"Excellence Through Opportunity"

Dear Parents and Friends,

We are in lockdown once again, and once again our staff are quickly transitioning back into delivering lessons remotely. In homes all over Victoria, parents will be bracing themselves for the task of supporting the learning of their children. We know this can be tough and this is taken into consideration when planning learning tasks to be completed at home. Our message to parents is simple. Do your best to support your kids, just as you always do. This may mean putting a bit of pressure on or it may mean encouraging them to take their foot off the pedal. You know your children better than anyone and while learning is our core business, our students' mental health and wellbeing through these unusual times is the priority.

Here is a little anecdote that might help you as you are working with your children. I was obviously a teacher for many years before stepping into Principal roles. While teaching the perfect lesson may have eluded me over those many years, I felt that I had crafted my trade well enough that I could consistently support my students to study well in a calm environment conducive to learning. During remote learning with my 5 and 7 year old, however, it was a different story. My wife, who is also a teacher, and I battled through remote learning exhausting both our teaching and parenting tool kit. In the end, although it was not perfect, we knew that we had done our best and were extremely thankful for the work and support that our children's teachers had provided.

Hopefully we will be back in classes at Kyabram P-12 College by Friday and our normal program will again support our students learning. I would like to remind parents that we will be having a Pupil Free Day on Tuesday, June 15th. We understand that given the current disruptions that this timing is not ideal. The College has already engaged the services of an educational consultant that we have been working with for some time, so we are unable to change this date. The learning that we will engage in on this day, which will largely be around improving student literacy skills, is vital to the continual growth we strive for at Kyabram P-12 College. While staff will be at school engaging in professional development, we deliberately placed this professional learning opportunity for staff at the end of a long weekend to support family's ability to take advantage of the break.

Stay safe and look after yourselves. Please do not hesitate to contact the College if you believe there is something we can help you with.

Primary Principal' Report

Kate Whifford

Well here we are again, learning from home. Hopefully this lockdown will only last the seven days as planned and we will all be back on site next Friday the 4th June. Thank you to the staff for frantically organising work and Seesaw codes so all students received a pack before they left yesterday. Students should bring completed work back to school on Friday. The work provided should not create angst or stress for families. If you have any questions or issues please contact your child's teacher, myself or the office for support.

Education Week

Thank you to staff, students and parents for your extra efforts during Education Week and your flexibility with all of the changes to our regular programs. Although our week was shortened and impacted by the weather we still managed to squeeze in some fun activities and opportunities for our students, such as our dress up parade, talent quest, Bendigo excursion, firefighter visit, European handball competition, P-6 reading, P-4 Maths games and rainbow serpent art. A special mention to Rossy for being MC at our dress up parade and Mrs Meeking for organising the talent quest. What a fun few days full of activities and celebrations. So nice to see parents back onsite, even if it was only outside.

Events Postponed

Unfortunately we were forced to cancel our 2022 Prep information sessions, our family picnic and several representative sports days. Communication regarding the rescheduling of these events will be made available once the lockdown is over. Thank you to everyone for your flexibility and patience.

Student Details – for Update

This week parents have been emailed their individual child's information which the College have recorded in our school systems.

It is important that we have accurate details for your child and family, in particular with regard to medical plans and emergency contact information. The parent occupation and education information is also important and we would like to ensure our records are up to date. The information gathered is utilised by the Department of Education and Training to determine aspects of our funding.

This information is strictly confidential and is only used to collect school data. Your information is protected by the Privacy Laws.

Please return this information to the College Office as soon as possible. This document does not need to be printed, please review and email changes back to the College with your family name in the email.

For those families who have not given their email address, this information is being sent home over the coming days in hard copy. If you would like to receive future correspondence via email, please contact the office on 58512100.

Saver Plus

Saver Plus is a Berry Street program which helps to support families in a saving program. Over recent years some of our college families have taken up this offer and we have had great reports back. Please see below some information from the Saver Plus Team and contact them directly if you would like to take part or would like further information.

Did you just pay your Back to School costs for the 2021 school year?

Would \$500 help with costs like school uniforms, shoes, iPad/laptop, books, and extracurricular activities for 2022?

Saver Plus is a free ten-month program that provides financial education and matches your savings goals dollar for dollar, up to \$500.

- ✓ Build money management skills
- ✓ Become a regular saver
- ✓ Achieve financial goals

Saver Plus is delivered in the Kyabram P-12 School Community and Moira/Campaspe region by Berry Street. All eligible parents are invited to join the program. Upon completion, ANZ will match your savings up to \$500 for education-related expenses.

To be eligible to participate in Saver Plus you must:

- be 18 years or over; and
- be a parent or guardian of a student attending school, or be attending or returning to vocational training yourself; and
- have a current Health Care card or Pensioner Concession card and an eligible Centrelink payment; and
- have some form of regular income from work (you or your partner). (Child support considered income)

Parents' Club Meeting – forward notice

Our next Parents' Club meeting is scheduled for **Monday June 7th at 7:00 pm in our College library** and we look forward to catching up then. If you would like more information about Parents' Club and how you can be involved, we would love to hear from you. Please phone the office on 58512100.

CSEF

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child. The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

HOW TO APPLY

If you haven't yet applied, please contact the College Office on 58512100 before June 20th so that we can help you with an application form.

Cross Country

Kelsey O'Neill

It was a great day at 208 Primary School, Echuca for our 53 runners that competed in the Campaspe Division Cross Country. They had been training all term and it paid off. We have 10 students who made it through to Regionals. All students displayed the school values throughout they whole day and they all should be proud of their efforts.

SAFE BUS TRAVEL

Welcome on board. Enjoy. Be aware.

- Leave home with plenty of time to get to the bus stop 10 minutes prior to the scheduled departure time.
- Always walk as far away from the road edge as possible.
- Do not push others when the bus is approaching the stop.
- If you are using headphones these **MUST** be removed before leaving the bus as they distract you from being fully aware of danger.
- **Make sure you always treat the driver with respect. They have the important job of getting me, you and others to school and home safely.**

ROAD USERS - Please slow down and be aware around bus stops. Look out for the lights flashing on the outside of the bus, which means children are leaving or boarding the bus.

Do stand well back when at the bus stop and wait until the bus has completely stopped.

Never cross in front of the bus. Never cross the road until the bus has moved away.

Do wait until the bus moves well away and you can see clearly in both directions, before crossing the road.

Do sit down on your seat quietly and quickly. If there are no seats, move to the back of the bus and use the handgrips on the side.

PARENTS & CARERS - Parking or waiting opposite the bus stop is dangerous and is one of the most frequent causes of accidents at bus stops. All children, especially little ones, are excited to see you after a day at school and are likely to run across the road to meet you.
