Principal's Report

Paul Tozer

"Excellence Through Opportunity"

Dear Parents and Friends,

I will take one last opportunity this term to thank our wonderful school community for the support we have had in our role of educating our students. I have seen the remarkable efforts of our staff to do what has been needed to support student learning and wellbeing during the pandemic, but the bulk of that work would have been for little during lockdown phases without parent involvement.

We were very pleased to receive our college NAPLAN results, which are one of the many ways that we monitor the learning progress of our students. Overall, the growth of our students remained relatively stable when compared to recent learning trends. Everyone, including most of all our students, should be congratulated for this.

We remain hopeful that we will return in Term Four with a full complement of students at school and that this will remain the case throughout the rest of the year. However, we are prepared for anything that eventuates and know that through working to our college values and continuing to work in a partnership with our families, we will meet any challenge that is set before us.

To our students, there may be a little homework, but there will be plenty of time to relax and enjoy yourselves. Try to do at least a little bit of reading every day as not only will you find the enjoyment in it, but there is also no better investment in you education.

I wish everyone a very happy and safe holiday break.

Paul Tozer
College Principal

is a Child-Safe School"**

Business Manager's Report

Jan Prior

I-Pad Draw 2021

The College are excited to let our families know that for the fourth year running we will be holding the I-Pad Draw.

Kyabram P-12 College works in close partnership with parents and the broader community to provide the best educational opportunities and outcomes for students, both inside and outside the classroom. Through this partnership, parents make an important contribution to their children's education, in all its various forms, to enrich the school's learning and teaching. The commitment from parents to contribute benefits students, and results in improved achievement outcomes, wellbeing and engagement in learning. This is why parent contribution is highly valued by our College.

One mini-iPad will be drawn for both Primary and Secondary families, by the College Council President, at the December Council meeting. To be eligible, 2021 materials and resource costs need to be paid in full by the end of November, or alternatively, a current payment plan is in place and has been followed. If you have any queries about this, please contact me at the College.

News from the Canteen Team

Our College Canteens at both the Primary and Secondary Campus' will be open with full menus in place for ordering, from term four – pending the return to onsite learning.

A change has been made regarding the serving size of Chicken Nuggets on our Primary Canteen Menu and from term four, Chicken Nuggets will only be available in bags of 3 nuggets, price \$1.80. Multiple bags can be ordered if preferred. At the Secondary Canteen, Chicken Nuggets continue to be available in bags of 6.

Kyabram P-12 College are continuing to use the CBA 'QQR' App for ordering lunches at our canteens and this has been a great success with many families taking advantage of this time saving option. Parents can order and pay for school lunches reducing the need to bring cash to school; see your receipts on the app and get them sent to you by email and on those days when you might be running late, CBA QQR ordering is a great help. Canteen orders are also still available in the usual way.

Specials are available each week, including ice-creams back for term four!

Years 7-12 Virtual Bookstall 2022— coming up in term four

For our 2022 school year, we will be continuing with the online virtual bookstall. Feedback from parents has shown that this was a great success in 2020, given the current Covid-19 position and ease of ordering. Students will commence their 'Flying Start,' (early commencement program), on Monday 22nd November and in week one of Term 4 we will be emailing out information to families regarding how the online bookstall will operate. As part of this program for 2021, we have negotiated with the company providing the books, that there will be no charge for postage to families as long as orders are placed by October 25th.

Please look out for the information being emailed to you during week one, term four.

Thank You Parents

Thank you especially to our parents for your continuous support during the remote learning time. The success of our students wouldn't have been possible without your efforts and dedication! I hope that during the term break, you can now take some time for yourselves and we look forward to seeing all year levels back as soon as we can.

Secondary Principal's Report

Todd Woodfine

End of Term Assembly

On Friday our College captains, Charlee Booth and Jack Norris will conduct our end of term virtual assembly. Our captains will promote the significance of following our school values and reiterate the importance of students doing your best at all times, being at school or working remotely.

During our assembly we will award six students in each Year Level a \$10 subway voucher and a Values Award based on three of our College values; Resilience, Responsibility and Doing Your Best. And I would like to congratulate our students who received our College Value Awards this term.

Rio Tinto Science Competition:

Every year students at Kyabram P-12 College are given the opportunity to challenge themselves by competing in the Rio Tinto Big Science Competition.

The competition is open to students from Australian and international schools from Years 7 to 10.

The Big Science Competition is a 50-minute, multiple choice competition testing science knowledge, critical thinking and problem-solving skills.

This year there were eighteen students who took part in Term 2. Congratulations to the following students who received an award:

Distinction: Evelyn Browne and Nikolai Page (Year 7); Kaleb Snelling and Julian Wanless (Year 10).

Credit: Xander Griffiths, Matilda Sowter and Ace Warde (Year 7); Xavier Melhuish (Year 8); Angus Harding (Year 10).

General Achievement Test

The GAT will be held on Tuesday 5th October 2021. The health, well-being and safety of students and staff is our main priority during this time and we will be implementing specific health controls in the lead up to and on the day of the GAT.

Sun Smart School

A friendly reminder to families and students that we are a SunSmart school and staff and students are required to wear a broad brim hat when outside in the school yard during term 4

I really appreciate the patience and support that all of our staff, students and families have displayed throughout this term. I hope everyone has a safe and relaxing holiday and I look forward to having all of our students at school next term.

Todd Woodfine

Primary Principal's Report

Kate Whifford
Welcome Back

This week we welcomed back our Prep, One and two classes. Thank you to everyone for the calm and positive week you have provided. The P-2 classrooms have been settled and students are enjoying the chance to be back with friends in a familiar environment. We are hopeful we will have all year levels back onsite after the holidays.

Thank You

I would like to thank our staff, parents and entire school community for the calm way you have all supported our students and one another during this recent lockdown. It has once again been a challenging time for everyone as we do our best to follow the guidelines and restrictions put in place. It is obvious that we all want to do the best we can for the kids in our care. Enjoy the school holiday break– you have all more than earned it.

Progress Reports

Term 3 Progress reports were printed and given to P-2 students and posted to 3-6 students today.

NAPLAN

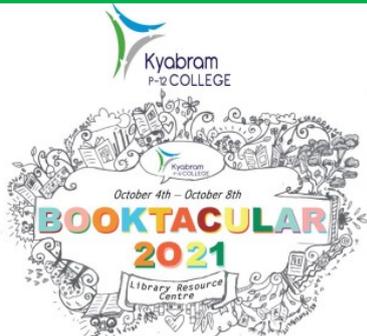

Last week we have received the NAPLAN results. These were sent home to students in grades 3 and 5. If you have any questions or concerns please contact your child's teacher or myself.

Sports Update

Sarah Mangan

Here are some updates regarding interschool competition.

State Championships

Cancelled School Sport Victoria State Championships:

The following State Championships have been cancelled for 2021, due to the limitations in completing the progression through to a State Championship during Term 4:

- Primary and Secondary State Track and Field Championships
- Primary Basketball, Cricket, Softball, Volleyball

District/Division Competitions

- Depending on advice that interschool sport can resume, we will endeavour to conduct interschool sport at Primary District levels to maximise school and student participation in school sport. Any interschool sport would be conducted in line with advice from DET Schools Operations Guide and community sport guidance. This could include the 3/4 and 5/6 Summer Sports as well as the P-2 Kaboom Sports.

Region Competitions

- This will be dependent on restrictions going forward and what can feasibly be conducted in the time remaining.

We will continue to keep you up to date, the biggest impact this will have will be on our students that were in the Athletics team. Still hoping that there may be one more level of competition for these students this year, but this unfortunately won't progress to state level. Further information can be found on the School Sports Victoria website.

<http://www.ssv.vic.edu.au/> or contact Sarah Mangan – sarah-jayne.mangan@education.vic.gov.au

P-2 COLOUR ME HAPPY

Concert

Sue Meeking

The show will go on!

An alternative date has been pencilled in for the P-2 concert. We are looking at week four and will confirm dates at the start of term four.

There is always an element of doubt planning during restrictions so we want you to know that the children will perform their items either in two live concerts or on film for their families to enjoy.

Remember the costume items: black shoes and socks and plain blue pants will need to be in a named bag, at school, before concert time. We will understand if school uniform is slightly compromised during concert week.

We will still be looking for helpers so hang on to the helpers notice or return to Sue, please.

Tickets will be sold at the door each concert night.

Any enquiries can be directed to Sue Meeking susan.meeking@education.vic.gov.au

Grade 3/4 Bush Dance

Thursday, October 14th

6:30pm

Sue Meeking

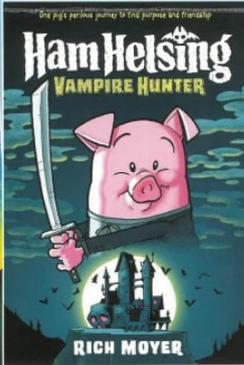

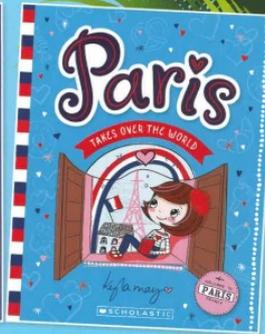

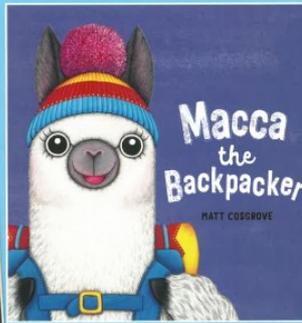

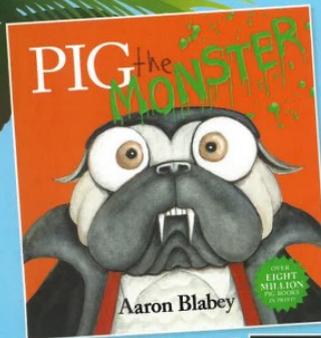

All being well the second week of term four will see our grade 3/4 crew spend the day polishing up their dancing shoes by learning a few bush dance steps with the Billy Tea Bush Band. At 6:30pm that evening all members of their families will be welcomed to the school hall to also enjoy a free, fun for all, bush dance. Please put this date on your calendars!

We are staying tuned to the restrictions to see how this all pans out and if we need to find a third alternative date.

You're invited to our Scholastic

BOOK FAIR

Reading Oasis: A Cool Place to Discover Hot Books!

Find these books and hundreds more at the fair!
