

**LEARNING**  
with technologies

A man with glasses and a beard, wearing a light blue denim shirt over a white t-shirt, is looking at a laptop screen. A woman with dark hair, wearing a grey sweater, is leaning in and looking at the same screen. They are both smiling and appear to be working together. The background is a bright, out-of-focus indoor space.

## **Kyabram P-12 College Order Portal**

# HOW TO ORDER

Learning with Technologies (LWT) is one of the largest education resellers in Australia. We are trusted by over 3,000 schools across Australia and supply over 90,000 notebooks into these schools each year.

We supply commercial grade devices that are better designed to survive the school day with special education pricing. We also hold tens of thousands of units locally which means you'll get quick access to a device.

We are also one of the largest authorised repair agents for Lenovo, Acer, and HP. Our service team provide warranty and insurance repairs onsite for schools and maintain large pools of spare parts to ensure repairs happen quickly.

## **Commercial Grade Devices**

The devices we offer via our portals are commercial grade that you won't find in a retail store. Built to a higher quality and most coming with 3 year warranty options they are designed to last longer than retail counterparts.

## **Hassle Free Quick Onsite Servicing**

The student environment often leads to a higher number of repairs. Onsite support at the school greatly reduces frustrations for parents. Getting a retail device repaired usually takes weeks as they often have to be returned to the manufacturer.

## **Accidental Damage Protection**

We offer well priced insurance options that give Accidental Damage protection with quick repair times. We use Manufacturers Insurance to help guarantee parts availability.

## **\$100 Deposit to Secure a Device**

We offer parents a \$100 deposit option to secure a device and let them pay much closer to the delivery date.

# WHY LWT

## 12-Month Interest Free

We offer 12-month interest free on our portals from Latitude Finance and Zip Pay to help spread the cost of your device. All finance comes with associated fees so please read the terms and conditions carefully.

## Pick up close to home or work

You can pick an Auspost Collection Point for your delivery so you can choose to pick the device up near home or near their work whichever is easier for you (unless being delivered to the school).

## More Stock and Spare parts

LWT work with our suppliers and bring in tens of thousands of devices in advance to meet the peak education season. We also hold large pool of spare parts to handle repairs.

## Dedicated Parent Portal Hotline

We have a dedicated hotline for parent portal related calls. You can call us with ordering, payment and delivery enquiries on 1300 839 605.

## Wide range of payment options

We provide a wide range of online payment methods. Please note Credit Card and PAYPAL payments incur a 1% surcharge.

## Easy Graphical Comparison

To help you choose the right device we use easy to understand graphic icons to help you compare units using a side-by-side comparison of key specifications.

# HOW TO ORDER

## Step 1

Go to the school order portal – <https://kyabram.orderportal.com.au/>

**LEARNING**  
with technologies

### Welcome to the Kyabram P-12 College Order Portal

The devices nominated on this portal have been selected by Kyabram P-12 College to best meet the curriculum and technical requirements of the College. There are a number of options associated with the devices so please read the information carefully.

Models And Pricing Are Subject To Change

All items purchased will be shipped directly to parents via Australia Post

Due to new insurance legislation in Australia, Apple is only selling AppleCare via it's online store. If you want to add AppleCare to your purchase please visit the following link - <https://mysupport.apple.com/add-coverage/producttypes>

Then accept the terms and conditions and click.

**LWT Terms And Conditions**

By clicking the 'I accept' button or otherwise submitting the Order, the Customer agrees that they have read, understood and will be bound by these Terms.

**1 Dictionary**  
In these Terms and Conditions, the words below have the following meanings:  
Agreement has the meaning provided to it in clause 2.2.  
Australian Consumer Law means Schedule 2 of the Competition and Consumer Act 2010 (Cth) and any equivalent State or Territory legislation.  
Business Day means any day except a Saturday, Sunday or public holiday in Victoria.  
Change in Control means, in relation to a party:  
(a) the person who Controls the party at the date that party first became bound by these Terms subsequently ceases to have Control of the party;  
with a person who does not Control the party at the date that the party first became bound by these Terms subsequently obtains Control of the party or

Please choose your payment method

**This Portal Is For Demo Purposes Only**

			
---	---	---	---

You will receive an email with confirmation of your order, and we will proceed to deliver your unit via Australia Post as quickly as possible.

If you have any questions during the order process, please call us on 1300 839 605 or email [sales@lwt.com.au](mailto:sales@lwt.com.au)

## Payment Methods

The portal offers a variety of payment methods

### Visa/MasterCard and PayPal

Please note credit card and PayPal payments are subject to a 1% surcharge fee. Unfortunately, due to the low margins on education products we need to pass the fee on that is charged to us.

### BPay (Direct Deposit)

### 12 months interest free from Latitude Finance via their GEM Visa Card

For more information go to <https://www.gemvisa.com.au/>

### 12 months interest free via Zip Money

For more information go to <https://zip.co/how-zip-works>

Please note all finance includes ongoing fees so please read the terms and conditions carefully.

All finance options are subject to approval which can usually be done online.

## Questions about Payment

### Is my credit card secure online?

We use a secure Westpac portal to process credit cards.

### Do you store my credit card number?

Learning with Technologies does not store any credit card information.

### My credit card doesn't work online what's wrong?

To protect against fraud, we don't accept credit cards online that are issued overseas. If you are having issues, please call our team and they can process the card manually for you.

### Can I pay in instalments?

You can pay in instalments. We will hold a unit for you until we receive the payment in full. Unfortunately, we can't ship the unit until we are paid in full.

### What is Interest Free?

Interest Free options are supplied by Latitude Finance and Zip Pay and give you an interest free period with repayments. Please note that interest free may not be available on all products. There are annual fees with Latitude Finance cards, and it is strongly recommended you read the terms and conditions carefully if applying for a card.

## Delivery Questions

### When will I receive my goods?

Your order will be processed straight away, and goods will usually be shipped to you by Australia Post E-Parcel within 1-2 weeks. If there is any delay, we'll send you an email letting you know.

You can track your order here <https://www.orderportal.com.au/CheckOrder>

### What if I'm not home when the goods arrive?

If you are not home when the goods are delivered Australia Post will leave a registered post pickup card and you'll be able to pick up your unit from the local post office.

## Questions about devices

### What device should I buy?

This will largely depend on the subjects your student is doing, always seek advice from the school if you're unsure.

If your student's work will be web browsing and word processing, then this probably doesn't require a powerful/expensive device. It is only when the student is doing media/art/graphics design subjects that you may need to consider a device with a better processor or more RAM.

## **Warranty Questions**

### **How is warranty supplied?**

Warranty will be supplied onsite at your school or by return to base depending on your warranty purchased.

### **What's covered by warranty?**

Only the hardware is covered by warranty against manufacturer fault. Software and physical damage are not covered.

### **Warranty**

Windows devices will have their warranty and insurance repairs supplied onsite at the school by LWT. Your child can take the device to the school IT department to log a job on their behalf.

Apple iPad warranties are direct with Apple can be logged here:

<https://support.apple.com/repair>

## **Insurance and Repair Questions**

### **Do I need Insurance?**

You don't have to purchase insurance with your unit but it can help lock in costs and ensure quicker onsite repair. For full information please refer the PDS. Please note touch screens on laptops can cost approximately from \$200 to \$900 depending on the brand and size of the screen.

### **What do I do if my unit gets damaged and I don't have insurance?**

We can supply a quote and repair cost for fixing a broken unit.

## **Software Issues**

### **I have a problem with my software who should I talk too?**

We only provide the hardware and unfortunately can't supply advice regarding the software. If you have a school supplied image you should talk to the school if you are having difficulties or seek local IT support.

Contact us on 1300 839 605 or email [sales@lwt.com.au](mailto:sales@lwt.com.au).
