have been pleased to catch up with most parents to share information about our students' progress. If you have not yet managed to see us please send a note or call the school to arrange a time to get together.

## P -2 GOOD VALUE CONCERT

Excitement mounts for all the Preps, grade ones and grade twos. Our concert is NEXT WEEK.

A huge thank you to the families who sent the few costume items along to school that we have requested. To those few who have not got around to this yet PLEASE SEND COSTUME ITEMS YOU HAVE SO WE KNOW WHO NEEDS HELP. I have been helping some students but it is frustrating when parents are off collecting costumes at the same time. The Primary Singers are also involved.

Permission notes have been sent home to all families so that children can attend rehearsals on Monday, Tuesday and Wednesday during the school day. Then the concert is at 7 pm. Wednesday 16<sup>th</sup> and Thursday 17<sup>th</sup>. **Students are to arrive at 6 pm** but audience will not go in to theatre until 6:45 pm. Please remember only those helpers who have returned their notices are needed in dressing rooms. We sincerely thank all who have given time to helping. Speak to your class teacher if you want to offer help.

Parents, please understand that we are being lenient with school uniform if you have sent school pants or shoes for your child to wear as costume and don't have any left at home.

Tickets are on sale at the MAIN OFFICE (secondary campus). All friends and family are welcome to come along as there are plenty of seats at the Plaza Theatre. We suggest you buy your tickets before the night to be sure of a seat. Adults: \$10 Students: \$7. All small children who are sitting on a seat require a ticket.

## Year 3/4 News

### **Crazy Hair, Loud Shirt, Disco @ Lunch Day**

Thanks to everyone who got involved and donated a gold coin towards the event. \$108 was collected. The Year 7s who ran the Disco showed impressive organisation and leadership. It was a fun day.

### **Fun Run**

The Fun Run happened today! It was fun and colourful, with everyone dressed in their house colours. Remember that funds raised for this event need to be brought in by Thursday, next week (17<sup>th</sup>) so that Mrs. Whitford can order the prizes to be here after the holidays. Mrs. Whitford needs to know what prizes you want (this will depend on what how much money you have collected), so pass on to her the part of the form that shows this information.

### **Parent/Teacher Interviews**

Thank you to the parents who have been able to catch up with their child's teacher at a Parent/Teacher Interviews this week. We, as teachers, would love to catch up with all of our students' parents, so if you haven't yet made a time, please organise a meeting with them before Term 3 ends.

### **Planning Day**

Teachers will be planning for Term 4 on Wednesday of the last week of term. This is always a fun day for students, who get to spend time with Specialists and others throughout the day.

## Year 5/6 News

Our visit to the Heritage Display at the Kyabram Town Hall was the highlight of this week with Mrs Isobel Harvie providing insights into life in the 1800s. Students were intrigued by her stories about the potato famine in Ireland, and the living conditions in England at that time. They could not believe the size of a pair of lady's gloves, which led us to further discussions about lifestyle, health, diet, exercise and other reasons why, as a culture, we are producing much larger and taller human beings in this century.

This visit ties in perfectly with our current unit of study in Australian history, which leads us into our school camp next term at Ballarat and our visit to Sovereign Hill. Our Thursday morning immersions into different periods of Australian history will culminate next week with students choosing their favourite events to pursue in further study next term.

There are a couple of reminders about the last week of term. On Tuesday we have planning day which is an opportunity for staff members to plan our work for Term 4, therefore students will have all of their specialist classes throughout the day. On Wednesday we have our Indigenous Football and Netball Day in Echuca, which provides a fantastic opportunity for students to mix with other schools in our district and to just play sport and have fun. Please refer to a separate notice about this. On Thursday classes will rotate through immersions and our usual Friday classes of ICT, Sport and Geography.

On the last day of term we have the opportunity to share in the Footy Colours Day, run by the Student Council, where students are invited to dress up in their favourite team colours and to join in a whole college event on the secondary oval after lunch. We will also have our final 5/6 assembly at 10.30am to which all parents are warmly invited as we present our Values Awards for Term 3.

Thank you for your support of our parent-teacher interviews this week. If you did not get the chance to book a time through Compass, or via the student diaries, please contact us and we can arrange a time for you next week which may suit.

Have a safe and happy holiday period with finer weather and more daylight to enjoy!

## 7-12 Principal Report

**Danny Walsh**

### VCE HOLIDAY CLASSES

There will be a number of VCE revision classes running over the holidays. It's important for students to make an effort to attend these classes so that they're given every opportunity to do their best.

| DAY  | AM                           | PM                                       |

### LEARNING CURVE NEWSLETTER ARTICLE

#### Not coping

Unfortunately, all too often, students only speak up about not coping and falling behind when they are about to implode and give up. Therefore it is important that they are empowered to build mindful and reflective habits and to regularly take stock on how they are faring and the resourcefulness to seek help.

There are many reasons why students have self-doubts about coping and falling behind. The key is to instil in them a belief that they are not on their own and the confidence to speak up and seek help as soon as they feel they are struggling. Viewing their situation through their signature strengths will promote their growth mindsets. This is especially so for senior students who don't manage their time effectively, particularly in private study periods at school. These present a perfect opportunity for students to consult their teachers for extra assistance and to clarify any aspects of the course which concern them. When concepts are clear in students' minds, effective learning and study will occur; their time input equals their effective output. When students don't ask their teachers for clarification, their learning and study effectiveness are severely blunted; their time input is not rewarded with quality output. So while some students appear to devote sufficient hours to their studies, the reality is they are not getting true value for their efforts. They are doing the right thing but not doing the thing right. To monitor their efforts and attitudes, it will benefit students immensely to have a critical friend who knows them and their habits well. Friends are not the people to adopt this role because they have enough to deal with themselves and often don't have the skills to so. An older and trusted member of their team is the most appropriate person.

## YARD MAINTENANCE WORK

If you are available to assist with clean up/maintenance at the College could you please contact me by email ([walsh.daniel.m@edumail.vic.edu.au](mailto:walsh.daniel.m@edumail.vic.edu.au)) or by phoning the College. As always we have a number of areas that require attention such as painting, pruning, edging and brushcutting.

## 7-9 Community Report

### Vivienne Thomas

7A and 9A participated in an On-line Naplan trial last Friday. There are a number of schools that are participating in this trial to determine the future of our Naplan test, we will receive feedback later this year.

Year 7 and 9 supported our 5/6 students at the Waranga Athletics which was a fantastic opportunity to develop their leadership skills. Many students participated in Zone Athletics on Monday and these students had some excellent results. Well done.

Our students participated in Northern Rivers Debating last Wednesday. This was a very positive experience for all those involved.

Our Year 9s had a fantastic day at our ArtsConnect excursion on Wednesday. We watched Bangara Dance Theatre's performance of LORE and completed a guided street art tour. The aim of this day is to give students an Arts experience that they are unlikely to experience living in a rural setting. Student feedback was very positive.

There are numerous lunchtime activities on offer for students, these include

- Craft and art classes on Monday, Wednesday and Friday.
- Chess and cards in the library
- Mixed netball; students are welcome to watch.

## Zone Athletics

On Monday August 31<sup>st</sup>, 52 Year 7-12 students along with Miss Leahy, Miss Clark, Mr Ross, Mrs Whitford and Marnie Blake travelled to Shepparton to compete at Zone Athletics. Our students all represented our school with great pride and showed sportsmanship in all events towards Campaspe schools. Our students placed first in 17 individual events as well as 4 relays. Notable mention must go to Shae Oliver (7C) for 1<sup>st</sup> place in 13 years Long Jump. She jumped 4.46 metres which is a new Campaspe record. The previous record of 4.42 metres had been held since 1983. Wonderful achievement Shae! Kyabram P-12 College were also successful in winning the SSV Campaspe Athletics Aggregate Score for 2015. Congratulations to all students! Students who placed first in track and field events will be invited to compete for Campaspe at Loddon Mallee Region Athletics in Bendigo on October 8<sup>th</sup>. Thank you to the staff who attended to be Officials at Track and Field events as well as the parents who came to support our college.

## Second Hand Uniform

Parents' Club have set up a second hand uniform shop catering for all students in the school from Prep to Year 12. Uniforms will be available at a much lower price than they can be bought for new.

If your child has outgrown any of their uniform or is leaving the school, you may choose to donate the uniform to the Parents' Club outright or you may offer pieces on consignment, with a proportion of the sale price being returned to you.

Money raised by the Parents' Club is used in the school to improve facilities and support programs - we hope the uniform shop will be a source of funds for them to continue their invaluable work in our school.

Uniforms for the shop may be left at any College office - please label clearly whether they are a donation or on consignment and if the latter, the amount you require for them.

For anyone interested in coming to have a look at what is available, the uniform shop will be open each Friday from 8:45 to 9:15am in the Primary Campus Office.

## Young Carer Bursary Programme 2016 – Applications Now Open!

### Do you know a young person that has caring responsibilities at home?

Carers Australia on behalf of the government delivers the Young Carer Bursary Programme; 333 bursaries will be granted in 2016, each bursary is \$3,000. The money can be spent on helping with education or training. Applications have now opened and close on 28 September 2015.

### Who can apply

To be eligible the young person needs to meet the following criteria:

- Provides care and support to a family member or friend with an illness, disability, mental health illness, or is frail, aged or has an alcoholic or other drug problem
- Aged 12 – 25 years
- Currently studying or wishing to return to study or training

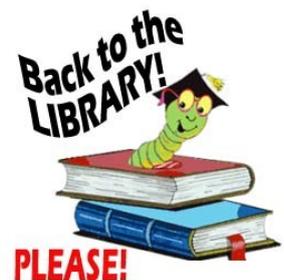

Not in receipt of another bursary or scholarship for 2016 (young carers who have received a young carer bursary or young carer scholarship in 2015 can apply).

To find out more please contact Danny Walsh,  
Assistant Principal.  
Ph 58512100

## Library Cheryl Child

It would be really appreciated if students could return or update their borrowings before the end of term (next week).

Notices will follow up in term 4 for anything that is overdue in week 2.

# Student Enrichment – Debating Competition

On Friday 4<sup>th</sup> September, a team of students from Kyabram P-12 College met a team of students from St Augustine's College for a debating competition at Town Hall. The junior team, made up of the following students: Claire Willoughby, Jake Plumb; James Childs; Aaron Kay; and Katie Fletcher; went up against a team of students from Years 7 and 8 from St Augustine's debating the topics *School attendance should be voluntary* and *School uniforms should be abolished*. The senior team, made up of the following students: Brandon Armstrong; Daniel Walkeden; Safije Meka; Ebony Halliwell; and Joseph Stevens; went up against a team of students from Years 9 and 10 from St Augustine's debating the topics *"TXT" speak should be incorporated into language* and *Graffiti should be considered real art*. Both teams presented themselves in a dedicated and professional manner. Unfortunately our junior team were unsuccessful, but our senior team took home the trophy.

## School Nurse Corner

Leanne James

### SLIP SLOP SLAP TIME!

As we know, spring is here and the sun is shining so we need to make sure we do the five S's below:

### Protect yourself in five ways from skin cancer

Studies predict that two out of every three Aussie kids at school today will be diagnosed with skin cancer later in life.

While we are all aware of the dangers of the harsh Australian sun, just under half of all students are still going to school wearing baseball caps that leave their ears, cheeks and back of neck exposed to dangerous UV rays.

Before you pack their school bags for the new term follow these simple sun safety tips to ensure your child will be protected from the sun's rays.

#### Top SunSmart tips for school:

- Apply sunscreen to your kids in the morning and put a tube in their school bag for them to reapply throughout the day.
- Don't forget to apply to the neck, temples, ears, lips, face and nose as these are the most common sites of skin damage and cancer.
- When choosing a school hat: remember that broad brim, bucket style hats or legionnaire provide the best coverage from the sun. Our school uniform hat meets these recommendations.

Whilst skin cancer figures are alarming, they can be reduced if parents take precautions now while their children are young.

## Woolworths Earn & Learn 2015

Thank you to the families who supported our College in collecting stickers for Woolworths Earn & Learn Program for 2015. Please send all stickers and sticker sheets to the College offices by Monday 14th September.

**Lunchtime Wednesday 16th September**

Come along and celebrate with the purchase of:

- Sausage in bread—\$2
- Lamington with Jam and Cream—\$1.50
- Milo—\$1

**Australian Citizenship Day BBQ**

Come along to the front lawn outside the library to celebrate **Australian Citizenship Day**.

Watch staff and students as they battle for the title of **Tim Tam Slam Champion**

# COMMUNITY MATTERS

## COOMA/GIRGARRE JUNIOR CRICKET CLUB

The Cooma/Girgarre junior cricket club will start training on Sunday 13th September at 10 am at Cooma rec reserve. Then will follow up every wed night at 5pm till season starts.

A bbq will follow the Sunday training with drinks at a reduced price.

With Carlton and St Kilda district clubs playing a practise match will be good to watch really good cricketers in action

All old and new players welcome  
 More information contact  
 Russell Napier 0427 807 901  
 Stuart Burt 0418 375 947  
 Geoff Maher 0409 971 265

## Cooma Future Stars

**Where:** Cooma Cricket Ground, Kyabram-Cooma Rd, Cooma

**Time:** Thursday 5-6pm

**Starts:** 22<sup>nd</sup> October

Registration on first night

**Age:** 5 – 10 years old

**Cost:** \$60 per child (kit included)

**More Information:** Kate (co-ordinator): 0487302711

Russ (president): 0438942705

Cooma Cricket Club will co-ordinate the Future Stars cricket skills program designed for boys and girls from 5- 10 years old. The Future Stars offers a fun and safe environment for children to develop their cricket skills.

**MyGolf**

**Kids only CLUBHOUSE**

MyGolf is Australia's national junior golf program for kids between the ages of 5-12. A fun, healthy and safe way to start learning the basics of the game, MyGolf is a 10 week program with three levels depending on your age and skill level.

**Optional:**  
 ALL PARTICIPANTS WILL RECEIVE A FANTASTIC MYGOLF GIVEAWAY PACK

- Drawstring bag
- MyGolf cap
- PVC golf ball
- Your own golf club

**REGISTER AT MYGOLF.ORG.AU**

## Indoor Cricket/ Junior Cricket Sign Up Night

Families and children are invited to attend a night of Indoor Cricket at the Youth Club Hall at the Kyabram Recreation Reserve on Tuesday 15<sup>th</sup> September.

Registrations for all junior cricket grades for the 2015/16 Season will also be taken on the night.

Representatives will also be on site to answer questions about all grades and competitions.

**Time:** 4:30 – 6pm

**Games for any players under 12 between 4:30-5:15**

**Games for players between ages 12 -16 between 5:15-6**

**Free Sausage Sizzle**

Visit [www.kyabramcc.com.au](http://www.kyabramcc.com.au) for registration forms

Contact Nathan Pell on 0477 925 107 for more information

**Registrations include: Club Playing Shirt, Cricket Ball, and Playing Cap (for new players)**

### Grades/Competitions Available:

- Milo In2Cricket - Under 12
- T20 Blast (NEW) - Under 14
- Under 12 Girls Competition (NEW) - Under 16

**Milo In2Cricket:** Starts October 22- Thursday nights 5pm, for 8 weeks. \$75 includes a Milo kit and a Redback pack. Payment and registrations online. Contact Patrick Parsons for more info. 0401888153 <http://www.playcricket.com.au/>

## KYABRAM SWIM FAST SWIMMING CLUB

Strokes Club is aimed at children not quite ready for the rigours of full swim training. It allows them to improve their swimming with the guidance of a qualified Auswim instructor. The training is conducted in groups with members of the swim club helping each week. It is our aim to help children to improve and have fun at all levels. By participating in Strokes Club children are able to compete in the Kyabram encouragement meet and experience the excitement of racing.

More information will be provided early next term, including registration requirements.

Thank you  
 Kezia Talbot
