Acting Principal's Report

Kate Whitford

"Excellence Through Opportunity"

Dear Parents and Friends,

The Victorian Government recently announced a 6-week extension of the COVIDSafe measures for schools. These are the same measures introduced for 4 weeks at the beginning of Term 1 and will now be in place for the remainder of Term 1, subject to any changes in health advice. I will update and remind our families of the measures in place once I receive confirmation and see the latest version of the school's operations guide.

Rapid Antigen tests

In line with the extension the Rapid Antigen testing will continue with more test kits being shipped out to schools. These tests are in place to support early detection and prevention of infection. Students and staff are encouraged to -

- Test twice weekly, on days that suit families – no particular days are prescribed, one suggestion is Monday and Wednesday, or Tuesday and Thursday.
- report any positive test results to the school, so we can support the student through the isolation period and the Department of Health online or 1800 675 398.
- Close family contact must also isolate for 7 days.

Staff are also catching COVID. Today we had 11 staff absent - managing class coverage is becoming a challenge so please bear in mind there is every chance your child may not have their regular teacher if they are required to be in isolation.

Mask Compliance

If your child is in Years 3 to 12, please make sure that your child is coming to school with their own mask, and that you have spoken to them about the urgency and importance in wearing them at all times when inside (unless lawfully exempted). We have already had multiple student and staff infections at school this year. For your child's protection, for everyone at home and for the safety of others, please support us by reminding your student to wear a mask when inside at school. We want to teach, not be the mask police. We also want to be safe.

Building Update

Plans to create our new school spaces are well underway and moving along behind the scenes of the everyday work of the school. The plans include an exciting new Wellbeing Hub which will centre on the needs of our students and give them a central place to go to and be supported. Also included is a P-12 Office where the Administration Team can provide assistance for all of our college students, families and community. We will also be building a new library resource centre including information technology resources as well as a brand new canteen with undercover areas for students. Importantly, the canteen will remain sectioned to year levels so that our littlies and our teenagers have their own space.

This week the architects walked through with four local building companies who plan to put in a tender offer. We are also working closely with our Kyabram Legacy Group to manage the relocation of the Lone Pine Tree and how this will be celebrated.

College Council

In this edition of Channels, you will see an application for our College Council. This is high level support for not only your child, but for all of the children in our school community. I encourage all of our parents to consider nominating for this important role within our College. I would also like to thank all of our current College Council members who are fantastic in their diligence towards making decisions in the best interests of our students.

Privacy Reminder

Our school collects, uses, discloses and stores student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' Privacy Policy](#). Please take time to remind yourself of our school's collection notice, found on our website <http://www.kyabram-p-12.vic.edu.au/index.php/school-documents/school-policies/>

For more information about privacy, refer to: [Schools' Privacy Policy — information for parents](#)

Parent Teacher interviews rescheduled

Our Term 1 interviews have been rescheduled to Wednesday the 16th of March. Students in all year levels will be dismissed at 1:30pm. If restrictions are still in place preventing parents from being on site, this interview opportunity will still go ahead via WebEx or over the phone. As a college we value parent input and feel this connection helps scaffold and embed the relationship between school and home, at this time more than ever. Information regarding booking your child's interview time will be provided in the coming weeks once restrictions from the Department are provided.

Kate Whitford

Kate.Whitford@education.vic.gov.au

Kyabram P-12 College Council Elections 2022

NOTICE OF ELECTION AND CALL FOR NOMINATIONS

Nominations are now open for five parent vacancies, two staff vacancies, and one student vacancy on our College Council. If you are an enthusiastic parent, student, staff member or community member interested in getting more involved and having a say in what our school is doing, or know someone who is, we would love to hear from you. We are looking for people who are committed to improving the educational outcomes for all our students.

Effective councils have a broad range of experience, skills and expertise. Face-to-face and online training is also available to help councillors develop the skills and knowledge for the job. Parents find their involvement satisfying and may also find that their children feel a greater sense of belonging.

Nominations close on Friday February 25th 2022 at 2:00pm and forms are available from the College office.

School Councils play a vital role in the educational opportunities and outcomes of all students at the school. In essence, the role of School Council is one of setting the long-term future for the school and maintaining oversight (not management) of the school's operation. I would like our parents and staff to consider nominating for Kyabram P-12 College Council in 2022. Nomination forms for College Council will be available to collect from the offices in our school, from Thursday February 17th, 2022 and close on Friday February 25th, 2022. The Annual General Meeting will be held on Wednesday March 16th 2022 at 6:30pm. Please continue reading below for further information.

School Council Elections – Information for Parents

What is a School Council and what does it do?

All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the college provides for its students.

Who is on the School Council?

There are three possible categories of membership:

- **A mandated elected Parent member category.** More than one third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child's college as long as they are not employed at the school.
- **A mandated elected school employee member category.** Members of this category may make up no more than one third of the total membership of school council. The principal of the college is automatically one of these members.
- **A mandated elected Student member category** – members of this category are enrolled at the school and in Year 7 or above.
- **An optional Community member category** - members are appointed by a decision of the council because of their special skills, interests or experiences. Department employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider:

- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on college council?

Each member brings their own valuable skills and knowledge to the role, however, in order to successfully perform their duties, councillors may need to gain some new skills and knowledge.

It is important to have an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for nominations in Term 1 of each year. Council elections must be completed by 31st March, unless varied by the Minister for Education.

If you stand for election, you can arrange for someone to nominate you as a candidate or, you can nominate yourself in the parent member category. You can only be nominated by another member of the same electorate that you are eligible for (e.g. a member of the parent electorate may only nominate another parent of that electorate).

Department employees whose child is enrolled at a school where they are not engaged in work, are eligible to nominate for parent membership at that school.

Return your completed nomination form to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt via post, email or by hand delivery.

Generally, if there are more nominations received than vacancies a ballot will be conducted in the two weeks after the call for nominations has closed.

Remember

- Ask at the school for help if you would like to stand for election if are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections (if this occurs)
- Contact the Principal for further information.

The terms of office, membership categories and number of positions in each membership category open for election are as follows –

<u>Membership category</u>	Term of office	Number of positions
<u>2022</u>		
Parent member	From the day after the date of the declaration of the poll in 2022 to and inclusive of the date of the declaration of the poll in 2024	5
School employee member	From the day after the date of the declaration of the poll in 2022 to and inclusive of the date of the declaration of the poll in 2024	2
Students	From the day after the date of the declaration of the poll in 2022 to and inclusive of the date of the declaration of the poll in 2024	1

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

Primary Principal's Report

Todd Woodfine

Welcome

I would like to take this opportunity to welcome back our students and their families to our college community and a warm welcome to all of our students who are attending our school for the first time.

As the Acting Primary Principal for Term 1, I have thoroughly enjoyed spending time in the classrooms and in the yard getting to know our students and have really appreciated when students have introduced themselves to me.

It has been a very hot start to the year, however it is pleasing to see our students in full school uniform, wearing a hat outside in the yard and displaying our school values.

I had the pleasure of announcing our school captains during our Monday afternoon assembly and I would like to make known to our school community that our 2022 primary school captains are: Sophie Moore, Matilda Griffin, Ruby Thomson and Katelyn Munro.

I would also like to announce our Term 1 class captains:

Prep: Zarli Busch, Evie Davidson, Fletcher Liddell, Finn Archard, Ivy Curling and Isla Coombs.

Grade 1: Archie Andison, Tilly Duckworth, Madison Canny and Harry Walley.

Grade 2: Elara Gill, Daniel Te, Indigo Busch, Noah Virivirilau, Owen Johnstone and Zoe Mangan.

Grade 3/4: Cooper Grinter, Indi Baumann, Hunter Timmermans and Emily Croxford, Scarlett Matthes, Isabelle Condell, Robert Ratokala, Cas Bulado, Riley Jones and Georgia Wills.

Grade 5/6: Cooper Rodriguez, Babah Baria, Larni Heazlewood, Lara Smith, Oliver Walley, Dakota Jones, Ewan Walsh, Vika Yarygin, Zak Virivirilau, Jedda Booth, Jorge Mclean and Asher Porch.

Performing Arts

Sue Meeking

Dear Families,

I am taking the opportunity to introduce myself via the newsletter. Many families will know me as the Primary Performing Arts teacher as I have been teaching music, dance, drama and media arts for a long time now. I currently teach the Prep, Grade one and Grade two classes for one session each week.

I love sharing this subject because of the personal growth opportunities it offers our students. It can be challenging, fun and offers the chance for students to practise thoughts from different perspectives, to think 'outside the box' and to 'have a go' at new things. There is no need to think of the subject as teaching a child how to be an actor or musician although some of our students have gone on to do well in these professions beginning in our classes. It is a chance to pretend, share imagined stories, gain confidence, understand emotions and explore music via instruments, dance and voice. It stretches your children's life experience.

In our school I also organise some arts events, arrange visiting performances and support the instrumental program. I teach recorder as a way to learn to read music and I run the Primary Singers project (when Covid allows). This year 20 of our singers will be involved in State Schools Spectacular!

Learning a musical instrument through our school is a gift to your children! Our lessons are very well priced and offer expert tuition. Some instruments are offered in a free 'come try' initiative. Information about our program goes to every family towards the end of each year in the information pack. From the returned forms we set up learning groups for Grade 2 to Year 12.

I also keep an eye out for our Indigenous students. I help them to learn more about being a first Australian and encourage their pride in their precious heritage.

For information about any of the work I do in our school please email me or leave a message for me to return your call at our office. I enjoy chatting about your children any time you feel I can help.

All the best for an enjoyable 2022 to you all,

Sue Meeking

susan.meeking@education.vic.gov.au

Primary Sport in Term One

Sarah Mangan

We are very fortunate to be a part of the Campaspe Sports Division as our students are able to participate in a large number of sports throughout the year.

This term students can choose to sign up to the following sports:

Swimming – Grade 4-6 – Selected students will compete on 24th February.

Tennis – Grade 5/6 – Selected students will compete on 9th March in Echuca.

Lawn Bowls – Grade 5/6 (after school trainings at Kyabram Bowls Club Mondays at 3:45pm – students need to attend 1 session to learn how to play) Selected students will compete on 4th March.

Team Tennis – Grade 5/6 – Selected students will compete on 25th March.

Permission and information will be available via Compass as soon as students are confirmed.

We encourage students to try a wide variety of sports, sign ups have occurred for these sports. Please note that when students sign up they are committing to be a part of the team and competing at the event. If your child has missed the sign up, please get them to see myself or Kelsey O'Neill or you can contact either of us via compass.

Please be aware that some of these events do have short turn a round between signing up, trials and competing. We have already commenced Lawn Bowls, Swimming trials and Tennis was today. Thank you for your patience with this.

Looking forward to watching our students enjoy representing our College!

Splash and Dash Colour Run

We are yet to finalise a date to hold our “Splash and Dash” colour run event due to Covid restrictions, however we will commence fundraising in the hope we can hold the event soon. Please see further details in this issue of Channels and next week fundraising information will be sent home to all families.

Here are a few photos to remind you of how good it was in 2020!

Little Laps Club – Sarah Mangan and Kaitlyn Souter

Little Laps Club is a great way for all P-6 students (Secondary can join too!) to build their stamina as we move towards our cross country (last week of Term 1). We encourage all students to join us from 8:35am on a Wednesday morning each week. Run or walk and don't worry if you are late you can just join in when you arrive.

Primary Cross Country will be held in the final week of Term 1.

Swimming Program

Our swimming program conducted by trained and experienced Aust Swim teachers, is a fantastic opportunity for students to develop their ability to be safe in and around water. Our 5/6s have been very lucky with the weather! Hopefully our 3/4s are too! This program is a compulsory part of our Physical Education program. It is expected that all students join in and benefit from this opportunity which is funded by the school.

7-12 Campus Principal Report

Louise Mellington

Welcome

I would like to take this opportunity to welcome back all students and their families to our college and a warm welcome to all of our students who are attending our school for the first time. Classes are settled and there is a good vibe as you walk around. I am also excited to announce we have a number of staff starting work at our college for the first time. These staff are John Fraser – Technology, Josh Thurston – Physical Education, Caitlin Udy – Humanities, Karen McCulloch – Maths/Science, Courtney Storen – Arts and Emma McGrath – Disability and Inclusion. We also have Beck Mulholland working in our VCAL area.

Who do I contact?

Term 1 2022 sees some changes to roles in the 7-12 Campus. If you need to make contact with Year Level Coordinators or Learning Community Leaders the following people are your contacts:

- 7-12 Campus Principal – Louise Mellington
- 7-9 Learning Community Leader – Fiona Wallace
- 10-12 Learning Community Leader – Sonia Layton
- Year 7 Coordinator – Renee Howell
- Year 8 Coordinator – Angela Heale
- Year 9 Coordinator – Claire Bourke
- Year 10 Coordinator – Brad Mellington
- Year 11 Coordinator – Marion Martin
- Year 12 Coordinator – Kerry Gannon and Brad Mellington
- Wellbeing Leader – Karli Myers

School Uniform

It is very pleasing to see our students in full school uniform. A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Families can access our college uniform policy on our new school website. I would also like to remind students and their families that running shorts are not part of our school uniform.

SunSmart School

Please encourage students to wear a hat when outside during school hours. Students can borrow a hat from their Year Level Coordinator during Term 1. I have sunscreen available for students during recess and lunchtime.

Support for students to complete work at school in Years 7-12

Sometimes students need support to complete work outside of class time. At 7-12, we offer a Workbusters session every lunchtime in a computer room. This session is staffed and teachers may recommend that students attend to catch up on incomplete work or to get extra support with their work.

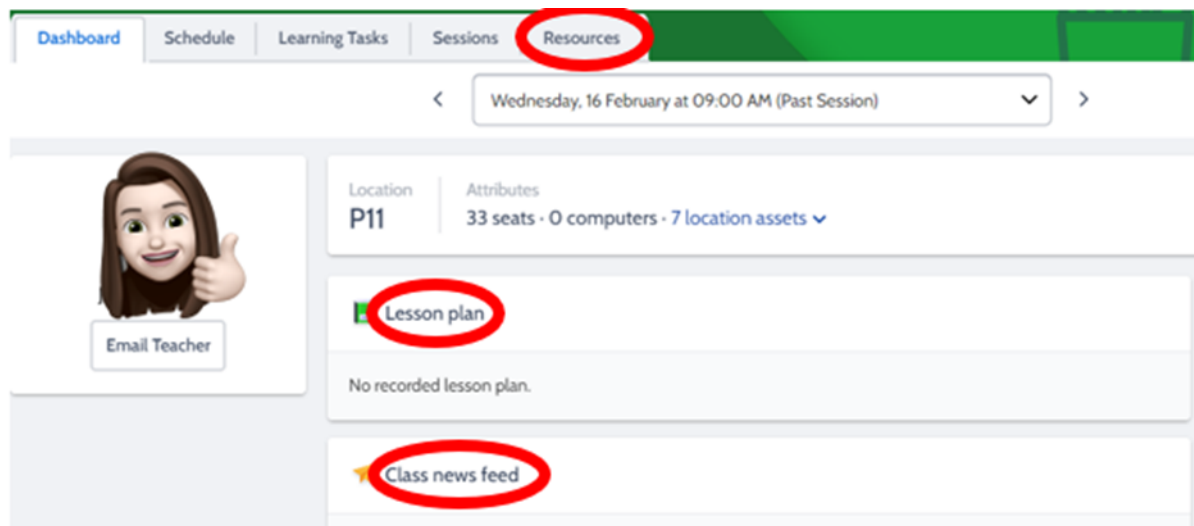

If a teacher recommends a student attend Workbusters, this will appear on their Compass schedule and caregivers at home will receive an email to let them know their child has been placed in Workbusters. This program is NOT a punishment, but an opportunity for students to get extra support with their learning during lunchtime if needed.

Students may also choose to attend Workbusters at any lunchtime to get work done.

Work for students learning from home in Years 7-12

As we navigate this new phase of the pandemic, we are adapting the way we support students who are learning from home. We understand that students cannot always complete work from home, but are committed to providing access to learning for students who do need to learn from home from time to time.

Work for students will be provided by classroom teachers in the class area for each subject on Compass. Parents and students should be able to see this work by clicking on the relevant class in the Compass schedule. When you access a class page, it will look like this;

You can click through the dates at the top to find the relevant date (today's date will come up first). Work will either be in the Lesson Plan section, or the Class News Feed section. Resources will be attached to either of these, or in the Resources tab along the top of the page.

You can also email the teacher if you need any support by selecting that option under the teacher photo on the left.

Louise Mellington

Louise.mellington@education.vic.gov.au

Canteen News

Sheila Carruthers

Welcome back to a new school year. Both our canteens are in full swing although we are having difficulty in obtaining some goods so please be patient if we are unable to provide some items from our menu.

Our vegetarian range has increased but we do ask you to pre-order these items in order to avoid waste.

At the Primary Campus Chicken Nuggets are packaged in bags of 3 so please order by the bag or multiple bags.

Sanitiser is available at the canteen so students can sanitise their hands before they eat their lunch and be as Covid safe as possible.

Business Managers Report

Jan Prior

Office Arrangements

Welcome to our new and existing families to our College for 2022. We are 'raring to go' for a great year and our Office Team can be contacted on 5851 2100 for any enquiries.

Staff Office hours for 2022 are:

Monday and Friday 8:15am – 4:00pm

Tuesday, Wednesday, Thursday 8:15am – 4:30pm

Camps, Sports and Excursion

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amounts this year are \$125 for eligible primary school students and \$225 for eligible secondary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions and sporting activities for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 5851 2100 and ask for an application form.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page at <https://www.education.vic.gov.au/about/programs/Pages/csef.aspx?Redirect=2>

Check with our Office Team if you are unsure, and please return completed forms as soon as possible.

School Crossing and Dropping Students Off

It is important that when students are arriving and leaving either of our College campuses they use the crossings provided for their safety. Parents / guardians walking their children to and from school are asked to provide a good example by using the crossings as well. When children are being dropped off, parking near a school crossing outside the designated parking bays is dangerous and illegal.

The College Drop Off and Pick Up Bay in Fischer Street is the preferred point of transfer for your child to school. The drop off bay is supervised by a staff member in the morning and afternoon. When dropping off or picking up students, please ensure you move forward in the bay to ensure the traffic is not held up. This will assist in making it easy for cars to pass in the bay. To ensure the safety of everyone the speed limit in the Drop Off and Pick Up Bay is 5 km/h.

In the College main car park, there are two designated visitor's parking spaces have been provided for longer stays and also a disabled car parking space.

Could parents please remember that both of the college car parks on Fischer and Haslem Street are designated for staff parking only.

Thank you for your support and co-operation in keeping our children safe.

Tongala Industry Day

Mitch Coombs

On Monday, 65 senior Kyabram P-12 College students attended a presentation in school and heard from various industries including Greenham's, CopRice, SLTEC Fertilisers, Campaspe Shire Depot, Tyler's dairy farm and the industry bodies of Murray Dairy and Dairy Australia. The students learnt about key local employers, local jobs, their current and future workforce needs, the skills required to work in these industries and many of the industry representatives shared their own interesting non-linear career journeys, about how they progressed to where they are today.

Brett Scoble, Plant Manager at Greenham's, "I was pleasantly surprised by the level of engagement of students and interest shown about our organisation and industry from both males and females".

This is the first stage of an exciting school to industry local initiative to promote current and future entry level skilled career opportunities for young people at Greenham's and other key local industries in Tongala including: SLTEC Fertilizers (Sustainable Liquid Technology), Tyler's (Dairy), Campaspe Shire Depot and CopRice.

Greenhams, Kyabram P-12 College, Campaspe Shire Council and Shepparton Industry Training Hub, are collaborating on this exciting initiative.

The second stage of the initiative involves a Tongala industry site tour. Next Friday, students will visit the local industries on site in Tongala.

Greenham's, a major sponsor, are thrilled to help drive this local initiative. Greenham's are expanding and transforming its Tongala beef plant from a hot-boning only manufacturing beef facility into a high-quality chilled beef processing site over the next 12 months. The expansion at Tongala will create 230 new full-time job opportunities. Opportunities will exist in skilled, semi-skilled and unskilled roles. With the expansion, they need to build a future workforce and would love to attract more young people to the sector.

Brett Scoble, Plant Manager at Greenham's, "We are thrilled to be part of a great local initiative to promote local career pathways. We are transforming the Tongala beef plant into a state of the art facility. The multi-million dollar project is a really exciting opportunity for our local region and we would love to build our future workforce and get young people excited about the industry and working for Greenham's and challenge people's ideas about the meat processing industry. "

Kristen Elliott from the Shepparton Industry Training Hub, a Commonwealth initiative, funded by Department of Education, Skills and Employment, that aims to create stronger links between industry, employers and schools explained "this school to industry collaborative project encourages and supports young people to better understand and aspire to choose Vocational Education and Training (VET) pathways into work and areas of local skills need, addressing key skills gaps and shortages, so employers have a future pipeline of young skilled workers in the local region".

1800 FUN RUN (386 786)
INFO@SCHOOLFUNDRAISING.COM.AU
SCHOOLFUNDRAISING.COM.AU

The Fundraising Group (Australia) Pty Ltd
ABN 44 090 756 488

Dear Parent/Guardian,

We will be holding the *School Fun Run's Splash & Dash* as a major fundraising event this year on **a date that will be confirmed!** We're doing it to raise much needed money to **put towards increasing the Physical Activity amongst our students by subsidising sporting events, purchasing equipment to use at lunchtimes and providing extra opportunities like before school clubs and lunch time activities.**

About the Day

The *Splash & Dash* is all about Fun! It will be a huge colourful water fuelled mess and is undoubtedly one of the most exciting days on our school's calendar, with everyone's participation the aim, so please make sure they attend of the day and cheer the other kids on! **This will be an afterschool event, free of charge for those that fundraised. All other community members welcome to join in the fun at a cost of \$10 per person or \$20 per family!**

How Does My Child Fundraise?

Firstly, go to schoolfunrun.com.au and create a student profile page. Everything to do with your fundraising revolves around this page.

Students who raise just \$10 will be able to choose a prize! The more they raise, the better their reward – don't forget to check these out in the sponsorship form! We have educated students on the dangers of door knocking without supervision, and we encourage you to reiterate this at home. The great thing about online fundraising is that you can share the link to your child's profile with friends and family via email, SMS and [Social Media](#).

Online Fundraising

The easiest way to help your child raise money is through online fundraising, where students raise an average of \$120. On top of raising more money, it's also safer and easier than doorknocking and you don't have to worry about handling money! To start fundraising online, go to your student profile page at schoolfunrun.com.au and share your online fundraising link.

Competition Time

To get our event off to a flyer, we're starting our *Splash & Dash* with a super easy competition! The class with the most online profiles registered by **Friday 4th March** will win a class celebration! To help your child's class win, simply create your profile at schoolfunrun.com.au.

Getting Involved

Not only can you support the school and students with your sponsorship – but you can join in on the fun! We would love to welcome parents and family members to attend the *Splash & Dash*. If you would like to volunteer on the day, please contact me on the details below. I can't wait to see you at our event!

Ordering Prizes – ALL PRIZES MUST BE ORDERED ONLINE Please contact your school's coordinator if this isn't possible.

Prizes MUST be ordered between the **19th March** and **30th March**. Simply visit schoolfunrun.com.au to create / log into your Profile Page between these dates. Then click on the 'CLAIM YOUR PRIZE' button and follow the prompts. If you have any questions, please contact the *School Fun Run* team on 1800 FUN RUN and they will gladly assist!

Looking forward to a fabulous event!! Sarah Mangan
