Acting Principal's Report

Todd Woodfine

"Excellence Through Opportunity"

Dear Parents and Friends,

Kyabram P-12 College are excited to be upgrading and modernising several areas across the school with two Victorian School Building Authority (VSBA) projects with the predicted date of completion and handover is September 2023.

The new Ky P-12 Central area will boast a new Wellbeing Hub. This space will see students able to access Wellbeing Staff, Chaplains, Youth Worker, Mental Health Practitioners, Koorie Education Support Officers, and will be accessible to all students. This area will also provide space for visiting Occupational Therapists and other services. The Wellbeing Hub includes a central break out area, rooms for one on one meetings, with privacy and access to the outdoor courtyard and gardens.

Ky P-12 Central will also host a new administration area which will provide a centralised office for students, parents and staff across P-12. This area will see our Administration Staff and Principals working together to achieve the vision of the new college since the inception of the merger.

Also included in the upgrade will be a new library with both traditional books as well as ebooks, other electronic resources, an internet access area and a space for our staff across the college and our community to collaborate.

The College Council are also happy to be including a new canteen for students with separate areas and undercover eating spaces for our Primary and Secondary sections of the college.

The current Senior Building will be refurbished to improve acoustic quality and provide more break out spaces for both staff and students.

The Lone Pine tree at the college will also see a move and the College Council have been working closely with our local Legacy Group and specialised tree removalists to find a suitable place for this important tree. Lone Pine will move forward on the Fischer Street zone, to continue to take pride of place at the front of the College entrance.

**"Kyabram P-12 College
is a Child-Safe School"**

Attitudes to School Survey

The Attitudes to School Survey was offered to our students from Year 4 to Year 12 to complete online from 2nd May to 10th June 2022.

As part of our strategic planning, our staff utilise student voice as a means to improving student engagement, wellbeing and quality instruction. We will review our student survey results to find out what your child thinks of our school and gain an understanding of students perceptions and experience of our college. Our school will utilise the survey results to plan programs and activities to further enhance your child's education, engagement and wellbeing at our college.

Reports

Semester 1 reports will be available for students, parents and carers at the end of next week. Both student achievement and progress is included in the report.

This includes a teacher judgement against the achievement standards, assigned as a score, that accurately reflects where each student is along the relevant learning continuum for all curriculum areas taught during the reporting period.

As this will be our final newsletter for the term, I would like to acknowledge and appreciate the support that all of our staff, students and families have displayed throughout this term. I hope everyone has a safe and relaxing holiday.

7-12 Campus Principal Report

Louise Mellington

As we head into our term break, I would like to thank our students and staff for their input into learning this past semester. To our parents too, a big thanks, as you support your child's learning at home. Semester One reports will be available for you to read by the end of Semester on Compass. If you do not have a login, please contact our College office to receive this. I encourage both students and parents to read the feedback and act on the areas for improvement, in conjunction with the class room teacher.

Uniform – your support is needed

In Term 3 we need to see all students **IN FULL SCHOOL UNIFORM**. Whilst we have the majority of our students wearing correct school uniform, we do have a number of students who are wearing hoodies. These are not part of our school uniform (the Year 12 hoodie is an exception) and need to be left at home. Students in hoodies will be asked to remove them. We have a new College beanie which looks great, with a number of students wearing it. Again, I ask if you are having difficulty sourcing uniform items, please contact the College.

Yard Cleanliness

It would be great to see parents having conversations with their child around having pride in our school grounds. We have quite a lot of litter that is just dropped on the ground, even when a bin is close by. We are aiming for zero rubbish laying around in Term 3.

10-12 Practice Exams

This week our Year 10 and 12 students have been completing practice exams. These exams have given students a good insight into what it is like to sit exams in strict exam conditions following VCAA rules. It has also got them used to sitting for extended periods of time. Our students have had a fantastic attitude towards their exams and they are to be congratulated on their efforts.

Primary Principal's Report

Billy Barnes
Reports

Your child's report is a means for us, as an educational institution, to not only inform children, and their respective families of how they are progressing, but to also indicate what they have accomplished, areas for future growth and, most importantly, how we can work together for the educational, social, and emotional development of the children. On Thursday 23rd June, school reports are scheduled to go live on Compass for all families to access.

Football

Next week, our Grade 5/6 boys football team travel to Moama to compete in a Campaspe football tournament against schools from around the region. Students involved in this event please ensure you arrive on time ready to go and have the appropriate sporting attire for the day. Good luck to Mr Ross and his team of champions – I am confident you will make us all very proud.

Planning Week

To conclude the term, the students will have their all-specialist subjects occur on the same day. This gives the teachers an opportunity to collaborate and construct learning programs for Term 3. Please see below the days each year level is scheduled for their 'Planning Day'.

Monday 20th – Year 5/6 Learning Community

Tuesday 21st – Year 1/2 Learning Community

Wednesday 22nd – Year 3/4 Learning Community

Thursday 23rd – Prep Learning Community

Thank you

I would like to thank our staff, students, and parents for the work you have all been involved in throughout this term. Once again, your resilience was on display for all to see as you transitioned smoothly into and out of remote learning and kept up to date with the many restrictions put in place.

I would like to wish everybody a happy and safe holiday. Term 3 commences on Monday the 11th July.

Billy Barnes

William.barnes@education.vic.gov.au

Primary Values Awards

Congratulations to the Weekly Values Award winners.

Monday 6th June

Spectacular Times!!!

Sue Meeking

Our team for State Schools Spectacular is in rehearsal beginning a fabulous musical journey to John Cain Arena, Melbourne, in September 2022.

Our community is warmly welcomed to join in by purchasing tickets to be in the audience. A terrific display of song, dance and live orchestra music is promised. A great opportunity, in Melbourne, for a musically educational and fun family outing.

Tickets are on sale via Ticketek: www.ticketek.com.au/spectacular

P-12 Sports Report

Kaitlyn Souter, Kelsey O'Neill

3/4 Winter Sports

We hosted the 3/4 Winter Sports on Thursday, 2nd June. The smiles say it all, it was a fantastic day. Mrs Parkinson did a great job organising the day for our students and it was wonderful to see all of our visitors.

5/6 Winter Sports

We were lucky enough to participate in the 5/6 winter sports Friday, 3rd June. Students combined with those from other local schools and participated in Euro handball, Netball, AFL 9's, Soccer and Basketball. Everyone had a great day and a big thank you to Ms Parkinson for helping to organise our students for this day.

Fun Run

Congratulations to all students who received prizes from the fun run. Students raised \$9,337.00 all together. A massive congratulations to Charlie who had the highest fundraising of \$390.00.

Sporting Schools

We would like to thank all of our students who were a part of our netball Sporting Schools program. We would also like to thank our coaches for taking this program - Kelsey, Sharee, Jemma, Zerlina and Miss Laffy.

We hope all students enjoyed the program and would like to thank Bennett's Sports for supporting our Sporting Schools program with discounted netballs for all participants. We hope everyone continues with netball, including practising their skills at home.

Intermediate Football

Our Year 9 and 10 boys had a great but cold day at Rochester on 7th June. We would like to thank all the year 8s who stepped up to the challenge and played in Intermediate team as well. Also like to thank our umpires Miller and Nathan. All of our students showed our school values proudly. Thanks Mr Cottier for coaching them.

Your Heart Matters

Would you know what to do?

Join us for a free Heart Matters information session. What you learn could save your life.

Kyabram Library

19 Lake Rd, Kyabram
Monday, 20 June 11.30am

What you will learn -

- Recognise the warning signs of a heart attack
- Know what to do if you or someone you know has these warning signs
- Reduce your risk of having a heart attack.

I didn't know the warning signs

I thought it was just indigestion

 

Bookings essential.
